AMENDMENT

Amendment Section 1. Section 3.1 of the Contract shall be amended and restated in its entirety as follows:

3.1 Notwithstanding any other provision in this Contract, the term of this Contract shall commence in October 20, 2018, and shall expire no later than four (4) year thereafter (the “Term”); subject, however, to prior termination as provided herein.

Amendment Section 2. Except as specifically provided herein, this Amendment shall not in any manner alter, change, modify, or affect any of the rights, privileges, duties, or obligations of either of the parties hereto, under, or by reason of said Contract, as amended.

Execution. This Amendment and any other document necessary for the consummation of the transaction contemplated by this Amendment may be executed in counterparts, including counterparts that are manually executed and counterparts that are in the form of electronic records and are electronically executed. An electronic signature means a signature that is executed by symbol attached to or logically associate with a record and adopted by a party with the intent to sign such record, including facsimile or e-mail signatures. All executed counterparts shall constitute one Amendment, and each counterpart shall be deemed an original. The parties hereby acknowledge and agree that electronic records and electronic signatures, as well as facsimile signatures, may be used in connection with the execution of this Amendment and electronic signatures, facsimile signatures or signatures transmitted by electronic mail in so-called PDF format shall be legal and binding and shall have the same full force and effect as if a paper original of this Amendment had been delivered that had been signed using a handwritten signature. All parties to this Amendment (i) agree that an electronic signature, whether digital or encrypted, of a party to this Amendment is intended to authenticate this writing and to have the same force and effect as a manual signature; (ii) intended to be bound by the signatures (whether original, faxed, or electronic) on any document sent or delivered by facsimile or electronic mail or other electronic means; (iii) are aware that the other party(ies) will rely on such signatures; and, (iv) hereby waive any defenses to the enforcement of the terms of this based Amendment on the foregoing forms of signature. If this Amendment has been executed by electronic signature, all parties executing this document are expressly consenting, under the United States Federal Electronic Signatures in Global and National Commerce Act of 2000 (“E-SIGN”) and the California Uniform Electronic Transactions Act (“UETA”) (California Civil Code §1633.1 et seq.), that a signature by fax, e-mail, or other electronic means shall constitute an Electronic Signature to an Electronic Record under both E-SIGN and UETA with respect to this specific transaction.
