

CONDITIONS OF APPROVAL

Pursuant to Sections 12.22-A,31 and 16.05 of the Los Angeles Municipal Code, the following conditions are hereby imposed upon the use of the subject property:

Development Conditions

1. **Site Development.** Except as modified herein, the project shall be in substantial conformance with the plans and materials submitted by the Applicant, stamped "Exhibit A," and attached to the subject case file. Minor deviations may be allowed in order to comply with the provisions of the LAMC or the project conditions. Changes beyond minor deviations required by other City Departments or the LAMC may not be made without prior review by the Department of City Planning, Expedited Processing Section, and written approval by the Director of Planning. Each change shall be identified and justified in writing.
2. **On-Site Restricted Affordable Units.** Fifteen (15) units, or equal to ten percent of the total number of dwelling units, shall be designated for Extremely Low Income Households, as defined by the Los Angeles Housing and Community Investment Department (HCIDLA) and California Government Code Section 65915(c)(2).
3. **Changes in On-Site Restricted Units.** Deviations that increase the number of restricted affordable units or that change the composition of units or change parking numbers shall be consistent with LAMC Section 12.22-A,31.
4. **Housing Requirements.** Prior to issuance of a building permit, the owner shall execute a covenant to the satisfaction of HCIDLA to make ten percent of the total number of dwelling units available to Extremely Low Income Households, for sale or rental as determined to be affordable to such households by HCIDLA for a period of 55 years. In the event the applicant reduces the proposed density of the project, the number of required set-aside affordable units may be adjusted, consistent with LAMC Section 12.22-A,31, to the satisfaction of HCIDLA, and in consideration of the project's Housing Crisis Act of 2019 (SB 330) Replacement Unit Determination. Enforcement of the terms of said covenant shall be the responsibility of HCIDLA. The applicant will present a copy of the recorded covenant to the Department of City Planning for inclusion in this file. The project shall comply with the Guidelines for the Affordable Housing Incentives Program adopted by the City Planning Commission and with any monitoring requirements established by the HCIDLA. Refer to the Density Bonus Legislation Background section of this determination.
5. **Base Incentives.**
 - a. **Residential Density.** The project shall be limited to a maximum density of 145 residential dwelling units (equal to a maximum density increase of 70 percent), including On-site Restricted Affordable Units.
 - b. **Floor Area Ratio (FAR).** The portion of the project zoned C2-1 shall be permitted a maximum FAR of 3.75 to 1 for a Tier 3 project in a commercial zone. The portion of the project zoned R4-1 shall be permitted a maximum FAR of 4.5 to 1.
 - c. **Parking.**
 - i. **Automobile Parking.** Automobile parking shall be provided consistent with LAMC Section 12.22-A,31. The proposed development, a Tier 3 project, shall

not be required to exceed 0.5 automobile parking spaces per unit. A greater number of parking spaces may be provided at the applicant's discretion.

- ii. **Bicycle Parking.** Bicycle parking shall be provided consistent with LAMC Section 12.21-A,16. In the event that the number of On-Site Restricted Affordable Units should increase or the composition of such units should change, then no modification of this determination shall be necessary and the number of bicycle parking spaces shall be re-calculated consistent with LAMC Section 12.21-A,16.
- iii. **Unbundling.** Required parking may be sold or rented separately from the units, with the exception of all Restricted Affordable Units which shall include any required parking in the base rent or sales price, as verified by HCIDLA.

6. **Additional Incentives.**

- a. **Open Space.** The project shall be permitted a maximum reduction of 25 percent in the required amount of open space.
 - b. **Yards/Setbacks.** The project shall be permitted to utilize the side and rear yard setback requirements of the RAS3 Zone for a project in a commercial zone.
 - c. **Averaging F.A.R., Density, Parking, or Open Space, and Permitting Vehicular Access.** The project may average FAR, density, open space, and permit vehicular access across the entirety of the site. The total floor area shall not exceed 116,070 square feet.
7. **Graffiti.** All graffiti on the site shall be removed or painted over to match the color of the surface to which it is applied within 24 hours of its occurrence.
8. **Landscaping.** All open areas not used for buildings, driveways, parking areas, recreational facilities or walks shall be attractively landscaped, including an automatic irrigation system, and maintained in accordance with a landscape plan prepared by a licensed landscape architect or licensed architect, and submitted for approval to the Department of City Planning. The landscape plan shall indicate landscape points for the project equivalent to 10 percent more than otherwise required by LAMC Section 12.40 and Landscape Ordinance Guidelines.
9. **Parking.** With the exception of vehicle and pedestrian entrances and fresh intake grilles, all vehicle parking shall be completely wrapped along Washington Boulevard and Motor Avenue, and completely enclosed on all other sides of the building.
10. **Solar Panels.** Solar panels shall be installed on the project's rooftop space to be connected to the building's electrical system. A minimum 15% of the available roof area shall be reserved for the installation of a solar photovoltaic system, to be installed prior to the issuance of a certificate of occupancy, in substantial conformance with the plans stamped "Exhibit A".
11. **Electric Vehicle Parking.** All electric vehicle charging spaces (EV Spaces) and electric vehicle charging stations (EVCS) shall comply with the regulations outlined in Sections 99.04.106 and 99.05.106 of Article 9, Chapter IX of the LAMC.

12. **Materials.** A variety of high quality exterior building materials, consistent with the approved Exhibit "A" plans, shall be used. Substitutes of an equal quality shall be permitted to the satisfaction of the Department of City Planning.
 - a. Each façade of the building shall incorporate a minimum of three (3) different building materials. Windows, doors, balcony/deck railings, and fixtures (such as lighting, signs, etc.) shall not count towards this requirement.
13. **Trash.** All trash collection and storage areas shall be located on-site and not visible from the public right-of-way.
14. **Mechanical Equipment.** All mechanical equipment on the roof shall be screened from view by any abutting properties. The transformer, if located in the front yard, shall be screened with landscaping and/or materials consistent with the building façade on all exposed sides (those not adjacent to a building wall).
15. **Maintenance.** The subject property (including all trash storage areas, associated parking facilities, sidewalks, yard areas, parkways, and exterior walls along the property lines) shall be maintained in an attractive condition and shall be kept free of trash and debris.
16. **Lighting.** Outdoor lighting shall be designed and installed with shielding, such that the light source does not illuminate adjacent residential properties or the public right-of-way, nor the above night skies.

Administrative Conditions

17. **Final Plans.** Prior to the issuance of any building permits for the project by the Department of Building and Safety, the applicant shall submit all final construction plans that are awaiting issuance of a building permit by the Department of Building and Safety for final review and approval by the Department of City Planning. All plans that are awaiting issuance of a building permit by the Department of Building and Safety shall be stamped by Department of City Planning staff "Final Plans". A copy of the Final Plans, supplied by the applicant, shall be retained in the subject case file.
18. **Notations on Plans.** Plans submitted to the Department of Building and Safety, for the purpose of processing a building permit application shall include all of the Conditions of Approval herein attached as a cover sheet, and shall include any modifications or notations required herein.
19. **Approvals, Verification and Submittals.** Copies of any approvals, guarantees or verification of consultations, reviews or approval, plans, etc., as may be required by the subject conditions, shall be provided to the Department of City Planning for placement in the subject file.
20. **Code Compliance.** All area, height and use regulations of the zone classification of the subject property shall be complied with, except wherein these conditions explicitly allow otherwise.
21. **Department of Building and Safety.** The granting of this determination by the Director of Planning does not in any way indicate full compliance with applicable provisions of the Los Angeles Municipal Code Chapter IX (Building Code). Any corrections and/or modifications to plans made subsequent to this determination by a Department of Building and Safety Plan Check Engineer that affect any part of the exterior design or appearance of the project as approved by the Director, and which are deemed necessary by the

Department of Building and Safety for Building Code compliance, shall require a referral of the revised plans back to the Department of City Planning for additional review and sign-off prior to the issuance of any permit in connection with those plans.

22. **Department of Water and Power.** Satisfactory arrangements shall be made with the Los Angeles Department of Water and Power (LADWP) for compliance with LADWP's Rules Governing Water and Electric Service. Any corrections and/or modifications to plans made subsequent to this determination in order to accommodate changes to the project due to the under-grounding of utility lines, that are outside of substantial compliance or that affect any part of the exterior design or appearance of the project as approved by the Director, shall require a referral of the revised plans back to the Department of City Planning for additional review and sign-off prior to the issuance of any permit in connection with those plans.
23. **Enforcement.** Compliance with these conditions and the intent of these conditions shall be to the satisfaction of the Department of City Planning and any designated agency, or the agency's successor and in accordance with any stated laws or regulations, or any amendments thereto.
24. **Expedited Processing Section.** Prior to the clearance of any conditions, the applicant shall show proof that all fees have been paid to the Department of City Planning, Expedited Processing Section.
25. **Indemnification and Reimbursement of Litigation Costs.**

Applicant shall do all of the following:

- a. Defend, indemnify and hold harmless the City from any and all actions against the City relating to or arising out of, in whole or in part, the City's processing and approval of this entitlement, including but not limited to, an action to attack, challenge, set aside, void, or otherwise modify or annul the approval of the entitlement, the environmental review of the entitlement, or the approval of subsequent permit decisions, or to claim personal property damage, including from inverse condemnation or any other constitutional claim.
- b. Reimburse the City for any and all costs incurred in defense of an action related to or arising out of, in whole or in part, the City's processing and approval of the entitlement, including but not limited to payment of all court costs and attorney's fees, costs of any judgments or awards against the City (including an award of attorney's fees), damages, and/or settlement costs.
- c. Submit an initial deposit for the City's litigation costs to the City within 10 days' notice of the City tendering defense to the Applicant and requesting a deposit. The initial deposit shall be in an amount set by the City Attorney's Office, in its sole discretion, based on the nature and scope of action, but in no event shall the initial deposit be less than \$50,000. The City's failure to notice or collect the deposit does not relieve the Applicant from responsibility to reimburse the City pursuant to the requirement in paragraph (b).
- d. Submit supplemental deposits upon notice by the City. Supplemental deposits may be required in an increased amount from the initial deposit if found necessary by the City to protect the City's interests. The City's failure to notice or collect the deposit does not relieve the Applicant from responsibility to reimburse the City pursuant to the requirement in paragraph (b).

- e. If the City determines it necessary to protect the City's interest, execute an indemnity and reimbursement agreement with the City under terms consistent with the requirements of this condition.

The City shall notify the applicant within a reasonable period of time of its receipt of any action and the City shall cooperate in the defense. If the City fails to notify the applicant of any claim, action, or proceeding in a reasonable time, or if the City fails to reasonably cooperate in the defense, the applicant shall not thereafter be responsible to defend, indemnify or hold harmless the City.

The City shall have the sole right to choose its counsel, including the City Attorney's office or outside counsel. At its sole discretion, the City may participate at its own expense in the defense of any action, but such participation shall not relieve the applicant of any obligation imposed by this condition. In the event the Applicant fails to comply with this condition, in whole or in part, the City may withdraw its defense of the action, void its approval of the entitlement, or take any other action. The City retains the right to make all decisions with respect to its representations in any legal proceeding, including its inherent right to abandon or settle litigation.

For purposes of this condition, the following definitions apply:

"City" shall be defined to include the City, its agents, officers, boards, commissions, committees, employees, and volunteers.

"Action" shall be defined to include suits, proceedings (including those held under alternative dispute resolution procedures), claims, or lawsuits. Actions include actions, as defined herein, alleging failure to comply with any federal, state or local law.

Nothing in the definitions included in this paragraph are intended to limit the rights of the City or the obligations of the Applicant otherwise created by this condition.
