Comments for Public Posting: Hi, as a member of our community in downtown San Pedro, I wholeheartedly support CARE+ cleanups and amendments to LAMC 41.18 & 56.11. The sideways are impossible to use here and it feels unsafe. We don't walk in our own community because of the homeless encampments, and because we have to tell the local homeless people to leave our properties (they come to steal our packages), they are verbally abusive and so we feel even more unsafe being on their "turf" just around the corner from us.
