On behalf of YXTA COCINA MEXICANA, I am writing to express our full support for Crystal Benavides-Ryan in her application process for the City of Los Angeles Social Equity Program located at 1058 S. Main St.

As a local stakeholder and minority business owner in downtown Los Angeles for the last decade, I have seen first hand the lack of opportunities for minorities especially amongst women of color. This is why I welcome Crystal, one of the very few Latina women attempting to open business in the City of Los Angeles. We need to encourage and support minorities & women across the local area to go as far as their talents will take them.

This project deserves your full support. I look forward to its successful completion.

If you have any questions, please contact me at 323-529-4231

Sincerely,

Jesse Gomez
