SUBJECT: ANNUAL ASSESSMENT FOR STREET LIGHTING MAINTENANCE AND OPERATION 2021/22 - LOS ANGELES CITY LIGHTING DISTRICT (ASSESSMENTS AND DISTRICT FROZEN SINCE 1996)

As recommended in the accompanying report of the Director of the Bureau of Street Lighting, which this Board has adopted, the Board of Public Works recommend that your Honorable Body in accordance with Section 6.98 of the Administrative Code of the City of Los Angeles:

1. Council adopt this Report and the Ordinance of Intention for the Los Angeles City Street Lighting Maintenance Assessment District (LACL D), under which individual maintenance assessments, and the composition of the district will remain substantially the same as in 2020/21, and therefore assessments will be exempt from the "procedures and approval process" (section 4 of Proposition 218) as allowed in section 5 of Proposition 218. No assessments will be increased and no properties will be added to this district, therefore, no ballots will be required;
2. Proceedings for the maintenance of the LACL D for fiscal year 2021/22 be conducted in conformance with Division 6, Chapter 3, Article 1 of the Los Angeles Administrative Code, California Government Code Section 53753.5 and Proposition 218 (Articles XIII C and XIII D of the California State Constitution). At the conclusion of the Council Public Hearing, assessments be confirmed and an ordinance levying the assessments be adopted. Confirmation of the assessments by July 31, 2021 is necessary to meet the County deadline for inclusion of the assessments on the 2021/22 Property Tax Bills.

Fiscal Impact:

Approval will result in assessment revenue of about \$42,124,040 to the Street Lighting Maintenance Assessment Fund (SLMAF) FOR 2021/22 street lighting operations, slightly less than in 2020/21. An amount of \$2,600,000 is budgeted from the Water and Electricity Fund for the City's share of the Public Property assessments. About 510,000 parcels are included in this assessment district.

Sincerely,
