Dear Armando,

I am forwarding to you an email of support for File number 21-0470 from Toni Williamson (who's email address is [toniwca@aol.com](mailto:toniwca@aol.com))

Please add this letter to File number 21-0470.

It is very difficult for people to try and use the [LACouncilComment.com](http://LACouncilComment.com) portal on their phones as it is too small to read and the majority of people who are sending in letters of support for the HCM nomination are doing so on their phones.

I hope this makes things easier for you to keep track of these support letters. I don't envy your having to sort through them.

Respectfully Yours,

Teri Austin

Dear Chairman Marqueece Harris-Dawson and PLUM Committee Council members,

I urge the PLUM Committee adopt the nomination by the Cultural Heritage Commission for Studio City Golf and Tennis Club to be included in the list of Historical-Cultural Monuments according to the CHC staff findings as written. The CHC determined " that the property conforms with the definition of a Monument pursuant to Section 22.171.7 of the Los Angeles Administrative Code. The Commission also voted to change the proposed monument's name back to "Studio City Golf and Tennis Club" to reflect the original, historic name. ( It is currently known as Weddington Golf and Tennis ).

The nomination is for the property, the clubhouse, golf course, and driving range that have been open to the public for generations to a diverse demographic of Angelenos. Under Criterion 3. The setting has high integrity, as do the component elements including the Ranch style clubhouse, the golf course with its fairways lined with over 350 palm, eucalyptus, and pine trees, and associated features such as the golf ball-shaped light standards and putting green.

Any proposed demolition of this excellent example of a post WW II Era recreational facility will result in a significant loss to the heritage of Studio City. I urge you to protect this iconic Studio City landmark for future generations.

Sincerely  
Toni Williamson
