Summary:

On March 3, 2021 the Public Safety Committee considered a CAO report dated February 16, 2021 and a Board of Police Commissioners report dated December 8, 2020 relative to retroactive approval to apply for and accept a grant award for the 2020-21 OHMVR Grant - Education and Safety Program from the State of California, Department of Parks and Recreation. According to the Board, the OHMVR Grant Education and Safety Program provides financial assistance to local and federal agencies to deliver safety programs and education that teaches public awareness for responsible off-highway vehicle (OHV) safety, environmental responsibility, and respect for private property. Through this \$199,923 award, the LAPD will partner with National Youth Project Using Minibikes (NYPUM) to continue OHV recreation and OHV education to LAPD youth program participants through a three-year contract executed in 2019. NYPUM was created to engage at-risk and disadvantaged youth ages 10 to 17 years old to promote their development through a new and exciting activity. After consideration and having provided an opportunity for public comment, the Committee moved to approve the recommendations in the CAO report, as detailed above. This matter is now submitted to Council for its consideration.

Respectfully Submitted,

PUBLIC SAFETY COMMITTEE
