**Comments for Public Posting:** Dear Councilmember Marqueece Harris-Dawson, Chair and Committee Members: I urge the PLUM Committee to adopt the nomination by the Cultural Heritage Commission for the Studio City Golf and Tennis Club to be included in the list of Historic-Cultural Monuments according to the CHC staff findings, as written. The CHC determined " that the property conforms with the definition of a Monument pursuant to Section 22.171.7 of the Los Angeles Administrative Code. The Commission also voted to change the proposed monument's name back to "Studio City Golf and Tennis Club" to reflect its original, historic name. (the site is currently known as Weddington Golf and Tennis). The CHC's nomination is for the subject property, including the clubhouse, golf course, driving range and tennis courts that have been open to the a diverse demographic of Angelenos for generations. Under Criterion 3: The setting has high integrity, as do the component elements including the Ranch style clubhouse, the golf course with its fairways lined with over 400 palm, eucalyptus, and pine trees, and associated features such as the golf ball-shaped light standards and putting green. Any proposed demolition of this excellent example of a post WW II Era recreational facility will result in a significant loss to the heritage of Studio City. I urge you to protect this iconic Studio City landmark for future generations. Sincerely, Adele Slaughter
