Revenue Changes

American Rescue Plan

1. Reduce anticipated revenues as announced by the U.S. Department of the Treasury on May 10, 2021. Until final guidelines and fact sheets are issued, the impact to the City's Budget will need to be assessed in the weeks and months to come. Instruct the CAO to report on all matters related to the American Rescue Plan, including but not limited to the formulation of comments to the Treasury Department, the issuance of Final Rules, federal relief application and approval process, the impact on the City's budget and any other actions to effectuate the acceptance and use of these funds.
