Good afternoon Jordan,

I saw that Armando added you to the interested parties list for that Council File. We don't have a specific timeline at the moment, but are working now to gather the data to prepare that report which also includes a number of other items that will require some development as well.

Dear Raoul Mendoza:

In addition to recommending approval of fee adjustment, PLUM recently requested a report on appeal background (See [PLUM Report](#), p. 1). Please: (i) confirm the Council File No. for this report; (ii) add me to the interest party list on this report/item; and (iii) whether there is a rough timeline when this report will be prepared —many thanks.

Sincerely,
