Comments for Public Posting: I would like to appeal the Ramada Inn Homeless Shelter. This is an outrageous expense to tax payers and a safety concern for the Venice community. I am very concerned for the safety of the community. The city has denied the public for safety , health, and welfare measures. There needs to be increased police patrols and presence. Ban on encampments. Evictions for criminal behavior outside of the shelter. Requirement for tenants to accept services and get sober. Background checks for criminal backgrounds of residents.

Comments for Public Posting: Raising the appeals price from \$89 to \$16,000 is a hefty jump eliminating the little guy totally from the Democratic process.
