LETTER OF SUPPORT FOR DIVINO TESSERA

Dear Los Angeles City Council:

I am writing this letter to express our strong support for Divino Tessera who is pursuing a cannabis retail permit in the Sun Valley / Sunland Tujunga area.

Divino Tessera consists of owners and a social equity partner that brings years of proven experience in the cannabis industry. Most importantly, they are bringing significant investment the community. Their Community Benefits Plans includes; taking a percentage of proceeds and donating them to local community projects, hiring local job seekers, and creating a grant program for local nonprofits to obtain funding. This is in alignment with I AM's mission of supporting homeless individuals and families in Los Angeles County.

In addition to all its efforts to invest in the local community, Divino Tessera has a strong compliance and operations background which will help ensure it is a strong operator for the city. In doing so, they will help create millions in tax revenue for the city that can help hire more cops, repaving streets, and rebuild our local parks.

For all these reasons, we express our strong support for their project. If you have any questions or concerns, please do not hesitate to contact us.

Thank you,
Rhonda Gregory Brent
