RE: CF 17-0893/Case No. CPC-2017-455-CA

Dear Honorable Committee Members,

I write this letter in support of the Department of Public Works Graffiti Removal Program. As both a resident of Los Angeles and a real estate professional, I appreciate the win-win proposition provided through this public/private partnership.

Graffiti and trash blight our City and it is through this program that property owners are provided a much-needed incentive. I am aware of specific instances in which this program has assisted property owners in achieving the program's objectives.

I respectfully request your support of the Graffiti Removal Programs continuation.

Sincerely,

H Cohen
