Comments for Public Posting: Hello, As twenty year California Realtors and property owners, we are totally against SB 9 and against SB 10. Both pieces of legislation are short-sighted and will do more damage than good. We do not approve our legislators making housing legislation without the California of Association of Realtors involvement, Realtor involvement and property owners participation. These destructive housing bills are harmful to existing zoning, the environment, threaten public safety and put tremendous strain on public services, including schools. Slow down and create meaningful and lasting, fully supported housing legislation. "Crisis based" legislation, in the name of the housing crisis, will yield a great crisis ahead. Thank you, E. Thompson San Diego Realtor

Comments for Public Posting: I support Councilman's Koretz seconded by Councilman Kerkorian's resolution to oppose SB 9 and SB10. These bills are designed to end run CEQA review. We cannot allow this to pass. They would not create affordable housing. We need workable solutions to housing in our neighborhoods that make sense
STRONGLY OPPOSE SB 9 and SB 10
