

**ORDINANCE NO. \_\_\_\_\_**

An ordinance establishing the Grand Sign District pursuant to the provisions of Section 13.11 of the Los Angeles Municipal Code.

**WHEREAS**, the Grand Sign District will be located in the Downtown Center, where the General Plan Framework calls for the continuation and expansion of commercial, residential, transportation, entertainment, and visitor-serving functions that distinguish and uniquely identify the Downtown Center;

**WHEREAS**, the Grand Sign District will be located directly across Grand Avenue from the Walt Disney Concert Hall, adjacent to The Music Center, and in close proximity to the Museum of Contemporary Art, the Colburn School, the Broad, the Dorothy Chandler Pavilion, hotels, and restaurants, and will continue to transform the Bunker Hill neighborhood into a vibrant area comprised of creative signage, world-class entertainment venues, historic buildings, and regional attractions;

**WHEREAS**, additional urban infill and redevelopment, including hotels, multi-family residential, commercial and retail uses, on and around Grand Avenue continue to transform the Bunker Hill, Historic Core, and Civic Center neighborhoods into an energetic area comprised of world-class entertainment venues, creative signage, historic buildings, regional attractions, and residential uses with a distinct demographic and aesthetic identity;

**WHEREAS**, the Grand Sign District will foster a lively urban environment with a unified aesthetic and sense of identity, by setting standards for uniform signage design, providing well-planned placement of signage with consideration for surrounding uses, while also providing functional way-finding and building identification along streets, thereby connecting regional transit, entertainment, and cultural venues;

**WHEREAS**, the Grand Sign District will be part of the Grand Project which will include programming that is designed to serve the surrounding community, including a goal of 10,000 square feet of retail space leased to local tenants, 20 percent on-site affordable units for households with incomes at or below 40 percent and 50 percent of median income (89 units), a public plaza, streetscape improvements, and embedding sustainability features throughout the project, guided by a Leadership in Energy and Environmental Design Silver commitment, that further evolve the physical and aesthetic identity of the area for residents, visitors, and businesses in the Central City area and further promote the entertainment character of the Bunker Hill neighborhood and surrounding areas;

**WHEREAS**, the permitting of off-site digital display signs and wall signs located on the interior of the site will directly advance the purposes of improving the aesthetics of the area by carefully regulating the placement and design of such signs;

**WHEREAS**, Parcel Q is one of five parcels on which mixed-use development of the Grand Project will occur;

**WHEREAS**, the Grand Sign District will contribute to the activation of all sides of Parcel Q, and promote accessibility for patrons arriving on foot, as well as by car or transit;

**WHEREAS**, the Grand Sign District will emphasize the importance of Parcel Q as a gateway to the cultural icons mentioned above by displaying artwork, programming, identification, and current events messaging for local cultural venues;

**WHEREAS**, the signage plan has been designed to complement the architecture, facilitate directional and informational signage at the Grand Project's perimeter and interior, including for pedestrians and transit users, and to allow for intuitive circulation through and within Parcel Q; and

**WHEREAS**, on December 11, 2019, the City Council instructed the Department of City Planning Major Projects Unit to initiate a Sign District for Parcel Q appropriate for a mixed-use project with various commercial uses including hotel, retail, restaurants, and entertainment.
