To Whom It May Concern,

I am writing to recommend Crystal Benavides-Ryan in her PCN application for the City of Los Angeles Social Equity Program at 1058 S. Main Street.

I have worked, lived, and advocated for the DTLA community over the last ten years and am dedicated to bringing solutions back to downtown after the devastating year we all have endured. Moving forward, it is imperative that when we can advocate for female minority-owned businesses, we all must do all we can do to show our support.

If you have any questions or can assist in bringing this project to fruition, contact me at 818-748-7548.

Sincerely yours,

Gregg Gorski
