7. Justification for Modification: (If additional space is needed please continue the justification on the Justification Tab.)
The current an unprecedented issues surrounding COVID-19 have severely impacted our partner's ability to perform program activities such as offering temporary shelter du to the Mayor's "Stay at Home Order". As we have encountered expenses that were not anticipated, were are increasing time of shelter stay per client as needed. The directive has impacted regular operating procedures by implementing Citywide closures, reducing staff, and delaying standart City processes.
