**Comments for Public Posting:** Reminder; "Project NO Room Key" was for HOUSING. Sheds are not housing. Tiny homes in well put together communities are wonderful, tiny homes have bathrooms and small kitchen areas. We always give residents their keys. Surrounding unhoused residents at night with 100's of cops in tactical gear is NEVER an OK thing to do. We need a LASHA in each sub city-neighborhood. This should be an extension of the DPSS. We have too many moving parts of our "no social service programs". Safe parking is wonderful, it should be an extension again of DPSS.
