Summary: The Eagle Rock Neighborhood Council supports the motion for mandatory diversity, equity, and inclusion training and anti-bias training for all members of the Los Angeles Neighborhood Council System. We believe the City must pro-actively work to ensure all levels of our Municipal government are inclusive of and representative of our diverse population. Neighborhood Councilmembers are currently required to engage in ethics training, funding training, and sign a code of conduct before serving the City. Adding a diversity, ethics, and inclusion training and antibias training will strengthen our existing system of Neighborhood Councils and make it a more inclusive body. We also support additional training for a Neighborhood Council when a board member or actively- involved stakeholder has transitioned or made known that they have changed their name or preferred pronouns.
