for Richard H. Llewellyn, Jr., City Administrative Officer

Reference: Housing and Community Investment Department transmittal dated May 10, 2021; Received by the City Administrative Officer on May 20, 2021; Additional Information Received through June 2, 2021

Subject: **REQUEST FOR AUTHORITY TO ISSUE TAX-EXEMPT MULTIFAMILY CONDUIT REVENUE BONDS IN AN AMOUNT UP TO \$32,343,967, AND ISSUE TAXABLE MULTIFAMILY CONDUIT REVENUE BONDS IN AN AMOUNT UP TO \$9,600,000 FOR LA VERANDA, A SUPPORTIVE HOUSING PROJECT**

RECOMMENDATIONS

That the Council, subject to the approval of the Mayor:

1. Note and file the Housing and Community Investment Department (HCID) transmittal dated May 10, 2021 (Report) relative to the issuance of tax-exempt and taxable multifamily conduit revenue bonds for the La Veranda project;
2. Consider the results of the Tax Equity and Fiscal Responsibility Act of 1982 (TEFRA) hearing held on March 22, 2021 for the La Veranda project attached to this report;
3. Adopt the Resolution attached to this report, authorizing the issuance of up to \$32,343,967 in tax-exempt multifamily conduit revenue bonds and up to \$9,600,000 in taxable multifamily conduit revenue bonds for the La Veranda project; and,
4. Authorize the General Manager of the HCID, or designee, to negotiate and execute the relevant bond documents for the La Veranda project, subject to the approval of the City Attorney as to form.

SUMMARY

The Housing and Community Investment Department (HCID) transmittal dated May 10, 2021 (Report) requested authority to issue tax-exempt multifamily housing conduit revenue bonds in an amount not to exceed \$31,343,967 to finance the construction of the affordable housing

development known as the La Veranda (Project). Subsequent to the release of its Report, the HCID confirmed that the correct tax-exempt amount in its request should be \$32,343,967, and the request should include taxable multifamily housing conduit revenue bonds in an amount not to exceed \$9,600,000. The Project will consist of the new construction of 38 units of supportive housing for homeless families and chronically homeless individuals, 38 units for low-income families, and one unrestricted manager unit. The subject site is located at 2420 East Cesar Chavez Avenue, 240 North Soto Avenue, and 323 North Mathews Street, Los Angeles, CA, 90033 in Council District 14. The California Debt Limit Allocation Committee (CDLAC) awarded the tax-exempt bond allocation for the Project to the City on September 16, 2020 in an amount not to exceed \$33,348,722 and designated a March 29, 2021 issuance deadline. At HCID's request, CDLAC granted one 90-day extension and designated June 29, 2021 as the new issuance deadline. The La Veranda, L.P. further requested the issuance of a taxable series of bonds of up to \$9,600,000, which will be used to pay for construction and other hard costs in addition to the tax-exempt proceeds.

Subsequent to the release of its Report, the HCID provided a revised Bond Resolution and bond documents to make technical corrections to the addresses of the Project. Additionally, the revised Bond Resolution includes the 2020 and 2021 Tax Equity and Fiscal Responsibility Act of 1982 (TEFRA) Hearing dates instead of only the 2021 date. Further, the HCID provided the minutes for the 2021 TEFRA Hearing, which it had not previously provided to the Council. The 2021 TEFRA Hearing minutes and revised Bond Resolution and documents are attached to this report for Mayor and Council consideration and adoption. This Office concurs with the recommendations of the Department, as amended to: 1) correct the amount for the tax-exempt multifamily housing conduit revenue bonds request; 2) include a request for taxable housing conduit revenue bonds; and 3) include the 2021 TEFRA Hearing minutes, revised Bond Resolution, and revised bond documents.

The Project's financing includes a \$9,120,000 Proposition HHH Supportive Housing Loan (Prop HHH) funding commitment, which is currently pending Mayor and Council approval (C.F. 17-0090-S15). While the tables in HCID's Report show \$273,600 in deferred Prop HHH interest in the permanent financing stage, the HCID confirmed that it will work with the Borrower to close the project's construction financing to minimize the use of Prop HHH deferred interest identified as a permanent source. All Prop HHH program income, regardless if it is received directly following the construction period as deferred interest income or through residual receipts income, is required to be deposited into an account to be used to fund additional Prop HHH loans via a continuing supportive housing loan program consistent with the Prop HHH goals and requirements.

The City's involvement in the issuance of multifamily housing conduit revenue bonds is considered true conduit financing, in which the obligation for repayment of the bonds is the responsibility of La Veranda, L.P. and the City bears no financial responsibility for repayment as the issuer. There will be no impact to the General Fund. The financing is consistent with City policies regarding conduit financing.

The Council adopted a Responsible Banking Ordinance (RBO) in May 2012 (C.F. 09-0234 and C.F. 09-0234-S1). The purpose of the RBO is to create a social investment policy that reflects the community's priorities and acts as a tool when seeking financial services. Bank of America, N.A. (BoFA) and U.S. Bank, N.A. (USB) are currently in compliance with the reporting requirements of

the RBO and HCID will ensure that BofA and USB will continue to adhere to the RBO. The City acts only as a conduit issuer, not the borrower, in this bond transaction and has no financial interest in this transaction.

FISCAL IMPACT STATEMENT

There will be no impact to the General Fund as a result of the issuance of these multifamily conduit revenue bonds for the La Veranda project (Project). The City is a conduit issuer and does not incur liability for the repayment of the bonds, which are a limited obligation payable solely from the revenues of the Project, and the City will in no way be obligated to make payments on the bonds.

FINANCIAL POLICIES STATEMENT

The recommendations in this report comply with the City's Financial Policies.

DEBT IMPACT STATEMENT

There is no debt impact as these bonds are a conduit issuance debt and not a debt of the City.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Los Angeles, as follows:

1. The recitals hereinabove set forth are true and correct, and this City Council so finds. This Resolution is being adopted pursuant to the Law.

2. Pursuant to the Law and in accordance with the Act and the Indenture (as hereinafter defined), a revenue bond of the City, to be designated as “City of Los Angeles Multifamily Housing Revenue Bond (La Veranda Apartments) Series 2021K,” in one or more series in an aggregate principal amount not to exceed \$41,943,967 is hereby authorized to be issued. The principal amount of the Bond to be issued shall be determined by a Designated Officer (as defined below) in accordance with this Resolution.

3. The proposed form of a Trust Indenture (the “Indenture”) by and between the City and such party as shall be designated by the City in the final form of Indenture, as trustee (the “Trustee”), substantially in the form attached hereto, is hereby approved along with any additions or supplements which may, in the determination of a Designated Officer, be necessary to document the issuance of the Bond authorized hereunder. The Mayor of the City, the General Manager, any Acting General Manager, the Interim General Manager or any Assistant General Manager, Acting Assistant General Manager, Interim Assistant General Manager, Executive Officer, Acting Director or Director—Finance and Development Division of the Housing Development Bureau of the Los Angeles Housing and Community Investment Department (each hereinafter referred to as a “Designated Officer”) are hereby authorized and directed to execute and deliver, for and in the name and on behalf of the City, said Indenture with such additions, changes or corrections as the Designated Officer executing the same may approve upon consultation with the City Attorney and Bond Counsel to the City and approval of the City Attorney, provided that such additions or changes shall not authorize an aggregate principal amount of the Bond in excess of the amount stated above, such approval by the City Attorney to be conclusively evidenced by the execution and delivery of the Indenture with such additions, changes or corrections.

Any Designated Officer shall be authorized to approve the appointment of the Trustee.

4. The proposed form of the Bond, as set forth in the Indenture, is hereby approved, and the Mayor and City Treasurer, the Interim City Treasurer or Deputy City Treasurer of the City are hereby authorized and directed to execute, by manual or facsimile signatures of such officers under the seal of the City, and the Trustee or an authenticating agent is hereby authorized and directed to authenticate, by manual signatures of one or more authorized officers of the Trustee or an authenticating agent, the Bond in substantially such form, and the Trustee is hereby authorized and directed to sell and deliver such Bond to the Purchaser in accordance with the Indenture and the Loan Agreement (hereinafter defined). The date, maturity date, interest rates (which may be either fixed or variable),

interest payment dates, denomination, form of registration privileges, manner of execution, place of payment, terms of redemption, use of proceeds, and other terms of the Bond shall be as provided in the Indenture as finally executed; provided, however, that the principal amount of the Series 2021K-1 Bond shall not exceed \$32,343,967 and the principal amount of the Taxable Series 2021K-2 Bond shall not exceed \$9,600,000, no interest rate on the Bond shall exceed 12% per annum and the final maturity of the Bond shall be no later than forty years from the date of issuance. The initial purchase price of the Bond shall be 100% of the par amount thereof as advances are made with respect to the Bond by the Purchaser. The Bond may, if so provided in the Indenture, be issued as a “draw-down” bond to be funded over time as provided in the Indenture. Such Bond may be delivered in temporary form pursuant to the Indenture if, in the judgment of the City Attorney, delivery in such form is necessary or appropriate until the Bond in definitive form can be prepared.

5. The proposed form of Regulatory Agreement and Declaration of Restrictive Covenants (the “Regulatory Agreement”) to be entered into by and among the City, the Trustee and the Owner, substantially in the form attached hereto, is hereby approved. Any Designated Officer is hereby authorized and directed, for and in the name and on behalf of the City, to execute and deliver one or more Regulatory Agreements, with such additions, changes and corrections as the Designated Officer may approve upon consultation with the City Attorney and Bond Counsel and approval of the City Attorney, such approval to be conclusively evidenced by the execution of said Regulatory Agreement with such additions, changes or corrections. Any Designated Officer is hereby authorized and directed for and in the name and on behalf of the City to execute amendments to the Regulatory Agreement in order that interest on the Series 2021K-1 Bond remains tax-exempt.

6. The proposed form of Loan Agreement (the “Loan Agreement”), by and among the City, the Trustee and the Owner, in substantially the form attached hereto, is hereby approved. Any Designated Officer is hereby authorized and directed, for and in the name and on behalf of the City, to execute the Loan Agreement, with such additions, changes or corrections as the Designated Officer executing the same may approve upon consultation with the City Attorney and Bond Counsel and approval by the City Attorney, such approval to be conclusively evidenced by the execution of the Loan Agreement with such additions, changes or corrections.

8. The City Clerk of the City or any deputy thereof is hereby authorized to countersign or to attest the signature of any Designated Officer and to affix and attest the seal of the City as may be appropriate in connection with the execution and delivery of any of the documents authorized by this resolution, provided that the due execution and delivery of said documents or any of them shall not depend on such signature of the City Clerk or any deputy thereof or affixing of such seal. 10. In accordance with procedures established by the City Charter, the City Council, by adoption and approval of this Resolution and with the concurrence of the Mayor, does hereby direct that the proceeds of the Bond be delivered directly to the Trustee, instead of the City Treasurer, to be deposited into the funds and accounts established under the Indenture.

11. Pursuant to Section 147(f) of the Code, the City Council hereby approves the issuance of the Series 2021K-1 Bond to finance the Project. TRUST INDENTURE

THIS TRUST INDENTURE dated as of June 1, 2021 (this “Indenture”), by and between the **CITY OF LOS ANGELES**, a charter city and municipal corporation of the State of California, (the “Issuer”), and **U.S. BANK NATIONAL ASSOCIATION**, a national banking association organized and existing under the laws of the United States of America and being duly qualified to accept and administer the trusts created hereby, as trustee (the “Trustee”),

W I T N E S S E T H :

WHEREAS, pursuant to Section 248 of the City Charter of the Issuer and Article 6.3 of Chapter 1 of Division 11 of the Los Angeles Administrative Code, as amended (collectively, the “Law”), and in accordance with Chapter 7 of Part 5 of Division 31 (commencing with Section 52075) of the Health and Safety Code of the State of California, as amended (the “Act”), the Issuer is empowered to issue bonds and other evidence of indebtedness to finance the acquisition, construction and equipping of multifamily rental housing for persons of low and moderate income; and

WHEREAS, La Veranda, L.P., a California limited partnership (the “Borrower”), has applied to the Issuer for financial assistance for the purpose of providing all or part of the funds with which to pay the cost of the acquisition, construction and equipping of a 76-unit (plus one manager unit) multifamily rental housing project located at 2420 E. Cesar Chavez Avenue, 236-242 N. Soto Avenue and 323 N. Mathews Street, Los Angeles, California to be known as La Veranda Apartments (the “Project”); and

WHEREAS, the provision of the Loan (as hereinafter defined), is authorized by the Law and the Act and will accomplish a valid public purpose of the Issuer, and the Issuer has determined that it is in the public interest to issue its Multifamily Housing Revenue Bond (La Veranda Apartments) Series 2021K-1 in the aggregate principal amount of \$[32,343,967] (the “Tax-Exempt Bond”) and its Multifamily Housing Revenue Bond (La Veranda Apartments) Taxable Series 2021K-2 in the aggregate principal amount of \$[9,600,000] (the “Taxable Bond” and together with the Tax-Exempt Bond, the “Bond”) for the purpose of providing funding necessary for the acquisition, construction and equipping of the Project; and

(a) **General.** The cumulative principal amount of the Bond for which installment purchase payments have been received by the Trustee shall bear interest at the applicable rate provided below. On each Interest Payment Date, interest accrued on the Bond for the previous Calculation Period shall be payable by the Borrower to the Owner; provided, however, that (i) for the interest accrued on the Bond from the Interest Payment Date immediately preceding the Conversion Date to the day immediately preceding the Conversion Date, the Borrower shall pay to the Owner only interest accrued on the Bond for the period commencing on the Interest Payment Date immediately preceding the Conversion Date and ending on the day immediately preceding the Conversion Date, and (ii) for the Interest Payment Date immediately following the Conversion Date, the Borrower shall pay to the Owner only interest accrued on the Bond for the period commencing on the Conversion Date and ending on the day immediately preceding such Interest Payment Date, which amount, in each case, shall be confirmed in writing by the Owner to the Trustee and entered in the records of the Trustee maintained hereunder. At all times during the Variable Rate Period, (i) all computations of interest for the Base Rate (to the extent applicable and as hereinafter defined) shall be made on the basis of a year of 365 or 366 days, as the case may be, and actual days elapsed, and (ii) all other computations of fees and interest shall be made on the basis of a 360-day year and actual days elapsed (which results in more fees or interest, as applicable, being paid than if computed on the basis of a 365-day year). At all times during the Fixed Rate Period, regardless of whether interest is accruing at the Fixed Rate or the Taxable Rate, interest on the Tax-Exempt Bond shall be computed on the basis of a 360 day year of 12 equal months of 30 days each.

(b) **Variable Rate.** During the Variable Rate Period, the Bond shall bear interest at the Variable Rate. During the Variable Rate Period, the Servicer shall determine a Variable Rate for each day and its determination thereof shall be conclusive in the absence of manifest error. The Servicer shall give telephonic (with following written confirmation) or facsimile notice on, or promptly following, each Interest Payment Date to

the Trustee and the Borrower of the interest payable on such Interest Payment Date. Absent manifest error, the determination of the Variable Rate by the Servicer shall be conclusive and binding upon the Owner, the Issuer, the Borrower and the Trustee. The books and records of the Servicer shall be conclusive evidence, in the absence of manifest error, of all sums owing to the Owner from time to time under this Indenture, but the failure to record any such information shall not limit or affect the obligations of the Borrower under the Loan Documents. The Servicer does not warrant, nor accept responsibility, nor shall the Servicer have any liability with respect to the administration, submission or any other matter related to the rates in the definitions of “Floating Rate” or “LIBOR Daily Floating Rate” or with respect to any rate that is an alternative or replacement for or successor to any of such rates (including, without limitation, any LIBOR Successor Rate) or the effect of any of the foregoing, or of any LIBOR Successor Rate Conforming Changes. To the extent that any calculation of interest or any fee required to be paid hereunder shall be less than one percent, such rate shall be deemed one percent for purposes of the Bond.

(c) ***Illegality.*** If the Servicer determines that any law has made it unlawful, or that any Governmental Authority has asserted it is unlawful, for the Servicer to make, maintain or fund Loan advances whose interest is determined by reference to the LIBOR Daily Floating Rate, or any Governmental Authority has imposed material restrictions on the authority of the Servicer to purchase or sell, or to take deposits of, U.S. Dollars in the London interbank eurodollar market, then, upon notice thereof by the Servicer to the Borrower, any obligation of the Servicer to make or maintain advances of the Servicer at the LIBOR Daily Floating Rate shall be suspended, in each case until the Servicer notifies the Borrower that the circumstances giving rise to such determination no longer exist. During the period of any such suspension, the unpaid principal balance of the Bond from day to day Outstanding which is not past due, shall bear interest at a fluctuating rate of interest per annum equal to the Base Rate.

(d) ***Inability to Determine Rate.***

(i) If (A) the Servicer determines that (1) U.S. Dollar deposits are not being offered to banks in the London interbank eurodollar market in the amount of any proposed or existing advance of the Loan for terms equal to one month, or (2) (x) adequate and reasonable means do not exist for determining the LIBOR Daily Floating Rate for proposed or existing advances of the Loan and (y) the circumstances described in Section 3.06(e)(i) do not apply (in each case with respect to this clause (A), “Impacted Advances”), or (B) the Servicer determines that for any reason the LIBOR Daily Floating Rate does not adequately and fairly reflect the cost to the Servicer of funding the Loan, the Servicer will promptly so notify the Borrower. Thereafter, the obligation of the Servicer to make or maintain advances of the Loan at the LIBOR Daily Floating Rate shall be suspended, in each case until the Servicer revokes such notice. During the period of such suspension, all proposed advances and all amounts from day to day outstanding which are not past due, shall bear interest at a fluctuating rate of interest per annum equal to the Base Rate.

(ii) Notwithstanding the foregoing, if the Servicer has made the determination described in clause (A) of Section 3.06(d)(i), the Servicer, in consultation with the Borrower, may establish an alternative interest rate for the Impacted Advances, in which case, such alternative rate of interest shall apply with respect to the Impacted Advances until (A) the Servicer revokes the notice delivered with respect to the Impacted Advances under clause (A) of the first sentence of Section 3.06(d)(i), (B) the Servicer notifies the Borrower that such alternative rate of interest does not adequately and fairly reflect the cost to the Servicer of funding the Impacted Advances, or (C) the Servicer determines that any law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for the Servicer to make, maintain or fund Loan advances whose interest is determined by reference to such alternative rate of interest or to determine or charge interest rates based upon such rate or any Governmental Authority has imposed material restrictions on the authority of the Servicer to do any of the foregoing and provides the Borrower written notice thereof.

(e) **LIBOR Successor Rate.** Notwithstanding anything to the contrary in this Indenture or any of the Loan Documents, if the Servicer determines (which determination shall be conclusive absent manifest error), or the Borrower notifies the Servicer that the Borrower has determined, that:

(i) adequate and reasonable means do not exist for ascertaining LIBOR with respect to the Bond, including, without limitation, because the LIBOR Screen Rate is not available or published on a current basis, and such circumstances are unlikely to be temporary; or

(ii) the administrator of the LIBOR Screen Rate or a Governmental Authority having jurisdiction over the Servicer has made a public statement identifying a specific date after which LIBOR or the LIBOR Screen Rate shall no longer be made available, or used for determining the interest rate of loans, provided that, at the time of such statement, there is no successor administrator that is satisfactory to the Servicer, that will continue to provide LIBOR after such specific date (such specific date, the “Scheduled Unavailability Date”); or

(iii) bilateral portfolio commercial real property loans currently being executed, or that include language similar to that contained in this Subsection and Subsection (d), are being executed or amended (as applicable) to incorporate or adopt a new benchmark interest rate to replace LIBOR,

then, reasonably promptly after such determination by the Servicer, or receipt by the Servicer of such notice, as applicable, the Servicer and the Borrower may amend this Indenture in accordance with Article VIII hereof to replace LIBOR with (x) one or more SOFR-Based Rates or (y) another alternate benchmark rate giving due consideration to any evolving or then existing convention for similar U.S. Dollar denominated bilateral portfolio commercial real property loans for such alternative benchmarks and, in each case, including any mathematical or other adjustments to such benchmark, giving due consideration to any evolving or then existing convention for similar U.S. Dollar

denominated bilateral portfolio commercial real property loans for such benchmarks, which adjustment or method for calculating such adjustment shall be published on an information service as selected by the Servicer from time to time in its reasonable discretion and may be periodically updated (any such proposed rate, a “LIBOR Successor Rate”). Such LIBOR Successor Rate shall be applied in a manner consistent with market practice; provided that to the extent such market practice is not administratively feasible for the Servicer, such LIBOR Successor Rate shall be applied in a manner as otherwise reasonably determined by the Servicer.

If no LIBOR Successor Rate has been determined and the circumstances under Subsection (e)(i), above, exist or the Scheduled Unavailability Date has occurred (as applicable), the Servicer will promptly so notify the Borrower. Thereafter, the Servicer’s obligation to make or maintain advances of the Bond at the Variable Rate shall be suspended. During the period of such suspension, all proposed advances and all amounts from day to day outstanding which are not past due shall bear interest at a fluctuating rate of interest per annum equal to the Base Rate.

Notwithstanding anything else herein, any definition of LIBOR Successor Rate shall provide that in no event shall such LIBOR Successor Rate be less than zero for purposes of the Bond.

In connection with the implementation of a LIBOR Successor Rate, the Servicer will have the right to make LIBOR Successor Rate Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such LIBOR Successor Rate Conforming Changes will become effective upon delivery to the Issuer and Trustee of an opinion of Bond Counsel that such changes will not, in and of themselves, adversely affect any exclusion of interest on the Tax-Exempt Bond from gross income for purposes of federal income taxation, without any further action or consent of any other party to this Indenture.

(iv) In addition to other terms defined herein, as used in this Section 3.06(e), only, the following terms shall have the meanings indicated, unless the context otherwise requires:

(A) “Base Rate” means, on any day, a fluctuating rate per annum equal to the Base Rate Margin plus the higher of: (i) the Federal Funds Rate for that day plus $\frac{1}{2}$ of 1%, and (ii) the rate of interest in effect for such day as publicly announced from time to time by the Servicer as its “Prime Rate.” The “Prime Rate” is a rate set by the Servicer based upon various factors including the Servicer’s costs and desired return, general economic conditions and other factors, and is used as a reference point for pricing some loans, which may be priced at, above, or below such announced rate. Any change in such Prime Rate announced by the Servicer shall take effect at the opening of business on the day specified in the public announcement of such change.

(B) “Base Rate Margin” means 100 basis points per annum.

(C) “Federal Funds Rate” means, for any day, the rate per annum equal to the weighted average of the rates on overnight Federal funds transactions with members of the Federal Reserve System on such day, as published by the Federal Reserve Bank of New York on the Business Day next succeeding such day; provided that (1) if such day is not a Business Day, the Federal Funds Rate for such day will be such rate on such transactions on the next preceding Business Day as so published on the next succeeding Business Day, and (2) if no such rate is so published on such next succeeding Business Day, the Federal Funds Rate for such day will be the average rate (rounded upwards, if necessary, to a whole multiple of 1/100 of 1%) charged to the Servicer on such day on such transactions as determined by the Servicer.

(D) “LIBOR Screen Rate” means the LIBOR quote on the applicable screen page the Servicer designates to determine LIBOR (or such other commercially available source providing such quotations as may be designated by the Servicer from time to time).

(F) “Relevant Governmental Body” means the Federal Reserve Board and/or the Federal Reserve Bank of New York, or a committee officially endorsed or convened by the Federal Reserve Board and/or the Federal Reserve Bank of New York for the purpose of recommending a benchmark rate to replace LIBOR in the Bond.

(G) “SOFR” with respect to any day means the secured overnight financing rate published for such day by the Federal Reserve Bank of New York, as the administrator of the benchmark (or a successor administrator) on the Federal Reserve Bank of New York’s website (or any successor source) and, in each case, that has been selected or recommended by the Relevant Governmental Body.

(f) **Fixed Rate.** During the Fixed Rate Period, the Tax-Exempt Bond shall bear interest at the Fixed Rate.

(g) **Alternative Rate.** Following the occurrence of an “Event of Default” under the Loan Agreement, the Bond shall bear interest at the Alternative Rate.

(h) **Taxable Rate.** If an Initial Notification of Taxability shall occur, the Tax-Exempt Bond shall bear interest from the date of such Initial Notification of Taxability at the Taxable Rate. If such Initial Notification of Taxability is reversed by the Internal Revenue Service or a court of competent jurisdiction and a Determination of Taxability has not occurred, then the Tax-Exempt Bond shall bear interest from the date of such reversal at the rate applicable to the Tax-Exempt Bond prior to the Initial Notification of Taxability and the Bank shall refund to the Borrower on or prior to the next succeeding Bond Payment Date, the excess interest previously paid. This provision shall survive the discharge of this Indenture.

(i) **Additional Interest.** The Owner of the Tax-Exempt Bond shall also be entitled to Additional Interest, which amount, if any, shall be deposited in the Revenue Fund pursuant to the provisions of Section 3.02(b) of the Loan Agreement.

(j) **Maximum Rate.** In no event shall interest accrue on the Bond at a rate greater than the Maximum Rate.

(k) **Usury.** Notwithstanding any provision of this Indenture to the contrary, in no event shall the interest contracted for, charged or received in connection with the Bond (including any other costs or considerations that constitute interest under the laws of the State which are contracted for, charged or received pursuant to this Indenture) exceed the maximum rate of nonusurious interest allowed under the laws of the State as presently in effect and to the extent of any increase allowable by such laws. To the extent permitted by law, interest contracted for, charged or received on the Bond shall be allocated over the entire term of the Bond, to the end that interest paid on the Bond does not exceed the maximum amount permitted to be paid thereon by law. Excess interest, if any, provided for in this Indenture, or otherwise, shall be canceled automatically as of the date of such acceleration or, if theretofore paid, shall be credited as principal paid on the Bond.

Section 3.07. Payment of Interest and Principal on the Bond. Interest on the Bond shall be payable in the following manner: commencing [_____] 1, 2021, and continuing on each Interest Payment Date thereafter, interest on the Outstanding principal balance of the Bond (which amount shall reflect so much of the purchase price as shall have been paid pursuant to Section 3.01(b) hereof) at the applicable interest rate shall be due and payable in arrears; and all

accrued and unpaid interest shall be due and payable in full on the Maturity Date, if not paid earlier. Principal on the Tax-Exempt Bond and Taxable Bond shall be payable as and when set forth in the Tax-Exempt Note and Taxable Note, respectively.

Section 3.08. Execution and Authentication of Bond.

(a) The Bond shall be executed on behalf of the Issuer by the manual or facsimile signature of the Mayor of the City of Los Angeles, and attested by the manual or facsimile signature of an Authorized Attesting Officer. Any facsimile signatures shall have the same force and effect as if said persons had manually signed said Bond. Any reproduction of the official seal of the City of Los Angeles on the Bond shall have the same force and effect as if the official seal of the City of Los Angeles had been impressed on the Bond.

(b) In case any officer whose manual or facsimile signature shall appear on any Bond shall cease to be such officer before the delivery of such Bond such signature or such facsimile shall nevertheless be valid and sufficient for all purposes, the same as if he had remained in office until delivery, and also any Bond may bear the facsimile signatures of, or may be signed by, such Persons as at the actual time of the execution of such Bond shall be the proper officers to sign such Bond although at the date of such Bond such persons may not have been such officers.

(c) No Bond shall be valid or obligatory for any purpose or shall be entitled to any right or benefit under this Indenture unless there shall be endorsed on such Bond a certificate of authentication in the form set forth in such Bond duly executed by the Trustee, by the manual signature of an authorized signatory thereof, and such certificate of the Trustee upon any Bond executed on behalf of the Issuer shall be conclusive evidence that the Bond so authenticated has been duly issued under this Indenture and that the Owner thereof is entitled to the benefits of this Indenture.

Section 3.09. Negotiability, Transfer and Registry of Bond.

(a) The Bond may, in accordance with the terms of this Indenture but in any event subject to the provisions of Section 3.09(b) hereof, be transferred upon the books of the Trustee required to be kept pursuant to the provisions of Section 3.10, by the person in whose name it is registered, in person or by his duly authorized attorney, upon surrender of such Bond for cancellation at the Principal Office of the Trustee, accompanied by a written instrument of transfer in a form acceptable to the Trustee, duly executed. Whenever the Bond shall be surrendered for transfer, the Issuer shall execute and the Trustee shall authenticate and deliver a new, fully registered Bond.

(b) The following shall apply to all transfers of the Bond after the initial delivery of the Bond:

(i) the Bond, in the form attached hereto as Exhibit A, shall be a physical certificated instrument, and shall not be held in a book entry only system unless approved in advance in writing by the Issuer, and the Owner, each in its sole discretion;

(ii) the parties agree that (A) no rating shall be sought from a rating agency with respect to the Bond or the Loan, (B) the Bond has not been offered pursuant to any type of offering document or official statement, and (C) they will not seek the assignment of a CUSIP number for the Bond;

(iii) the Bond shall be transferred only in whole and only to: (A) an entity that qualifies as a Sophisticated Investor, which must execute and deliver the form of Investor Letter attached hereto as Exhibit B; (B) a special purpose entity, a trust or custodial arrangement established by the Owner of the Bond or an Affiliate thereof with respect to which either (1) the Owner or an Affiliate thereof, as transferor, represents in writing to the Trustee that all of the beneficial owners of which are Sophisticated Investors; or (2) the Owner or an Affiliate thereof, as transferor, represents in writing to the Trustee that all of the interests in such trust or arrangement (other than residual interests retained by Sophisticated Investors) are rated in the “A” category or higher by a Rating Agency provided, however, that a single Sophisticated Investor shall at all times hold a controlling interest in the residual interests and such trust or arrangement shall be controlled by the Owner or an Affiliate thereof. There shall be no option to transfer the Bond to a trust or similar arrangement pursuant to the provisions set forth in clause (B) above where: (1) any of the interests (other than a residual interest held by a Sophisticated Investor) are not rated in the “A” category or higher by a Rating Agency; or (2) the transferor is a party other than the Owner; or (C) CCRC.

(iv) each transferee of the Bond shall deliver to the Issuer and Trustee an Investor Letter in the form of Exhibit B hereto, wherein the transferee agrees, among other matters, not to sell participating interests in the Bond (other than as permitted in clause (B) of the immediately preceding subparagraph (ii) or with respect to CCRC, participations to its member banks) without the prior written consent of the Issuer. Except with respect to the transfer to CCRC, a purchaser shall execute and deliver such an Investor Letter in connection with its initial purchase of the Bond;

(v) if the transferee is a “Commercial Bank” as defined in the Responsible Banking Ordinance, upon delivery to the Issuer of an executed Responsible Banking Ordinance Certificate in the form of Exhibit E hereto; and

(vi) the Trustee shall not authenticate or register the Bond unless the conditions of this Section 3.09(b) have been satisfied and the Trustee has received the written consent of the Issuer to such transfer in accordance with and to the extent required by subsection (d) below.

(c) The Trustee shall require the payment by the Owner requesting any such transfer of any tax, fee or other governmental charge required to be paid with respect to such transfer, but any such transfer shall otherwise be made without charge to the Owner requesting the same. The cost of printing any Bond and any services rendered or any expenses incurred by the Trustee in connection therewith shall be paid by the Owner.

(d) Except for a transfer of the Bond to CCRC on the Conversion Date, as contemplated by the Bond Purchase Agreement, and a transfer to CCRC or a member bank of CCRC that executes an Investor Letter in the form of Exhibit B hereto, the Owner and Trustee shall not transfer the Bond without prior written approval by the Issuer, provided that the Issuer agrees that it shall not unreasonably or arbitrarily withhold such approval with respect to a transfer that (i) complies with the requirements of subparagraph (b)(ii) above, and (ii) is made by the Owner in order to comply with capital requirements or constraints, overall asset disposition strategies or regulatory requirements applicable to the Owner as certified to the Issuer in writing and that, with respect to any such requested transfer, the Issuer will provide its consent or specify its reasons for withholding its consent within 10 days of receipt by the Issuer and the Trustee of the items specified in (b)(ii) above and the written certification referenced in this sentence. If the Issuer fails to respond within such 10-day period, the Issuer's consent shall be deemed granted. Notwithstanding anything to the contrary herein, the Issuer's consent to a transfer of the Bond shall not be required with respect to any transfer to a subsidiary or Affiliate of the then existing Owner which transfer otherwise meets the requirements hereof. The Owner shall indemnify and defend the Issuer and the officers, directors, employees, attorneys and agents of the Issuer against any claim brought by any transferor or transferee of the Bond in respect of the Bond, this Indenture or any of the Loan Documents in the event that there occurs a transfer of the Bond that is not permitted pursuant to this Section 3.09. Failure to comply with Section 3.09(b) shall cause any purported transfer to be null and void.

(e) The Trustee shall not be obligated to (i) authenticate, exchange or transfer any Bond during a period beginning at the opening of business on any Record Date and ending at the close of business on the next succeeding Interest Payment Date, (ii) authenticate, exchange or transfer any Bond during a period beginning at the opening of business 15 days next preceding any selection of Bond to be redeemed and ending at the close of business on the date of the first giving of notice of such redemption, or (iii) transfer or exchange any Bond called or being called for redemption in whole or in part.

Section 3.10. Ownership of Bond. The Issuer hereby appoints the Trustee as registrar and authenticating agent for the Bond. The Trustee will keep or cause to be kept at its Principal Office sufficient books for the registration, notation of principal and transfer of the Bond, which shall at all reasonable times upon reasonable notice be open to inspection by the Issuer and the Owner; and, upon presentation for such purpose, the Trustee as registrar shall, under such reasonable regulations as it may prescribe, transfer or cause to be transferred, on said books, the Bond as hereinbefore provided.

The ownership of the registered Bond shall be proved by the bond registration books held by the Trustee. The Trustee and the Issuer may conclusively assume that such ownership continues until written notice to the contrary is served upon the Trustee. The fact and the date of execution of any request, consent or other instrument and the amount and distinguishing numbers of the Bond held by the person so executing such request, consent or other instrument may also be proved in any other manner which the Trustee may deem sufficient. The Trustee may nevertheless, in its discretion, require further proof in cases where it may deem further proof desirable.

Any request, consent, or other instrument or writing of the Owner of any Bond shall bind every future Owner of the Bond and the Owner of every Bond issued in exchange thereof or in lieu thereof, in respect of anything done or suffered to be done by the Trustee or the Issuer in accordance therewith or reliance thereon.

The Issuer, the Trustee and any other person may treat the registered owner of any Bond as the absolute owner thereof, whether such Bond shall be overdue or not, for the purpose of receiving payment of, or on account of, the principal or redemption price of and interest on such Bond and for all other purposes whatsoever, and payment of the principal or redemption price, if any, of and interest on any such Bond shall be made only to, or upon the order of, such registered owner. All such payments to such registered owner shall be valid and effectual to satisfy and discharge the liability of the Issuer upon such Bond to the extent of the sum or sums so paid, and neither the Issuer nor any Trustee shall be affected by any notice to the contrary.

Section 3.11. Payments on Bond Due on Non-Business Days. In any case where any Bond Payment Date shall be a day other than a Business Day, then payment of the Bond need not be made on such date but may be made on the next succeeding Business Day with the same force and effect as if made on the Bond Payment Date, and no interest shall accrue for the period from and after such date.

ARTICLE IV

REDEMPTION OF BOND

Section 4.01. Mandatory Redemption. The Bond shall be subject to mandatory redemption, and shall be redeemed prior to maturity, as follows:

- (a) in whole or in part on the Conversion Date to the extent of excess funds on deposit on such date in the Loan Account of the Project Fund, determined as provided in Section 5.03 of this Indenture;
- (b) in whole or in part on the first Interest Payment Date for which adequate notice can be given in accordance with this Indenture after and to the extent that Insurance Proceeds or a Condemnation Award in connection with the Project are deposited in the Insurance and Condemnation Account of the Project Fund and are not to be used to repair or restore the Project, which unused Condemnation Award or Insurance Proceeds shall be applied to the redemption of the Bond, unless the Owner shall have approved a proposed alternative application of such funds and the Trustee and the Servicer shall have received an opinion of Bond Counsel to the effect that such proposed alternative application of such funds will not, in and of itself, adversely affect the exclusion of interest on the Tax-Exempt Bond from gross income of an Owner (other than an Owner who is a “substantial user” of the Project or a “related person” to a “substantial user,” as defined in Section 147(a) of the Code);
- (c) in whole as to the Tax-Exempt Bond on the first Interest Payment Date for which notice can be given to the Owner in accordance with this Indenture following receipt

by the Trustee of notice from the Servicer demanding such redemption, following a Determination of Taxability;

(d) in whole as to the Taxable Bond and in part as to the Tax-Exempt Bond, on the Conversion Date, in an amount sufficient to reduce the aggregate principal amount of the Outstanding Bond to \$[] or such lower amount as is necessary in order to satisfy the conditions to Conversion contained in the Bond Purchase Agreement as stated in writing by the Servicer;

(e) [reserved];

(f) in whole (i) on the maturity date established under the Taxable Note and Tax-Exempt Note, respectively, and (ii) on any earlier date upon which the Borrower, in accordance with the terms and conditions of the Note, is obligated to pay the entire outstanding principal balance of the Note, together with all accrued and unpaid interest thereon, in each case, at a redemption price equal to the entire principal amount of the Bond then outstanding, plus accrued interest thereon to the date of redemption, plus any applicable premium;

(g) in part on the first day of each calendar month, as set forth in Exhibit C to this Indenture (as it may be amended on the Conversion Date to reflect the principal amount outstanding following any redemption pursuant to Section 4.01(d), above), in the amount set forth opposite such date in Exhibit C; or

(h) in whole, following receipt by the Trustee of notice from the Servicer stating that an “Event of Default” has occurred under the Loan Agreement or the Construction Disbursement Agreement and demanding redemption of the Bond, on any date selected by the Servicer, specified in a notice in writing delivered to the Borrower at least 10 days prior to such date.

Section 4.02. Redemption Price of Bond Redeemed Pursuant to Mandatory Redemption. Any Bond being redeemed before maturity in accordance with Section 4.01 of this Indenture shall be redeemed at a redemption price equal to the principal amount of the Bond being redeemed, together with accrued interest to the date of redemption, plus (a) any prepayment premiums required under the Permanent Period Supplemental Agreement or any other Loan Documents, and (b) Additional Interest, if redemption is under Section 4.01(c).

Section 4.03. Optional Redemption. The Bond shall be subject to redemption from the proceeds of an optional prepayment of the Loan by the Borrower in whole or in part, on any Interest Payment Date during the Variable Rate Period, at a redemption price equal to the principal amount thereof, together with accrued interest to the date of redemption, plus prepayment premiums and penalties in accordance with the terms of Section 6.2.3 of the Note.

Section 4.04. Purchase in Lieu of Redemption. At the election of the Borrower upon a redemption in whole of the Bond, by written notice to the Trustee and the Servicer given not less than five Business Days in advance of such redemption date, the Bond will be deemed tendered for purchase in lieu of the redemption on such date. The purchase price of Bond so purchased in lieu of redemption shall be the principal amount thereof together with all accrued and unpaid

interest to the date of redemption and shall be payable on the date of redemption thereof. The Bond so purchased in lieu of redemption shall remain Outstanding and shall be registered to or upon the direction of the Borrower.

Section 4.05. Notice of Redemption.

(a) Notice of redemption shall be given by the Trustee to the Owner and Borrower by facsimile transmission or other similar electronic means of communication, promptly confirmed in writing, not less than 10 Business Days prior to the date fixed for redemption; provided, however, that no notice of redemption shall be required to be given to the Owner for a redemption pursuant to Sections 4.01(d) or 4.01(g) of this Indenture. Receipt of such notice of redemption shall not be a condition precedent to such redemption, and failure to so notify the registered Owner shall not affect the validity of the proceedings for the redemption of the Bond.

(b) Notice of redemption having been given as provided in subsection (a) of this Section 4.05 and all conditions precedent, if any, specified in such notice having been satisfied, the Bond or portion thereof so to be redeemed shall become due and payable on the date fixed for redemption at the redemption price specified therein plus any accrued interest to the redemption date, and upon presentation and surrender thereof at the place specified in such notice, such Bond or portions thereof shall be paid at the redemption price, plus any accrued interest to the redemption date. On and after the redemption date (unless funds for the payment of the redemption price and accrued interest shall not have been provided to the Trustee), (i) such Bond shall cease to bear interest and (ii) such Bond shall no longer be considered as Outstanding under this Indenture.

Section 4.06. Mandatory Tender of Bond.

(a) The Bond is subject to mandatory tender, in whole and not in part, by the Owner on the Conversion Date at a price equal to the outstanding principal plus accrued but unpaid interest to the Conversion Date, upon CCRC's exercise of the "Loan Purchase Option" and delivery of notice to the Issuer, Trustee and Borrower as set forth in Section 1.8 of the Bond Purchase Agreement.

(b) Upon tender of the Bond, the Bond (but not the Note, the Mortgage or the other Loan Documents) shall be deemed paid in full and retired and shall be deemed cancelled on the books of the Trustee, whether or not the Owner has physically delivered the Bond certificate or certificates to the Trustee. On the Conversion Date, the Owner shall direct and cause the Trustee to transfer and assign all of its right, title and interest in, to and under the Note, the Mortgage and other Loan Documents to CCRC in connection with CCRC's purchase of the Loan. Upon such purchase and transfer, the Issuer and the Trustee shall have no further interest in the Loan or the Loan Documents, and this Indenture shall be terminated in accordance with Section 9.01 (subject to any indemnification or other rights expressly intended to survive termination as set forth in this Indenture). The Issuer and Trustee shall execute and deliver any additional documents or take such other actions as may be reasonably required in order to effect the cancellation of the Bond and transfer of the Loan to CCRC as contemplated hereunder on the Conversion Date.

Section 4.07. Partial Redemption of Registered Bond. No surrender of the Bond shall be required for payment of any redemption price pursuant to Section 4.01 hereof. Any partial prepayment of the Note shall first be used to pay the Taxable Bond and following payment of the Taxable Bond in full, the Tax-Exempt Bond.

(b) There shall be deposited in the Operating Reserve Fund all moneys received for such purpose by the Issuer or the Trustee from the Borrower pursuant to Section 5.22 of the Loan Agreement or transferred pursuant to Section 5.07 of this Indenture. Except as provided below following CCRC's purchase of the Bond, moneys in the Operating Reserve Fund shall be disbursed by the Trustee only upon receipt of a written request therefor executed by the Authorized Representative of the Borrower and approved by the Servicer to be applied to costs of operation of the Project, except that upon the occurrence and continuation of an "Event of Default" under the Loan Agreement and an acceleration of the Bond pursuant to Section 6.01 hereto, all moneys and investments in the Operating Reserve Fund (other than moneys held to pay costs required to be paid but not yet payable) shall be transferred to the Revenue Fund and applied to the payment of the Bond. Upon the payment in full of the Bond and the fees and expenses of the Issuer, the Owner, the Servicer and the Trustee and upon payment of amounts payable to the United States pursuant to Section 5.08 hereof, any amounts remaining in the Operating Reserve Fund shall be paid to the Borrower as soon as practicable upon its written request therefor. Notwithstanding the foregoing, in the event that CCRC purchases the Bond and becomes the Owner, on and following the Conversion Date, all deposits to the Operating Reserve Fund shall be immediately transferred to CCRC to be held in an operating reserve account and disbursed according to the terms the Permanent Period Supplemental Agreement and the other requirements of this Section 5.05(b) shall not be effective.

(c) There shall be deposited in the Transition Reserve Fund all moneys received for such purpose by the Issuer or the Trustee from the Borrower pursuant to Section 5.22 of the Loan Agreement. Except as provided below following CCRC's purchase of the Bond, moneys in the Transition Reserve Fund shall be disbursed by the Trustee only upon receipt of a written request therefor executed by the Authorized Representative of the Borrower and approved by the Servicer to be applied to costs of operation of the Project, except that upon the occurrence and continuation of an "Event of Default" under the Loan Agreement and an acceleration of the Bond pursuant to Section 6.01 hereto, all moneys and investments in the Transition Reserve Fund (other than moneys held to pay costs required to be paid but not yet payable) shall be transferred to the Revenue Fund and applied to the payment of the Bond. Upon the payment in full of the Bond and the fees and expenses of the Issuer, the Owner, the Servicer and the Trustee and upon payment of amounts payable to the United States pursuant to Section 5.08 hereof, any amounts remaining in the Transition Reserve Fund shall be paid to the Borrower as soon as practicable upon its written request therefor. Notwithstanding the foregoing, in the event that CCRC purchases the Tax-Exempt Bond and becomes the Owner, on and following the Conversion Date, all deposits to the Transition Reserve Fund shall be immediately transferred to CCRC to be held in a transition reserve account and disbursed according to the terms the Permanent Period Supplemental Agreement and the other requirements of this Section 5.05(c) shall not be effective.

There shall be deposited in the Tax and Insurance Fund all moneys received for such purpose by the Trustee from the Borrower pursuant to Section 5.22(h) of the Loan Agreement or transferred pursuant to Section 5.07 of this Indenture. Moneys in the Tax and Insurance Fund shall be applied to payment of real estate taxes and insurance premiums, as the same become due in accordance with bills for such taxes and insurance premiums. If the Trustee becomes aware at any time that amounts in the Tax and Insurance Fund are or will be insufficient to pay such taxes and insurance premiums as they become due, the Trustee shall give notice of such insufficiency to Borrower and the Servicer. Upon the occurrence and continuation of an "Event of Default" under the Loan Agreement and an acceleration of the Bond pursuant to Section 6.01 hereof, all moneys and investment in the Tax and Insurance Fund (other than moneys held to pay costs required to be paid but not yet payable) shall be transferred to the Revenue Fund and applied to the payment of the Bond. Upon the payment in full of the Bond and the fees and expenses of the Issuer, the Owner, the Servicer and the Trustee, and upon payment of amounts payable to the United States pursuant to Section 5.08 hereof, any amounts remaining in the Tax and Insurance Fund shall be paid to the Borrower as soon as practicable upon its written request therefor.

Section 5.07. Revenue Fund.

(a) There shall be deposited in the Revenue Fund all amounts transferred from the Project Fund or received from the Borrower pursuant to Section 3.02 of the Loan Agreement with respect to the Loan Documents, as provided in this Indenture, or from the Guarantor under the Guaranty, including payments of interest and principal and voluntary and involuntary prepayments of the Loan and investment earnings on investments held in the Funds and Accounts created by this Indenture (except as otherwise provided in Section 5.08 and Section 5.10).

(b) Amounts in the Revenue Fund shall be applied to the following items in the following order of priority:

(i) on each Interest Payment Date, to the payment of interest on the Bond;

(ii) on each Bond Payment Date, to the payment of the principal of or redemption price (or purchase price in the event of an election of Borrower under Section 4.04) of, interest on, and any prepayment premium or Additional Interest due with respect to, the Bond;

(iii) on the first day of each month, to the payment of any required deposit in the Tax and Insurance Fund;

(iv) on the first day of each month, to the payment of any required deposit in the Replacement Reserve Fund;

(v) on the first day of each month, to the payment of any required deposit in the Operating Reserve Fund;

(vi) on the first day of [June] and [December] commencing [December] 1, 2021, to the payment of the fees of the Issuer due pursuant to Section 7(n) of the Regulatory Agreement; on the first day of [June] commencing [June] 1, 2022, to the payment of the Trustee Fee, and on the first day of each month to the payment of the fees of the Owner and the Servicer, if any, due and owing under the Loan Documents and this Indenture;

(vii) on the first day of each month, to the payment of any other amounts then due and owing under the Loan Documents; and

(viii) on the first day of each month, to the Borrower or such other party as may be legally entitled thereto.

(c) Upon the payment in full of the Bond and the fees and expenses of the Issuer and the Trustee and the payment of amounts payable to the United States pursuant to Section 5.08 hereof, any amounts remaining in the Revenue Fund (except amounts held for future payment to the United States pursuant to Section 5.08 hereof) shall be paid to the Borrower.

Section 5.08. Rebate Fund.

(a) The Rebate Fund shall be held and applied as provided in this Section 5.08. All money at any time deposited in the Rebate Fund shall be held by the Trustee in trust for payment, to the extent required under the Code and as calculated by the Rebate Analyst, for payment to the United States Government. None of the Issuer, the Borrower or the Owner shall have any rights in or claim to such moneys. All amounts deposited into or on deposit in the Rebate Fund shall be governed by this Section and by the Tax Agreement.

(b) The Trustee shall make information regarding the Tax-Exempt Bond and the investments hereunder available to the Borrower promptly upon written request, shall make deposits to and disbursements from the Rebate Fund in accordance with the directions received from the Authorized Representative of the Borrower, shall invest moneys in the Rebate Fund pursuant to said directions and shall deposit income from such investments pursuant to said directions, and shall make payments to the United States of America in accordance with written directions received from the Borrower.

(c) Notwithstanding any provision of this Indenture to the contrary, the Trustee shall not be liable or responsible for any calculation or determination which may be required in connection with or for the purpose of complying with Section 148 of the Code or any applicable Treasury regulation (the “Arbitrage Rules”), including, without limitation, the calculation of amounts required to be paid to the United States under the provisions of the Arbitrage Rules and the fair market value of any investment made hereunder, it being understood and agreed that the sole obligation of the Trustee with respect to investments of funds hereunder shall be to invest the moneys received by the Trustee pursuant to the written instructions of the Authorized Representative of the Borrower given in accordance with Section 5.09 hereof. The Trustee shall have no responsibility for determining whether or not the investments made pursuant to the direction of the Borrower or any of the instructions received by the Trustee under this Section comply with the requirements of the Arbitrage Rules and shall have no responsibility for monitoring the obligations of the Borrower or the Issuer for compliance with the provisions of the Indenture with respect to the Arbitrage Rules.

(d) Notwithstanding any provision of this Indenture to the contrary, the obligation to remit payment of the rebate amount to the United States and to comply with all other requirements of this Section 5.08 shall survive the defeasance or payment in full of the Tax-Exempt Bond.

(e) Any funds remaining in the Rebate Fund after redemption and payment of the Tax-Exempt Bond and payment and satisfaction of any Rebate Requirement, or provision made therefor satisfactory to the Trustee, shall be withdrawn and remitted to the Borrower.

(f) The Trustee shall obtain and keep such records of the computations made pursuant to this Section 5.08 as are required under Section 148(f) of the Code. The Trustee shall keep and make available to the Borrower such records concerning the investments of the gross proceeds of the Tax-Exempt Bond and the investments of earnings from those investments as may be requested by the Borrower in order to enable the Borrower to cause the Rebate Analyst to make the aforesaid computations as are required under Section 148(f) of the Code.

(g) Notwithstanding the foregoing, the computations and payments of rebate amounts referred to in this Section 5.08 need not be made if there shall have been delivered to the Trustee, the Issuer and the Servicer an opinion of Bond Counsel to the effect that such withdrawal and payment are not necessary in order to establish or maintain the exclusion from gross income of the Owner (other than an Owner who is a “substantial user”

of the Project or a “related person” to a “substantial user,” as defined in Section 147(a) of the Code) of interest on the Tax-Exempt Bond. In the event Bond Counsel so opines, the moneys on deposit in the Rebate Fund shall be applied to such purpose as the Borrower shall direct provided that the Borrower shall deliver to the Issuer, the Trustee and the Servicer an opinion of Bond Counsel to the effect that such application will not adversely affect the exclusion from gross income of the Owner (other than an Owner who is a “substantial user” of the Project or a “related person” to a “substantial user,” as defined in Section 147(a) of the Code) of interest on the Tax-Exempt Bond for purposes of federal income taxation.

Section 5.09. Moneys Held in Trust; Investment of Moneys.

(a) All moneys from time to time received by the Trustee and held in the Funds and Accounts created hereby (other than the Rebate Fund) shall be held in trust as security for the benefit of the Owner of the Bond. All such moneys, including the moneys held in the Rebate Fund, shall be invested as provided in this Indenture.

(b) Any such investments shall be held by or under the control of the Trustee. A sufficient amount of such investments shall be liquidated whenever the cash balance in any Fund or Account is insufficient to pay an approved Requisition when presented. Any moneys held as a part of the Funds shall be invested or reinvested, to the extent permitted by law, in Investment Securities at the request of and as directed in writing by an Authorized Representative of the Borrower.

The Trustee shall not be liable or responsible for any loss resulting from any sale or liquidation of such investments.

Section 5.10. Investment Earnings. Earnings on investments held in the Capitalized Interest Account, the Loan Account, the Equity Account and the Insurance and Condemnation Proceeds Account shall be retained in the Capitalized Interest Account, the Loan Account, the Equity Account and the Insurance and Condemnation Proceeds Account, respectively, for application pursuant to Sections 5.02, 5.03 and 5.04 hereof. Earnings on all investments held in the Revenue Fund shall be retained in the Revenue Fund for application pursuant to Section 5.07 hereof. Earnings on investments held in the Replacement Reserve Fund, the Operating Reserve Fund, the Tax and Insurance Fund and the Rebate Fund shall be retained therein and applied in the manner prescribed by Sections 5.05, 5.06 and 5.08 hereof, respectively.

Section 5.11. Covenants Respecting Arbitrage and Rebate. The Trustee shall keep and make available to the Borrower such records concerning the investment of the gross proceeds of the Bond and the investments of earnings from those investments as may be requested by the Borrower in order to enable the Borrower to fulfill the requirements of Section 148(f) of the Code.

Section 5.12. Records. The Trustee shall keep and maintain adequate records pertaining to the Funds and Accounts established hereunder, including all deposits to and disbursements from said funds and accounts. The Trustee shall retain in its possession all certifications and other documents presented to it, all such records and all records of principal and interest paid on the

Bond, subject to the inspection of the Borrower, the Issuer, the Trustee and the Owner of the Bond and its representatives at all reasonable times and upon reasonable prior notice.

Section 5.13. Reports From the Trustee. The Trustee shall, on or before the tenth day of each month and annually, file with the Servicer, the Borrower and the Issuer a statement setting forth in respect to the preceding calendar month or year:

- (a) the amount withdrawn or transferred by it and the amount deposited within or on account of each Fund and Account held by it under the provisions of this Indenture, including the amount of investment income on each Fund and Account;
- (b) the amount on deposit with it at the end of such month to the credit of each Fund and Account;
- (c) a brief description of all obligations held by it as an investment of moneys in each such Fund and Account;
- (d) the amount applied to the purchase or redemption of the Bond and a description of the Bond or portions of the Bond so purchased or redeemed; and
- (e) any other information which the Borrower, the Servicer or the Issuer may reasonably request and to which the Trustee has access in the ordinary course of its operations.

The Issuer acknowledges that, to the extent that regulations of the Comptroller of the Currency or any other applicable regulatory agency grant the Issuer the right to receive brokerage confirmations of securities transactions as they occur, the Issuer specifically waives the right to receive such confirmations. Upon the written request of the Owner, the Trustee, at the cost of the Borrower, shall provide a copy of such statement to the Owner of the Bond. All records and files pertaining to the Trust Estate shall be open at all reasonable times to the inspection of the Servicer and its agents and representatives upon reasonable prior notice.

ARTICLE VI

DEFAULT

Section 6.01. Default Under Loan Agreement; Acceleration. No default by the Borrower under the Loan Agreement shall constitute an event of default with respect to the Bond. The Issuer's, Trustee's, Borrower's, Servicer's and Owner's remedies with respect to a default under the Loan Documents shall be as set forth under the Loan Documents. The Servicer may, upon the acceleration of the Borrower's obligations under the Loan Documents, direct the Trustee to accelerate the maturity of the Bond and apply any funds available hereunder for such purpose as provided herein (after paying the fees and expenses of the Trustee and the Issuer). Any Bond remaining outstanding shall be deemed paid upon transfer, to or at the direction of the Owner, of the Loan Documents and all security therefor free and clear of the lien of this Indenture.

The Issuer shall cooperate with the Owner, the Servicer and the Trustee in exercising rights and remedies under the Loan Documents, but only upon being satisfactorily indemnified by the

Borrower for any fees or expenses relating thereto as provided in the Loan Agreement and Regulatory Agreement.

Section 6.02. Limitation of Liability to Revenues. Notwithstanding anything contained in this Indenture, the Issuer shall not be required to advance any moneys derived from the proceeds of taxes collected by the Issuer, the State of California or by any political subdivision thereof or from any source of income of any of the foregoing other than the Trust Estate for any of the purposes mentioned in this Indenture, whether for the payment of the principal of or interest on the Bond or for any other purpose of this Indenture. The Bond is a limited obligation of the Issuer, and is payable from and secured by the Trust Estate only.

ARTICLE VII

CONCERNING THE TRUSTEE

Section 7.01. Trustee; Appointment and Acceptance of Duties.

(a) The Issuer hereby appoints U.S. Bank National Association, a national banking association, as trustee hereunder. The Trustee shall signify its acceptance of the duties and obligations imposed upon it by this Indenture by executing this Indenture. The Trustee is authorized and directed to enter into the Loan Documents to which it is a party, solely in its capacity as Trustee. In entering into such Loan Documents and taking any action under such Loan Documents, the Trustee shall be entitled to the protections, limitations from liability and indemnification granted to it under the Indenture and the Loan Agreement.

(b) Unless otherwise provided, the corporate trust offices of the Trustee are designated as the respective offices or agencies of the Trustee for the authentication and delivery of the Bond.

Section 7.02. Responsibilities of Trustee.

(a) The recitals of fact herein and in the Bond contained (other than the certificate of authentication) shall be taken as the statements of the Issuer and the Trustee assumes no responsibility for the correctness of the same. The Trustee makes no representations as to the validity or sufficiency of this Indenture or of any Bond issued hereunder or as to the security afforded by this Indenture, and the Trustee shall incur no liability in respect thereof. The Trustee shall be under no responsibility or duty with respect to the application of any moneys properly paid to it except as provided herein or as otherwise expressly agreed by the Trustee. Except for acceleration of the Bond pursuant to Section 6.01, the Trustee shall be under no obligation or duty to perform any act that would involve it in expense or liability or to institute or defend any suit in respect of this Indenture or to advance any of its own moneys, unless indemnified to its reasonable satisfaction. Subject to the provisions of subsection (b) of this Section 7.02, the Trustee shall not be liable in connection with the performance of its duties under this Indenture except for its own gross negligence or willful misconduct.

(b) The Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture. Any provisions of this Indenture relating to action taken or to be taken by the Trustee or to evidence upon which the Trustee may rely shall be subject to the provisions of this Section 7.02.

(c) The Trustee shall cooperate fully with the Servicer in the enforcement and protection of the rights of the Owner of the Bond to the fullest extent possible under this Indenture, the Loan Documents and applicable law. Toward this end, the Trustee shall take such action as directed by the Servicer, including foreclosure of the Property under the Mortgage, suit for specific performance of the Loan Documents or for damages for nonperformance thereof and assignment of the Loan Documents to the Owner of the Bond for purposes of enforcing the rights of the Owner of the Bond, provided that without the prior written consent of the Issuer, the Servicer shall give the Trustee no direction as to the enforcement of the Reserved Rights, which shall, except with the prior written consent of the Issuer, be enforceable only by the Issuer.

(d) The Trustee shall not take any discretionary action under the Loan Documents (although approval or disapproval of disbursement of Loan proceeds and investment earnings thereon under the Loan Agreement shall be made in accordance with the terms of Article V hereof) without the written approval of the Servicer and shall, subject to the proviso of paragraph (c) of this Section, take such discretionary action permitted or required under the Loan Documents, as may be directed in writing by the Servicer.

(e) The Trustee shall notify the Servicer of any notification received by the Trustee under or pursuant to the Loan Documents promptly after receipt of said notice.

(f) [Reserved].

(g) Promptly upon receipt of notice of the occurrence of a Determination of Taxability, the Trustee shall give telephonic notice as soon as reasonably practicable, promptly confirmed in writing, to the Borrower, the Issuer, the Owner and all former Owners (provided that the Trustee shall not be obligated to maintain records of such former Owners or to retain records relating to such former Owners for more than six years).

(h) Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Issuer, or in accordance with the directions of the Owner relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee under this Indenture;

(i) The Trustee shall not be required to take notice or be deemed to have notice of (i) any default hereunder or under the Loan Agreement, unless the Trustee shall be specifically notified in writing of such default by the Issuer or the Owner, or (ii) any default under the Regulatory Agreement unless the Trustee shall be specifically notified in writing of such default by the Issuer;

(j) Before taking any action under this Indenture or any Loan Document at the request or direction of the Owner, the Trustee may require that satisfactory indemnity be

furnished by the Owner, for the reimbursement of all expenses to which it may be put and to protect it against all liability, except liability which is adjudicated to have resulted from its negligence or willful misconduct in connection with any action so taken;

(k) The Trustee may execute any of the powers hereunder or perform any duties hereunder either directly or through agents or attorneys;

(l) The immunities extended to the Trustee also extend to its directors, officers and employees;

(m) No permissive power, right or remedy conferred upon the Trustee hereunder shall be construed to impose a duty to exercise such power, right or remedy;

(n) The Trustee shall not be liable for any action taken or not taken by it in accordance with the direction of the Owner related to the exercise of any right, power or remedy available to the Trustee;

(o) The Trustee shall have no duty to review any financial statements or information filed with it by the Borrower under the Loan Agreement;

(p) The Trustee shall not be considered in breach of or in default in its obligations hereunder or progress in respect thereto in the event of enforced delay (“unavoidable delay”) in the performance of such obligations due to unforeseeable causes beyond its control and without its fault or negligence, including, but not limited to, Acts of God or of the public enemy or terrorists, acts of a government, acts of the other party, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, earthquakes, explosion, mob violence, riot, inability to procure or general sabotage or rationing of labor, equipment, facilities, sources of energy, material or supplies in the open market, litigation or arbitration involving a party or others relating to zoning or other governmental action or inaction pertaining to the project, malicious mischief, condemnation, and unusually severe weather or delays of suppliers or subcontractors due to such causes or any similar event and/or occurrences beyond the control of the Trustee.

(q) None of the provisions contained in this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur individual financial liability in the performance of any of its duties as Trustee or in the exercise of any of its rights or powers as Trustee.

(r) Whenever in the administration of this Indenture the Trustee shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action hereunder, such matter (unless other evidence in respect thereof be herein specifically prescribed) may, in the absence of negligence or bad faith on the part of the Trustee, be deemed to be conclusively proved and established by a certificate of the Issuer or a certificate of the Owner; and such certificate of the Issuer or a certificate of the Owner shall be full warrant to the Trustee for any action taken or suffered by it under the provisions of this Indenture upon the faith thereof;

(s) The Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture or other paper or document.

Section 7.03. Evidence on Which Trustee May Act.

(a) The Trustee, upon receipt of any notice, resolution, request, consent, acknowledgement, order, certificate, report, opinion, bond, or other paper or document furnished to it pursuant to any provision of this Indenture, shall examine such instrument to determine whether it conforms to the requirements of this Indenture and shall be protected in acting upon any such instrument believed by it to be genuine and to have been signed or presented by the proper party or parties. The Trustee may consult with counsel selected by it in respect of any action taken or suffered by the Trustee under this Indenture and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it hereunder in good faith and in accordance with the opinion of such counsel.

(b) Except as otherwise expressly provided in this Indenture, any request, order, notice or other direction required or permitted to be furnished pursuant to any provision of this Indenture by the Issuer to any Trustee shall be sufficiently executed if executed in the name of the Issuer by an Authorized Representative of the Issuer.

Section 7.04. Compensation; No Trustee Liens. The Borrower shall pay to the Trustee, as provided in the Loan Agreement, from time to time reasonable compensation for all services rendered under this Indenture and also all reasonable expenses, charges, counsel fees and other disbursements, including those of its attorneys, agents, and employees, incurred in and about the performance of their powers and duties under this Indenture, provided that the Trustee shall not have a lien therefor on any moneys or Investment Securities at any time held or received by it under this Indenture.

Section 7.05. Certain Permitted Acts. The Trustee may become the owner of the Bond with the same rights it would have if it were not the Trustee. To the extent permitted by law, the Trustee may act as depository for, and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, any committee formed to protect the rights of the Owner of the Bond or to effect or aid in any reorganization growing out of the enforcement of the Bond or this Indenture.

Section 7.06. Resignation of Trustee. The Trustee may resign at any time and be discharged of the duties and obligations created by this Indenture by giving not less than 60 days' written notice to the Issuer, the Borrower and the Owner of the Bond, provided that no resignation shall become effective until the acceptance of appointment by a successor Trustee as provided in Section 7.08 of this Indenture. If an instrument of acceptance by a successor Trustee shall not have been delivered to the Trustee within 60 days after the giving of such notice of resignation, the retiring Trustee may petition any court of competent jurisdiction for the appointment of a successor Trustee.

Section 7.07. Removal of Trustee. The Trustee may be removed at any time by an instrument or concurrent instruments in writing, signed by the Issuer or by the Servicer (subject to the prior written consent of the Issuer, which consent shall not be unreasonably withheld or delayed, if such removal is not for cause) and filed with the Trustee and the Borrower, provided that no removal shall become effective until the acceptance of appointment by a successor Trustee as provided in Section 7.08 of this Indenture.

Section 7.08. Appointment of Successor Trustee; Temporary Trustee. In case at any time the Trustee shall resign or shall be removed or shall become incapable of acting, or shall be adjudged bankrupt or insolvent, or if a receiver, liquidator or conservator of the Trustee, or of its property, shall be appointed, or if any public officer shall take charge or control of the Trustee, or of its property or affairs, the Servicer shall appoint a successor Trustee, subject to the prior written consent of the Issuer (which consent shall not be unreasonably withheld or delayed).

Section 7.09. Transfer of Rights and Property to Successor Trustee. Any successor Trustee appointed under this Indenture shall execute, acknowledge and deliver to its predecessor, and also to the Issuer, the Servicer and to any Owner which shall request the same, an instrument accepting such appointment and thereupon such successor Trustee, without any further act, deed or conveyance, shall become fully vested with all moneys, estates, properties, rights, powers, duties and obligations of such predecessor Trustee, with like effect as if originally named; but the Trustee ceasing to act nevertheless, shall execute, acknowledge and deliver such instruments of conveyance and further assurance and do such other things as reasonably may be required for more fully and certainly vesting and confirming in such successor all the right, title and interest of the predecessor Trustee in and to any property held by it under this Indenture, and shall pay over, assign and deliver to the successor Trustee any money or other property subject to the trusts and conditions set forth in or pursuant to this Indenture. Should any deed, conveyance or instrument in writing from the Issuer be required by such successor Trustee for more fully and certainly vesting in and confirming any such estates, rights, powers and duties, any and all such deeds, conveyances and instruments in writing, on request and so far as may be authorized by law, shall be executed, acknowledged and delivered by the Issuer.

Section 7.10. Merger or Consolidation of Trustee. Any company into which the Trustee may be merged or converted or with which it may be consolidated or any company resulting from any merger, conversion or consolidation to which it may be party or any company to which the Trustee may sell or transfer all or substantially all of its corporate trust business, provided such company shall be a bank or trust company organized under the laws of any state of the United States or a national banking association, and shall be authorized by law to perform all the duties imposed upon it by this Indenture, shall be the successor to the Trustee without the execution or filing of any paper or the performance of any further act.

Section 7.11. Servicer. The Owner may (but shall not be obligated to) appoint (with prompt notice thereof to the Issuer and the Borrower) a mortgage servicer to service the Loan for all or a portion of the term of the Loan. The Servicer shall signify its acceptance of the duties and obligations imposed upon it by this Indenture by executing the Servicing Agreement. Any Servicer appointed hereunder may be removed at any time, with or without cause, by the Owner, by written notice to the Issuer, the Trustee, the Borrower and the Servicer. At any time when a Servicer has not been appointed or when a Servicer has been removed without appointment of a successor

Servicer, pursuant to this Section 7.11, all references in this Indenture and in the Loan Documents to the Servicer shall be deemed to refer to the Owner. In the event that CCRC purchases the Bond and becomes the Owner, CCRC shall be the Servicer effective as of the Conversion Date without requirement for any further action of the Owner. The Servicer may, with the prior written consent of the Owner, appoint an agent as subservicer to perform the duties of the Servicer under the Servicing Agreement.

Section 7.12. LIBOR Cessation or Alternative Reference Rate. The Trustee shall not be under any obligation (i) to monitor, determine or verify the unavailability or cessation of LIBOR (or other applicable benchmark contained in the Note, Loan Agreement or Construction Disbursement Agreement, a “Benchmark”), or whether or when there has occurred, or to give notice to any other transaction party of the occurrence of, the applicability of a substitute Benchmark, (ii) to select, determine or designate any substitute Benchmark, or whether any conditions to the designation of such a rate have been satisfied, or (iii) to select, determine or designate any other modifier to any replacement or successor index, or (iv) to determine whether or what conforming changes to the Issuer Documents or Loan Documents are necessary or advisable, if any, in connection with any of the foregoing.

Section 7.13. Limitation of Liability: Failure to Perform or Delay. The Trustee shall not be liable for any inability, failure or delay on its part to perform any of its duties set forth in this Indenture as a result of the unavailability of LIBOR (or other applicable Benchmark) and absence of a designated replacement Benchmark, including as a result of any inability, delay, error or inaccuracy on the part of any other transaction party, including without limitation the Bank, in providing any direction, instruction, notice or information required or contemplated by the terms of this Indenture and reasonably required for the performance of such duties.

ARTICLE VIII

- (a) to cure any ambiguity or formal defect or omission in this Indenture;
- (b) to grant to or confer any additional benefits, rights, remedies, powers or authorities that may lawfully be granted to or conferred upon the Owner of the Bond or the Trustee, or to make any change which, in the judgment of the Trustee and the Servicer, is not to the prejudice of the Owner of the Bond;

Section 8.02. Supplemental Indentures Requiring Consent of Owner of the Bond.

(a) Exclusive of Supplemental Indentures covered by Section 8.01 of this Indenture and subject to the terms and provisions contained in this Section 8.02, and not otherwise, neither the Issuer nor the Trustee shall enter into any amendment, change or modification of this Indenture without the prior written consent of the Owner.

(b) If at any time the Issuer and the Trustee shall desire to execute and deliver a Supplemental Indenture for any of the purposes of this Section 8.02, the Trustee shall, upon being provided with reasonably satisfactory arrangements for payment of its fees and expenses, cause notice of the proposed execution of such Supplemental Indenture to be mailed by registered or certified mail to the Owner of the Bond. Such notice shall briefly set forth the nature of the proposed Supplemental Indenture and shall state that copies thereof are on file at the Principal Office of the Trustee for inspection by the Owner of the Bond. If within 60 days or such longer period as shall be prescribed by the Issuer following the giving of such notice, the Owner of the Bond Outstanding at the time of the execution of any such Supplemental Indenture shall have consented to and approved the execution thereof as herein provided, no subsequent Owner of the Bond shall have any right to object to any of the terms and provisions contained therein, or the operation thereof, or in any manner to question the propriety of the execution thereof, or to enjoin or restrain the Issuer from adopting the same or from taking any action pursuant to the provisions thereof. Subject to Section 8.04 hereof, upon the execution of any such Supplemental Indenture as in this Section 8.02 permitted and provided, this Indenture shall be and be deemed to be modified and amended in accordance therewith.

Section 8.03. Reliance on Opinion of Counsel. The Trustee and the Issuer shall be entitled to rely upon an opinion of Counsel stating that a Supplemental Indenture is authorized or permitted by this Indenture, and prior to the execution and delivery of any Supplemental Indenture, the Trustee, the Issuer, the Servicer shall be furnished with an opinion of Bond Counsel stating that the provisions of such Supplemental Indenture will not cause the interest on the Tax-Exempt Bond to be includable in gross income of the Owner (other than an Owner who is a “substantial user” of the Project or a “related person” to a “substantial user,” as defined in Section 147(a) of the Code) for purposes of federal income taxation.

Section 8.04. Consents Required. Anything herein to the contrary notwithstanding, a Supplemental Indenture described in Section 8.02 hereof which adversely affects any rights of the Borrower, the Servicer or the Trustee shall not become effective unless and until the affected party shall have consented in writing to the execution and delivery of such Supplemental Indenture. In this regard, the Trustee shall cause notice of the proposed execution and delivery of any

Supplemental Indenture together with a copy of the proposed Supplemental Indenture to be mailed as provided in Section 4.05 with respect to the redemption of the Bond to the Borrower and the Servicer at least 10 days before the date of its proposed execution and delivery.

Section 8.05. Amendments of Loan Documents Not Requiring Consent of the Owner of the Bond. The Issuer, the Trustee and the Borrower may, without the consent of or notice to the Owner of the Bond (but only with the consent of the Servicer) enter into any amendment, change or modification of any of the Loan Documents as may be required (a) by the provisions of the Loan Agreement or this Indenture, (b) for the purpose of curing any ambiguity or formal defect or omission therein, (c) so as to add additional rights and remedies for the benefit of the Owner of the Bond, or (d) in connection with any other change therein which, in the judgment of the Trustee and the Servicer, is not to the prejudice of the Trustee or the Owner of the Bond.

Section 8.06. Amendments of Loan Documents Requiring Consent of the Owner of Bond. Except for the amendments, changes or modifications as provided in Section 8.05 hereof, none of the Issuer, the Trustee or the Borrower shall enter into any other amendment, change or modification of the Loan Documents without the mailing of notice and the written approval or consent of the Owner of the Bond. If at any time the Issuer, the Trustee or the Borrower shall desire the consent to any such proposed amendment, change or modification, the Trustee shall, upon being satisfactorily indemnified with respect to fees and expenses, cause notice of such proposed amendment, change or modification to be mailed in the same manner as provided herein with respect to redemption of the Bond. Such notice shall briefly set forth the nature of such proposed amendment, change or modification and shall state that copies of the instrument embodying the same are on file at the Principal Office of the Trustee for inspection by the Owner of the Bond. If, within 60 days, or such longer period as shall be prescribed by the Trustee as the case may be, following the mailing of such notice, the Owner of the Bond Outstanding at the time of the execution of any such amendment, change or modification shall have consented to and approved the execution thereof as hereto provided, no subsequent Owner of the Bond shall have any right to object to any of the terms and provisions contained therein, or the operation thereof, or in any manner to question the propriety of the execution thereof, or to enjoin or restrain the Borrower or the Issuer or the Trustee as the case may be, from executing the same or from taking any action pursuant to the provisions thereof. The Issuer, or the Trustee as the case may be, shall have the right to extend from time to time the period within which such consent and approval may be obtained from the Owner of the Bond. Upon the execution of any such amendment, change or modification as in this Section permitted and provided, the Issuer Documents shall be and be deemed to be modified, changed and amended in accordance therewith.

ARTICLE IX

DISCHARGE

Section 9.01. Discharge of Indenture. If the Issuer shall pay, or there shall otherwise be paid, to the Owner of the Bond the principal or redemption price, if applicable, and interest due thereon, at the times and in the manner stipulated therein and in this Indenture and if all Trustee Expenses fees and all amounts payable to the Issuer for its own account (including expenses and indemnification) shall be paid in full, then the pledge of revenues, other moneys and securities under this Indenture, and all covenants, agreements and other obligations of the Issuer to the Owner

of the Bond, shall thereupon cease, terminate and become void and be discharged and satisfied. In such event, the Trustee shall cause an accounting for such period or periods as shall be requested by the Issuer to be prepared and filed with the Issuer and, upon the request of the Issuer, shall execute and deliver to the Issuer and the Borrower all such instruments as may be desirable to evidence such discharge and satisfaction, and the Trustee shall pay over or deliver as provided in Article V hereof all moneys or securities held by them pursuant to this Indenture (except as otherwise specified in Section 5.08) after the payment of principal or redemption price, if applicable, of or interest on Bond. Notwithstanding the foregoing, upon such discharge the provisions of this Indenture relating to the Rebate Fund and Section 5.18(c) of the Loan Agreement shall continue in effect.

Section 9.02. Discharge by Delivery. The obligation to pay the principal of and interest on all or any portion of the Bond (the “Bond Obligations”) may be discharged by the delivery of the Bond to the Trustee accompanied by written direction from the Owner thereof to cancel the Bond without payment (except as provided hereafter in this Section 9.02), and upon such delivery, such Bond Obligations shall be canceled and deemed paid. In the event only a portion of the Bond Obligations shall be canceled and deemed paid pursuant to the terms of this Section 9.02, those Bond Obligations which are not so canceled and deemed paid shall remain Outstanding for all purposes of this Indenture, provided that if the Outstanding Bond shall be delivered to the Trustee in accordance with the terms of this Section 9.02 and all of the requirements for the discharge of this Indenture (other than the payment of Bond Obligations) shall be paid and satisfied in full, then the Trustee shall discharge and release the lien of this Indenture, assign to the Owner of the Bond all right, title and interest of the Trustee in and to the Note, the Loan Agreement and the other Loan Documents, deliver to the Owner of the Bond all moneys and securities held by the Trustee pursuant to this Indenture (except as otherwise specified in Section 5.08) up to an amount necessary to pay in full all of the principal of and interest on the Bond through such cancellation and any other amounts due under the Loan Documents, and execute and deliver such releases or other instruments requisite to release the lien hereof.

Section 9.03. Discharge by Deposit. The obligation to pay the principal of and interest on all or a portion of the Bond may be discharged if the Issuer or the Borrower has deposited or caused to be deposited, as trust funds, with the Trustee cash and/or Government Obligations which do not permit the redemption thereof at the option of the issuer thereof, the principal of and interest on which when due (or upon the redemption thereof at the option of the Owner), will, without reinvestment, provide cash which together with the cash, if any, on deposit with the Trustee at the same time, shall be sufficient, to pay and discharge the entire indebtedness on the Bond not theretofore canceled by the Trustee or delivered to the Trustee for cancellation by the payment of interest on and principal of the Bond which have become due and payable or which shall become due at their stated maturity or redemption date, as the case may be (the “Defeasance Collateral”), and which are to be discharged under the provisions hereof, and has made arrangements satisfactory to the Trustee for the giving of notice of redemption, if any, by the Trustee in the name, and at the expense, of the Borrower. If the period over which payments will be made from the Defeasance Collateral is greater than 90 days, the Borrower must also deliver to the Trustee a verification report prepared by a certified public accountant, with respect to the sufficiency of the Defeasance Collateral to make such payments. In addition, to discharge the obligation to pay the principal and interest on the Bond pursuant to this Section 9.03, the Issuer or the Borrower must (a) obtain an opinion of Bond Counsel addressed to the Issuer and the Trustee to the effect that all

actions have been taken to cause the defeasance of this Indenture and such actions will not adversely affect the excludability of interest on the Tax-Exempt Bond for federal income tax purposes under existing law, and (b) provide written notice to the Servicer of such discharge at least 30 days in advance.

The Trustee understands and agrees that, in the performance of the work or services under this Indenture or in contemplation thereof, the Trustee may have access to private or confidential information which may be owned or controlled by the Issuer and that such information may contain proprietary or confidential details, the disclosure of which to third parties may be damaging to the Issuer. Trustee agrees that all information disclosed by the Issuer to the Trustee shall be held in confidence and used only in performance of the Indenture. Section 10.22. Subcontracting. The Trustee is prohibited from subcontracting this Indenture or any part of it unless such subcontracting is first approved by the Issuer in writing. Neither party shall, on the basis of this Indenture, contract on behalf of or in the name of the other party. A contract made in violation of this provision shall confer no rights on any party and shall be null and void.

Section 10.23. Waiver of Personal Liability. No recourse under or upon any obligation, covenant, warranty or agreement contained in this Indenture or in the Bond, or under any judgment obtained against the Issuer, or the enforcement of any assessment, or any legal or equitable proceedings by virtue of any constitution or statute or otherwise, or under any circumstances under or independent of this Indenture, shall be had against the Mayor, the City Council or any of the members, officers, agents or employees of the Issuer, as such, past, present or future of the Issuer, either directly or through the Issuer or otherwise, for the payment for or to the Issuer or any receiver of the Issuer, or for or to the owner of the Bond, or otherwise, of any sum that may be due and unpaid by the Issuer or its governing body upon the Bond. Any and all personal liability of every nature whether at common law or in equity or by statute or by constitution or otherwise of the Mayor, the City Council or any such member, officer, agent or employee, past, present or future of the Issuer, as such by reason of any act or omission on his or her part or otherwise, for the payment for or to the owner of the Bond or otherwise of any sum that may remain due and unpaid upon the Bond secured by this Indenture or any of them is, by the acceptance of the Bond, expressly waived and released as a condition of and in consideration for the execution of this Indenture and the issuance of the Bond. Anything in this Indenture to the contrary notwithstanding, it is expressly understood by the parties to this Indenture that (a) the Issuer may rely exclusively on the truth and accuracy of any certificate, opinion, notice or other instrument furnished to the Issuer by the Trustee or the Owner as to the existence of any fact or state of affairs, (b) the Issuer shall not be under any obligation under this Indenture to perform any recordkeeping or to provide any legal services, it being understood that such services shall be performed or caused to be performed by the Trustee or the Owner and (c) none of the provisions of this Indenture shall require the Issuer to expend or risk its own funds or otherwise to incur financial liability in the performance of any of its duties or in the exercise of any of its rights or powers under this Indenture, unless it shall first have been adequately indemnified to its satisfaction against any costs, expenses and liability which it may incur as a result of taking such action. No recourse for the payment of any part of the principal of, premium, if any, or interest on the Bond or for the satisfaction of any liability arising from, founded upon or existing by reason of the issuance, purchase or ownership of the Bond shall be had against the Mayor, the City Council or any officer, member, agent or employee of the Issuer, past, present or future, as such, all such liability being expressly released and waived as a condition of and as a part of the consideration for the execution of this Indenture and the issuance of the Bond. No covenant, stipulation, obligation or agreement of the Issuer contained in this Indenture shall be deemed to be a covenant, stipulation, obligation or agreement of any present or future member, officer, agent or employee of the Issuer or the Mayor or the City Council in other than that person's official capacity. No member, officer, agent or employee of the Issuer shall be individually or personally liable for the payment of the principal or redemption price of or interest on the Bond or be subject to any personal liability or accountability by reason of the issuance of the Bond.

It is recognized that notwithstanding any other provision of this Indenture, neither the Borrower, the Trustee nor the Owner shall look to the Issuer for damages suffered by the Borrower, the Trustee or the Owner as a result of the failure of the Issuer to perform any covenant, undertaking or obligation under this Indenture, the Loan Agreement, the Bond or any of the other documents referred to herein, or as a result of the incorrectness of any representation made by the Issuer in any of such documents, nor for any other reason. Although this Indenture recognizes that such documents shall not give rise to any pecuniary liability of the Issuer, nothing contained in this Indenture shall be construed to preclude in any way any action or proceeding (other than that element of any action or proceeding involving a claim for monetary damages against the Issuer) in any court or before any governmental body, agency or instrumentality or otherwise against the Issuer or any of its officers or employees to enforce the provisions of any of such documents which the Issuer is obligated to perform and the performance of which the Issuer has not assigned to the Trustee or any other person; provided, however, that as a condition precedent to the Issuer proceeding pursuant to this Section 10.23, the Issuer shall have received satisfactory indemnification.

Section 10.25. Recycling Transactions. Notwithstanding any provision of this Indenture or the Bond to the contrary, the Issuer shall be permitted to direct payments of the Note prepayments to be transferred to a custodian or trustee selected by the Issuer, in lieu of application to prepay a like portion of the Tax-Exempt Bond, so long as the Issuer simultaneously causes other funds to be applied to prepay such portion of the Tax-Exempt Bond. The preceding provisions shall apply only for purposes of preserving or “recycling” private activity bond volume cap in accordance with Section 146(i)(6) of the Code.

[for 2021K-1 Only: While this Bond bears interest at the Fixed Rate (or an Alternative Rate based upon the Fixed Rate) or the Taxable Rate, interest on this Bond shall be computed on the basis of a 360 day year of 12 equal months of 30 days each.]

(c) **[For 20221K-1 Bond Only: Fixed Rate.** From and after the Conversion Date (as defined in the Indenture) and until the Maturity Date this Bond shall bear interest at the Fixed Rate, as defined in the Indenture.][Reserved]

(e) **Usury.** Notwithstanding any provision of this Bond to the contrary, in no event shall the interest contracted for, charged or received in connection with this Bond (including any other costs or considerations that constitute interest under the laws of the State which are contracted for, charged or received pursuant to this Bond) exceed the maximum rate of nonusurious interest allowed under the laws of the State as presently in effect and to the extent of any increase allowable by such laws. To the extent permitted by law, interest contracted for, charged or received on this Bond shall be allocated over the entire term of this Bond, to the end that interest paid on this Bond does not exceed the maximum amount permitted to be paid thereon by law. Excess interest, if any, provided for in this Bond, or otherwise, shall be canceled automatically as of the date of such acceleration or, if theretofore paid, shall be credited as principal paid on this Bond.

(f) **Registration and Transfer.** THIS BOND IS SUBJECT TO THE TRANSFER RESTRICTIONS SET FORTH IN SECTION 3.09 OF THE INDENTURE. The Issuer, the Trustee, and any other person may treat the person in whose name this Bond is registered on the books of registry as the Owner hereof for the purpose of receiving payment as herein provided and for all other purposes, whether or not this Bond be overdue, and no person shall be affected by notice to the contrary.

If a default under a Loan Document occurs and is continuing, the principal the Bond then outstanding may be declared due and payable by the Servicer upon the conditions and in the manner and with the effect provided in the Indenture. As provided in the Indenture, and to the extent permitted by law, interest and a penalty rate of interest shall be payable on unpaid amounts due hereon.

(j) **Discharge.** The Indenture prescribes the manner in which it may be discharged and after which the Bond shall be deemed to be paid and no longer be secured by or entitled to the benefits of the Indenture, except for the purposes of registration and exchange of the Bond and of such payment.

(p) The Borrower is not an "employee benefit plan," as defined in Section 3(3) of ERISA, subject to Title I of ERISA, and none of the assets of the Borrower constitutes or will constitute "plan assets" of one or more such plans within the meaning of 29 C.F.R. § 2510.3-101.

(q) No part of the proceeds of the Loan will be used for the purpose of purchasing or acquiring any "margin stock" within the meaning of Regulation U of the Board of Governors of the Federal Reserve System or for any other purpose that would be inconsistent with such Regulation U or any other Regulation of such Board of Governors, or for any purpose prohibited by Legal Requirements or any Loan Document.

(r) The Borrower is not (i) an "investment company" or a company "controlled" by an "investment company," within the meaning of the Investment Company Act of 1940, as amended; (ii) a "holding company" or a "subsidiary company" of a "holding company" or an "affiliate" of either a "holding company" or a "subsidiary company" within the meaning of the Public Utility Holding Company Act of 1935, as amended; or (iii) subject to any other federal or state law or regulation which purports to restrict or regulate its ability to borrow money.

(s) The Borrower has not entered into the Loan or any Loan Document with the actual intent to hinder, delay, or defraud any creditor, and the Borrower has received reasonably equivalent value in exchange for its obligations under the Loan Documents. Giving effect to the transactions contemplated by the Loan Documents, the fair saleable value of the Borrower's assets exceeds and will, immediately following the execution and delivery of the Loan Documents, exceed the Borrower's total liabilities, including subordinated, unliquidated, disputed or contingent liabilities. The fair saleable value of the

Borrower's assets is and will, immediately following the execution and delivery of the Loan Documents, be greater than the Borrower's probable liabilities, including maximum amount of its contingent liabilities or its debts as such debts become absolute and matured. The Borrower's assets do not and, immediately following the execution and delivery of the Loan Documents, will not, constitute unreasonably small capital to carry out its business as conducted or as proposed to be conducted. The Borrower does not intend to, and does not believe it will, incur debts and liabilities (including contingent liabilities and other commitments) beyond its ability to pay such debts as they mature (taking into account the timing and amounts to be payable on or in respect of obligations of the Borrower).

(t) All information regarding the Borrower, the Project and any Obligor delivered to the Issuer, the Trustee and the Bank is true and correct in all material respects and all such financial information fairly presents the financial condition and results of operations of the Borrower and the other Obligors for the periods to which such financial information relates, and discloses all liabilities and contingent liabilities of the Borrower or the other Obligors.

(u) There are no actions, suits, proceedings or investigations of any kind pending or threatened against the Borrower or the General Partner before any court, tribunal or administrative agency or board or any mediator or arbitrator that, if adversely determined, might, either in any case or in the aggregate, adversely affect the business, assets or financial condition of the Borrower or the General Partner, or result in any liability not adequately covered by insurance, or for which adequate reserves are not maintained on the balance sheet of the Borrower or the General Partner, or which question the validity of this Loan Agreement or any of the other Loan Documents or any of the General Partner Documents, any action taken or to be taken pursuant hereto or thereto, or any lien or security interest created or intended to be created pursuant hereto or thereto, or which will adversely affect the ability of the Borrower or the General Partner to construct, equip, use and occupy the Project or to pay and perform its obligations hereunder in the manner contemplated by this Loan Agreement, any of the other Loan Documents or any of the General Partner Documents.

(v) All utility services necessary and sufficient for the construction, equipping and operation of the Project shall be, upon Completion of the Project, and thereafter will at all times be, available through dedicated public rights of way or through perpetual private easements with respect to the Borrower's interest in which the Mortgage creates a valid and enforceable first priority mortgage lien. The Borrower has obtained, or promptly will obtain, all utility installations and connections required for the operation and servicing of the Project for its intended purposes.

(w) The rights of way for all roads necessary for the full utilization of the Project for its intended purposes have either been acquired by the appropriate Governmental Authority or have been dedicated to public use and accepted by such Governmental Authority. All such roads shall have been completed, and the right to use all such roads, or suitable substitute rights of way approved by the initial Servicer, shall be maintained at all times for the Project. All curb cuts, driveways and traffic signals shown on the Plans and Specifications are existing or have been fully approved by the appropriate

Governmental Authority and after the completion thereof, shall be maintained at all times for the Project.

(x) The acquisition, construction, equipping, use and occupancy of the Project will at times comply with all Legal Requirements. The Borrower will give all notices to, and take all other actions with respect to, such Governmental Authorities as may be required under applicable Legal Requirements to construct and equip the Improvements and to use, occupy and operate the Project.

(y) The Borrower has obtained all Project Approvals required for the acquisition, construction and equipping of the Project in accordance with the Plans and Specifications. All Project Approvals obtained by the Borrower have been validly issued and are in full force and effect. The Borrower has no reason to believe that any of the Project Approvals required for acquisition, construction and equipping of the Project in accordance with the Plans and Specifications and not heretofore obtained by the Borrower will not be obtained by the Borrower in the ordinary course in order to permit completion of construction and equipping of the Project in accordance with the Plans and Specifications on or before the Completion Deadline. The Borrower will timely obtain all Project Approvals not heretofore obtained by the Borrower (including those required for use and occupancy of the Project for its intended purpose upon Completion and any other Project Approvals which may hereafter become required, necessary or desirable) and will furnish the Servicer with evidence that the Borrower has obtained such Project Approvals promptly upon their receipt. The Borrower will duly perform and comply with all of the terms and conditions of all Project Approvals obtained at any time. No Project Approvals will terminate, or become void or voidable or terminable, upon any sale, transfer or other disposition of the Project, including any transfer pursuant to foreclosure, deed in lieu of foreclosure or exercise of power of sale under the Mortgage.

(z) The Borrower has furnished the Bank with true and complete sets of the Plans and Specifications. The Plans and Specifications so furnished to the initial Servicer comply with all Legal Requirements, all Project Approvals, and all restrictions, covenants and easements affecting the Project, and have been approved by such Governmental Authority as is required for construction and equipping of the Improvements.

(aa) The Development Budget accurately reflects all Project Costs.

(bb) The Survey delivered to the Bank does not fail to reflect any material matter of survey affecting the Project or the title thereto.

(cc) No part of the Land is located in an area identified by the Federal Emergency Management Agency as an area having special flood hazard or to the extent any part of the Land is an area identified as an area having special flood hazard, adequate flood insurance has been obtained by the Borrower.

(dd) The Borrower is not in default or violation of any order, writ, injunction, decree or demand of any Governmental Authority, the violation of which might materially adversely affect the condition (financial or otherwise) or business of the Borrower. There

has not been and shall never be committed by the Borrower or any other Person in occupancy of or involved with the operation or use of the Project any act or omission affording any Governmental Authority the right of forfeiture as against the Project or any part thereof any moneys paid in performance of the Borrower's obligations under any Loan Document.

(ee) The Construction Contract and the Architect's Contract are each in full force and effect and each of the parties thereto are in full compliance with their respective obligations thereunder. The work to be performed by the Contractor under the Construction Contract is the work called for by the Plans and Specifications, and all work required to complete the Improvements in accordance with the Plans and Specifications is provided for under the Construction Contract.

(ff) Each Requisition submitted by the Borrower shall contain an affirmation that the foregoing representations and warranties remain true and correct as of the date hereof.

(gg) The Related Persons are not, and to the Borrower's knowledge after diligent inquiry, no other Person holding any legal or beneficial interest whatsoever in the Related Persons, directly or indirectly, is included in, owned by, Controlled by, acting for or on behalf of, providing assistance, support, sponsorship, or services of any kind to, or otherwise associated with any of the Persons referred to or described in any list of persons, entities, and governments issued by the Office of Foreign Assets Control of the United States Department of the Treasury ("OFAC") pursuant to Executive Order 13224 – Blocking Property and Prohibiting Transactions with Persons Who Commit, Threaten to Commit, or Support Terrorism, as amended ("Executive Order 13224"), or any similar list issued by OFAC or any other department or agency of the United States of America (collectively, the "OFAC Lists").

(hh) The Ground Lease is in full force and effect and the Borrower has paid all rent and other amounts due and payable to the ground lessor thereunder. There exists no material violation of or material default by the Borrower under the Ground Lease, and no event has occurred which, upon the giving of notice or the passage of time, or both, would constitute a material default by any other party under the Ground Lease.

Section 2.03. Covenants by the Borrower. The Borrower hereby covenants and agrees that, on and after the Closing Date, it will:

(a) Give written notice promptly, and in any event at least 30 days prior to the closing thereof, of any intended refinancing of the Project to the Issuer, the Owner, the Trustee and the Servicer;

(b) Comply with all Legal Requirements and promptly furnish the Issuer, the Owner, the Trustee and the Servicer with reports of any official searches made by any Governmental Authority and any claims of violations thereof;

(c) Upon reasonable notice and at reasonable times, permit the Servicer, the Owner, the Issuer and the Trustee (or their representatives) to enter upon the Land and inspect the Project;

(f) Not enter into, cancel or amend any agreement for the furnishing of management or similar services to the Project, without the prior written consent of the Servicer, the Owner and the Issuer, such consent not to be unreasonably withheld or delayed;

(g) Comply with all restrictions, covenants and easements affecting the Land or the Project, including, without limitation, all requirements of the Regulatory Agreement;

(h) Take, or require to be taken, such acts as may be required under applicable law or regulation in order that the interest on the Tax-Exempt Bond continues to be excludable from gross income for purposes of federal income taxation, and refrain from taking any action which would adversely affect the exclusion from gross income of interest on the Tax-Exempt Bond from federal income taxation;

(i) Perform and satisfy all the duties and obligations of the Borrower set forth and specified in the Indenture as duties and obligations of the Borrower, including those duties and obligations which the Indenture requires this Loan Agreement or the other Loan Documents to impose upon the Borrower;

(j) Confirm and assure that the Project, equipment, buildings, plans, offices, apparatus, devices, books, contracts, records, documents and other papers relating thereto shall at all times be maintained in reasonable condition for proper audit and shall be subject to examination and inspection at reasonable times and upon reasonable notice by the Issuer, the Trustee, the Owner or the Servicer or the duly authorized agent of any of them and shall keep copies of all written contracts or other instruments which affect the Project, all or any of which shall be subject to inspection and examination by the Issuer, the Trustee, the Owner, the Servicer or the duly authorized agent of any of them;

(l) Promptly notify the Issuer, the Owner, the Trustee and the Servicer in writing of any (i) default by the Borrower in the performance or observance of any covenant, agreement, representation, warranty or obligation of the Borrower set forth in this Loan Agreement or any other Loan Documents or (ii) any event or condition which with the lapse of time or the giving of notice, or both would constitute an Event of Default under this Loan Agreement or any other Loan Documents;

(m) Commence, pursue and complete construction and equipping of the Improvements as provided herein and in the Construction Disbursement Agreement; and

(n) Comply with all applicable state and local rules and regulations relating to the construction and operation of the Project, including, without limitation, all applicable minimum wage, prevailing wage or living wage requirements.

The Borrower acknowledges that, to the extent that regulations of the Comptroller of the Currency or any other applicable regulatory agency require granting the Borrower the right to receive brokerage confirmations of securities transactions as they occur, the Borrower specifically waives the right to receive such confirmations.

ARTICLE III

LOAN AND PROVISIONS FOR REPAYMENT

Section 3.01. Issuance of Bond and Delivery of Note and other Loan Documents.

(a) In order to finance a portion of the costs of the acquisition, construction and equipping of the Project, the Issuer has issued and caused the Trustee to authenticate and deliver the Bond pursuant to the Indenture to the initial Owner. The Bond bears interest and is payable as provided therein and in the Indenture. The Bond shall mature and all Outstanding principal of, Prepayment Equalization Payments, interest and Additional Interest (if any) on the Bond shall be due and payable in full on the Maturity Date applicable to the Bond, all as provided more fully in the Bond and the Indenture.

(b) The Issuer agrees to lend the proceeds received from time to time regarding the sale of the Bond to the Borrower, by causing such amounts to be deposited directly into the Project Fund, subject to the terms and conditions of the Indenture and this Loan Agreement, including the terms and conditions thereof and hereof governing the disbursement of proceeds of the Loan.

(c) Pursuant to the Indenture, the Trustee shall make disbursements from the Project Fund created pursuant to the Indenture to pay or to reimburse the Borrower for costs of the acquisition, construction and equipping of the Project, subject to the conditions of the Indenture and this Loan Agreement. Upon receipt of a properly signed Requisition

approved by the Servicer (which approval of the Servicer is expressly subject to the satisfaction of the conditions precedent set forth in the Construction Disbursement Agreement) and acknowledged by the Issuer as required under the Indenture, the Trustee is authorized to act upon such Requisition without further inquiry, and, except for negligence after notice of facts to the contrary or willful misconduct of the Trustee, the Borrower shall hold the Trustee harmless against any and all losses, claims or liabilities incurred in connection with the Trustee's making disbursements from the Project Fund in accordance with such Requisition. Neither the Trustee nor the Issuer shall be responsible for the application by the Borrower of moneys properly disbursed from the Project Fund.

(d) Concurrently with the sale and delivery of the Bond, and to evidence further the obligation to repay the Loan in accordance with the provisions of this Loan Agreement, the Borrower has executed and delivered the Note and the other Loan Documents.

Section 3.02. Loan Repayments and Other Amounts.

(a) The Borrower shall pay to the Trustee, for deposit into the Revenue Fund: (i) on the first day of each month commencing [_____] 1, 2021, an amount equal to the sum of (A) the interest due on the Bond on said date (after taking into account funds available for such purpose, if any, in the Capitalized Interest Account of the Project Fund), and (B) the principal due on the Bond on said date; plus (ii) on the Conversion Date and the first day of each month thereafter, any amounts required to be deposited into the Replacement Reserve Fund, the Operating Reserve Fund and the Tax and Insurance Fund, as of such date. Amounts so paid to the Trustee by the Borrower shall be in immediately available funds or shall be such that on the Bond Payment Date they are available funds.

(b) The Borrower understands that the interest rate applicable under the Tax-Exempt Note and with respect to the Tax-Exempt Bond is based upon the assumption that interest income paid on the Tax-Exempt Bond will be excludable from the gross income of the Owner under Section 103 of the Code and applicable state law. In the event that an Initial Notification of Taxability shall occur, then the interest rate on the Tax-Exempt Note and the Tax-Exempt Bond, and on all obligations under this Loan Agreement (other than those to which the Alternative Rate applies) shall, effective on the date of such Initial Notification of Taxability, be increased to a rate equal to the Taxable Rate. The Borrower shall, in addition, pay to the Trustee, for deposit into the Revenue Fund, promptly upon demand from the Trustee or the Servicer, an amount equal to the Additional Interest payable on the Tax-Exempt Bond. The Borrower shall also indemnify, defend and hold the Owner, the Issuer and the Trustee harmless from any penalties, interest expense or other costs, including reasonable attorneys' fees (including all reasonably allocated time and charges of Owner's, Issuer's and Trustee's "in-house" and "outside" counsel) and accountants' costs, resulting from any dispute with the Internal Revenue Service concerning the proper tax treatment of the Tax-Exempt Bond and any interest payable to any Owner with respect to the Tax-Exempt Bond. The obligations of the Borrower under this Section 3.02(b) shall survive termination of this Loan Agreement and the Note and repayment of the Loan. If, following any increase in interest rate pursuant to this Section 3.02(b), a final determination is made, to the satisfaction of the Owner, that interest paid on the Tax-Exempt Bond is excludable from the Owner's gross income under

Section 103 of the Code and applicable state law, the Owner shall promptly refund to the Borrower any Additional Interest and other additional amounts paid by the Borrower pursuant to this Section 3.02(b).

(c) The Borrower agrees to pay the Trustee Fee and Trustee expenses to the Trustee and agrees to pay the Issuer's Fee described in Section 7(n) of the Regulatory Agreement to the Issuer. The Borrower also agrees to pay all fees, charges and expenses of the Trustee and the Issuer, respectively (including, without limitation, the reasonable, actually incurred fees and expenses of counsel to the Issuer, Bond Counsel and counsel to the Trustee), as and when the same become due. The Borrower also agrees to pay the printing and engraving costs of the Bond, including any certificates required to be prepared for use in connection with any exchanges of the Bond for the cost of which the Owner is not liable. The Borrower also agrees to pay the Loan Fee to Bank on or before the Closing Date, to pay CCRC all fees due under the Bond Purchase Agreement on the date said fees are due thereunder, to pay the fees of the Owner and the Servicer, and to pay all reasonable costs and expenses incurred by the Owner, CCRC and the Servicer in connection with the administration of the Bond, the Loan or the collateral therefor, and any amendments, modifications or "workouts" thereof, including without limitation reasonable attorneys' fees and costs (including allocated costs of in-house attorneys), fees and costs of engineers, accountants, appraisers and other consultants, title insurance premiums and recording costs upon receipt of written demand therefor.

(d) The Borrower agrees to pay all Costs of Issuance (in addition to those Costs of Issuance otherwise required to be paid by this Section 3.02).

(e) The Borrower agrees to pay any Prepayment Equalization Payments at the times and in the amounts the same become payable pursuant to the Indenture.

(f) The Borrower agrees to pay, as and when the same become due, to the Issuer, the Servicer or the Trustee any extraordinary expenses, including, without limitation, any costs of litigation, which may be incurred by the Issuer, the Servicer or the Trustee in connection with this Loan Agreement or the Indenture, including the reasonable, actually incurred costs and fees of any attorneys or other experts retained by the Issuer, the Servicer or the Trustee in connection therewith.

(g) The Borrower agrees to repay the Loan at the times and in the amounts necessary to enable the Trustee, on behalf of the Issuer, to pay all amounts payable with respect to the Tax-Exempt Bond, when due, whether at maturity or upon redemption, acceleration, tender, purchase or otherwise. The Borrower shall provide no less than thirty (30) days' written notice to the California Debt Limit Allocation Committee and to the Issuer prior to the redemption of the Tax-Exempt Bond, in whole or in part, on the Conversion Date.

Section 3.03. Payments Pledged and Assigned. It is understood and agreed that the Loan Documents and certain other documents and property and all payments required to be made by the Borrower pursuant hereto (except payments to be made to the Issuer in respect of its Reserved Rights and payments to be made to the Servicer and the Trustee pursuant to Section 3.02(b) hereof)

have been assigned to the Trustee simultaneously herewith pursuant to the Indenture as and for security for the Bond. The Borrower hereby consents to such assignment and recognizes the Trustee as the assignee of the Issuer, to the extent of the assignment, for purposes of said documents and property.

Section 3.04. Obligations of the Borrower Hereunder Unconditional. The obligations of the Borrower to make any payments required by the terms of this Loan Agreement and the other Loan Documents, including, without limitation, the payments required in Section 3.02 hereof, and to perform and observe the other agreements on its part contained herein and in the other Loan Documents shall be absolute and unconditional and shall not be subject to any defense (other than payment) or any right of set off, counterclaim, abatement or otherwise and, until such time as the principal of and interest on the Bond shall have been fully paid or provision for the payment thereof shall have been made in accordance with the Indenture. The Borrower (a) will not suspend or discontinue, or permit the suspension or discontinuance of, any payments provided for herein or in the other Loan Documents, (b) will perform and observe all of its other agreements contained herein and the other Loan Documents and (c) will not suspend the performance of its obligations hereunder and under the other Loan Documents for any cause including, without limiting the generality of the foregoing, failure to complete construction and equipping of the Project, any acts or circumstances that may constitute failure of consideration, failure of or a defect of title to the Project or any part thereof, eviction or constructive eviction, destruction of or damage to the Project, commercial frustration of purpose, any change in the tax or other laws or administrative rulings of or administrative actions by the United States of America or the State or any political subdivision of either, or any failure of the Issuer to perform and observe any agreement, whether express or implied, or any duty, liability or obligation arising out of or connected with this Loan Agreement or the other Loan Documents. The Borrower may, at its own cost and expense and in its own name or in the name of the Issuer or its assign (provided the Issuer or assign is a necessary party and consents thereto), prosecute or defend any action or proceeding or take any other action involving third persons which the Borrower deems reasonably necessary in order to secure or protect its rights hereunder, and in such event the Issuer, subject to the provisions of the Indenture, hereby agrees to cooperate fully with the Borrower and to take all action (at the Borrower's cost and expense) necessary to effect the substitution of the Borrower for the Issuer in any such action or proceeding if the Borrower shall so request.

ARTICLE IV

ADVANCES

Section 4.01. Requisition. At such time as the Borrower shall desire to obtain an advance from the Loan Account, the Insurance and Condemnation Proceeds Account, or the Equity Account of the Project Fund, the Borrower shall complete, execute and deliver a Requisition to the Servicer and the Issuer. Each Requisition shall be signed on behalf of the Borrower and shall be in the form attached as Exhibit I to the Construction Disbursement Agreement. The Trustee may rely conclusively on the statements and certifications contained in any Requisition. The Borrower shall not submit any Requisition directly to the Trustee. Each advance from the Loan Account, the Insurance and Condemnation Proceeds Account, or the Equity Account of the Project Fund by the Trustee shall be subject to prior approval of the Requisition by the Servicer and the acknowledgment of the Issuer as provided in the Indenture. Upon receipt of approvals and

acknowledgements, as applicable, the Servicer shall forward each Requisition to the Trustee for payment.

ARTICLE V

SPECIAL COVENANTS OF THE BORROWER

Section 5.01. Commencement and Completion of Project. The Borrower will commence construction and equipping of the Improvements within 30 days after the Closing Date, will diligently pursue construction and equipping of the Improvements, will attain Completion prior to the Completion Deadline, and will pay all sums and perform all such acts as may be necessary or appropriate to complete such construction and equipping, all as more fully set forth in the Construction Disbursement Agreement.

Section 5.02. Records and Accounts. The Borrower will (a) keep true and accurate records and books of account in which full, true and correct entries will be made in accordance with Generally Accepted Accounting Principles, which records and books will not be maintained on a consolidated basis with those of any other Person, including any Affiliate of the Borrower, (b) maintain adequate accounts and reserves for all taxes (including income taxes), depreciation and amortization of its properties, contingencies, and other reserves, all of which accounts shall not be commingled with accounts of any other Person, including any or Affiliate of the Borrower, and (c) maintain all such records as are necessary to evidence compliance with the requirements of the Regulatory Agreement and the Borrower's Tax Certificate.

Section 5.03. Financial Statements and Information. Prior to the Conversion Date, the Borrower will deliver, or cause to be delivered to the Owner those reports described in Section 2.21 and Exhibit K of the Construction Disbursement Agreement at the times described therein. From and after the Conversion Date, the Borrower will deliver, or cause to be delivered, to the Owner those reports described in the Permanent Period Supplemental Agreement.

Section 5.04. Insurance.

(a) The Borrower will obtain and maintain insurance with respect to the Project and the operations of the Borrower as required from time to time by the Servicer. The initial insurance requirements are set forth on Exhibit E hereto. On and after the Conversion Date, the insurance requirements required with respect to the Project and the operations of the Borrower shall be governed by the terms of the Permanent Period Supplemental Agreement. All renewal policies, with premiums paid, shall be delivered to the Servicer at least 30 days before expiration of the existing policies. If any such insurance shall expire or be canceled, or become void or voidable by reason of the breach of any condition of coverage, or if the Servicer determines that any coverage is unsatisfactory by reason of the failure or impairment of the capital of any insurance carrier, or if any insurance is unsatisfactory to the Servicer, in its sole judgment, the Borrower shall promptly place new insurance satisfactory to the Servicer.

(b) The Borrower will provide the Trustee, the Owner and the Servicer with certificates evidencing such insurance upon the request of the Servicer.

(c) If the Borrower fails to provide, maintain, keep in force or deliver to the Servicer the policies of insurance and certificates required by this Loan Agreement, the Servicer may (but shall have no obligation to) procure such insurance, and the Borrower will pay all premiums thereon promptly on demand by the Servicer, and until such payment is made by the Borrower, the amount of all such premiums shall bear interest at the Alternative Rate.

Section 5.05. Liens and Other Charges. The Borrower will duly pay and discharge, cause to be paid and discharged, or provide a bond satisfactory to the Servicer to pay or discharge, before the same shall become overdue all claims for labor, materials, or supplies that if unpaid might by law become a lien or charge upon any of its property.

Section 5.06. Inspection of Project and Books, Appraisals.

(a) The Borrower shall permit the Issuer, the Trustee, the Owner and the Servicer upon reasonable notice at reasonable times, at the Borrower's cost and expense, to visit and inspect the Project and all materials to be used in the construction and equipping thereof and will cooperate with the Issuer, the Owner, the Trustee and the Servicer during such inspections (including making available working drawings of the Plans and Specifications), provided that this provision shall not be deemed to impose on the Issuer, the Owner, the Trustee, and the Servicer any obligation to undertake such inspections.

(b) The Borrower shall permit the Issuer, the Owner, the Trustee and the Servicer, upon reasonable notice at reasonable times, at the Borrower's cost and expense, to examine the books of account of the Borrower and the Project (and to make copies thereof and extracts therefrom) and to discuss the affairs, finances and accounts of the Borrower and the Project with, and to be advised as to the same by, its officers, partners, or trustees, all at such reasonable times and intervals as the Issuer, the Owner, the Trustee and the Servicer may reasonably request, provided that so long as no Default or Event of Default shall have occurred and be continuing, the Borrower shall only be obligated to pay the expenses associated with one such investigation during any 12-month period.

(c) The Issuer, the Owner, the Trustee and the Servicer shall have the right to obtain from time to time, at the Borrower's cost and expense, updated Appraisals of the Project, provided that so long as no Default or Event of Default shall have occurred and be continuing, the Borrower shall only be obligated to pay for the costs and expenses associated with one such Appraisal during any 12-month period.

(d) The costs and expenses incurred by the Issuer, the Owner, the Trustee and the Servicer in obtaining such Appraisals or performing such inspections shall be paid by the Borrower promptly upon billing or request by the Issuer, the Owner, the Trustee and the Servicer for reimbursement.

Section 5.07. Compliance With Laws, Contracts, Licenses and Permits. The Borrower will comply with (a) all Legal Requirements, (b) the provisions of its Organizational Documents, (c) all applicable decrees, orders and judgments, and (d) all licenses and permits

required by applicable laws and regulations for the conduct of its business or the ownership, use or operation of its properties, including all Project Approvals.

Section 5.08. Use of Proceeds. In accordance with the Development Budget, the Borrower will use the proceeds of the Taxable Bond for purposes related to the project and at least 97% of the proceeds of the Tax-Exempt Bond solely for the purpose of paying for Qualified Costs of the Project.

Section 5.09. Borrower To Pay Excess Project Costs. The Borrower will pay when due all costs of acquisition, construction and equipping of the Project in excess of the proceeds of the Bond, regardless of the amount. If at any time, the Servicer shall in its sole discretion determine that the remaining undisbursed portion of the Project Fund, together with the undisbursed balance of Required Equity Funds, and any other sums previously deposited or to be deposited by the Borrower in connection with the Project, is or will be insufficient to: (a) complete the construction and equipping of the Improvements in accordance with the Plans and Specifications; (b) operate and carry the Project after Completion until the date upon which revenues from the Project are sufficient to pay all Operating Expenses, debt service on the Loan, Project Costs and all other sums due hereunder and under all other Loan Documents; or (c) pay all other Project Costs, to pay all interest accrued or to accrue on the Loan from and after the date hereof until the date upon which revenues from the Project are sufficient to pay all Operating Expenses, debt service on the Loan, Project Costs and all other sums due or to become due hereunder and under all other Loan Documents, (or any budget category or line item), regardless of how such condition may be caused, the Borrower will, within 10 days after written notice of such determination from the Servicer, deposit with the Trustee such sums of money in cash as the Servicer may require, in an amount sufficient to remedy the condition described in such notice, and sufficient to pay any liens for labor and materials alleged to be due and payable at the time in connection with the Improvements, and, at the Servicer's direction, no further disbursements from the Project Fund shall be made by the Trustee until the provisions of this Section have been fully complied with. The Servicer may direct the Trustee to enforce the Completion Agreement in accordance with its terms, and upon such direction, the Trustee shall proceed to enforce the Completion Agreement. All such deposited sums shall constitute additional security under the Loan Documents and, prior to the occurrence of an Event of Default hereunder, shall be disbursed by the Trustee in the same manner as disbursements under the Indenture before any further disbursements from the Project Fund shall be made by the Trustee.

Section 5.10. Laborers, Subcontractors and Materialmen. The Borrower will furnish to the Issuer, the Owner, the Trustee or the Servicer, upon reasonable request, and from time to time, affidavits listing all laborers, subcontractors, materialmen, and any other Persons who might or could claim statutory or common law liens and are furnishing or have furnished labor or material to the Project or any part thereof, together with affidavits, or other evidence satisfactory to the Issuer, the Owner, the Trustee or the Servicer, showing that such parties have been paid all amounts then due for labor and materials furnished to the Project. The Borrower will also furnish to the Issuer, the Trustee, and the Servicer, at any time and from time to time upon reasonable request by the Issuer, the Owner, the Trustee, Servicer or the Servicer, lien waivers bearing a then current date and prepared on a form satisfactory to the Issuer, the Owner, the Trustee or the Servicer from the Contractor and such subcontractors or materialmen as the Issuer, the Owner, the Trustee or the Servicer may designate.

Section 5.11. Further Assurance of Title. If at any time the Servicer has reason to believe that any disbursement from the Project Fund is not secured or will or may not be secured by the Mortgage as a first priority mortgage lien and security interest on the Property, then the Borrower shall, within 10 days after written notice from the Servicer, do all things and matters necessary, to assure to the satisfaction of the Servicer that any disbursement from the Project Fund previously made hereunder or to be made hereunder is secured or will be secured by the Mortgage as a first priority mortgage lien and security interest on the Property, and the Servicer, at its option, may decline to approve any further Requisitions until the Servicer has received such assurance. Nothing in this Section shall limit the right of the Servicer, at the Borrower's expense, to order searches of title from time to time and to require bringdowns or endorsements extending the effective date of the Title Policy in connection with the making of advances as herein set forth.

Section 5.12. Publicity. The Borrower will permit the Servicer to obtain publicity in connection with the acquisition, construction and equipping of the Improvements through press releases and participation in such events as ground breaking and opening ceremonies and placement of signs on the Land.

(c) ***Regarding This Loan Agreement.*** The Borrower will cooperate with, and will do such further acts and execute such further instruments and documents as the Issuer, the Owner, the Trustee and the Servicer shall reasonably request to carry out to their satisfaction the transactions contemplated by this Loan Agreement and the other Loan Documents.

(d) ***Bank of Account.*** The Borrower will utilize the Bank as its principal bank of account, including all construction disbursement, operating accounts, and reserve accounts.

Section 5.14. Notices. The Borrower will promptly notify the Issuer, the Owner, the Trustee and the Servicer in writing of (a) the occurrence of any Default or Event of Default or event which, with the giving of notice or the passage of time, or both, would constitute a Default or Event of Default; (b) the Borrower's receipt of notice from any Governmental Authority of any

alleged violation of environmental laws or regulations or other Legal Requirements; (c) any labor problems with respect to the Borrower or the Project; (d) the occurrence of any other event which would have a material adverse effect on the Project or the business or financial condition of the Borrower; or (e) the receipt by the Borrower of any notice of default or notice of termination with respect to any contract or agreement relating to the ownership, construction, equipping, operation, or use of the Project.

Section 5.15. Solvency; Adequate Capital. The Borrower will:

(a) Remain solvent and pay all of its indebtedness from its assets as the same become due; and

(b) Maintain adequate capital for the normal obligations reasonably foreseeable for a business of its size and character and in light of its contemplated business operations.

Section 5.16. Management Contract.

(a) At all times during the term of this Loan Agreement, the Project shall be managed pursuant to a management contract with the Manager, which contract shall be terminable with or without cause by the Borrower or its successors as owners of the Project and shall otherwise be in form and substance satisfactory to the Servicer. The Borrower acknowledges that the Issuer, the Owner, the Trustee and the Servicer will rely on the Manager's experience in operating properties such as the Project as a means of maintaining the value of the collateral. In connection with the approval of the Manager, or any replacement management company:

(i) the Manager or holder of the stock or partnership interest therein, shall be a Person whose character, financial strength, stability and experience is acceptable to the Servicer and who shall have experience managing properties of a type and size reasonably similar to the Project;

(ii) the Manager shall deliver all organizational documentation and other materials evidencing its experience acceptable to the Servicer; and

(iii) the terms of any management contract shall provide for management fees in excess of 7% of the Project Revenues to be subordinate to payments owed by the Borrower under the Loan Documents and otherwise must be acceptable to the Servicer in all respects.

(b) The Borrower shall, from time to time, obtain from the Manager such certificates of estoppel with respect to compliance by the Borrower with the terms of the management contract as may be requested by the Servicer, the Trustee and the Owner.

(c) The Project will be managed by the Manager pursuant to the Management Agreement. The Borrower acknowledges and agrees that Trustee, as mortgagee under the Mortgage, is and shall be a third-party beneficiary of the Management Agreement and any replacement management agreement. Any amendment to the Management Agreement or

delivery of a replacement management agreement must be approved in writing by the Servicer and the Owner.

Section 5.17. Negative Covenants of the Borrower. The Borrower covenants and agrees that, so long as the Loan is outstanding:

(a) ***Restrictions on Easements and Covenants.*** Except for Permitted Encumbrances and matters permitted by Section 5.17(d), the Borrower will not create or suffer to be created or to exist any easement, right of way, restriction, covenant, condition, license or other right in favor of any Person which affects or might affect title to the Project or the use and occupancy of the Project or any part thereof without obtaining the prior written consent of the Servicer, which shall not be unreasonably withheld or delayed so long as the proposed action is necessary for the operation of the Project for the purposes contemplated hereby and the proposed action does not materially impair the validity or priority of the lien of the Mortgage.

(b) ***No Amendments, Terminations or Waivers.*** Neither the Borrower nor the General Partner shall amend, supplement terminate or otherwise modify or waive any provision of its Organizational Documents except to correct scrivener's errors or to reflect transfers of partnership interests expressly permitted under Section 6.3(c) of the Mortgage, the documents evidencing the Subordinate Loans or any documents relating to the contribution of equity by the partners of the Borrower without obtaining the prior written consent of the Servicer.

(c) ***Restrictions on Indebtedness.*** Without obtaining the prior written consent of the Servicer, the Borrower will not create, incur, assume, guarantee or be or remain liable, contingently or otherwise, with respect to any Indebtedness other than:

(i) Indebtedness arising under the Loan Documents;

(ii) Indebtedness arising in connection with the Subordinate Loans;

(iii) current liabilities of the Borrower relating to the Project, incurred in the ordinary course of business but not incurred through (A) the borrowing of money, or (B) the obtaining of credit except for credit on an open account basis customarily extended and in fact extended in connection with normal purchases of goods and services;

(iv) Indebtedness relating to the Project, in respect of taxes, assessments, governmental charges or levies and claims for labor, materials and supplies to the extent that payment therefor shall not at the time be required to be made; and

(v) unsecured loans made by General Partner or Investor Limited Partner to Borrower in accordance with and pursuant to, the Partnership Agreement.

(d) ***Restrictions on Liens.*** The Borrower shall not subject the Project, or permit the Project to be subjected, to any Lien or encumbrance except as permitted pursuant to Article 6 of the Mortgage.

(e) ***Transfers.*** The Borrower shall not transfer the Project or any interest in the Project, in the Borrower or in any partner of the Borrower, or permit any such transfer, except as permitted by both (i) either (A) Section 6.3(c) of the Mortgage, or (B) the Construction Disbursement Agreement; and (ii) the Regulatory Agreement.

(f) ***Merger, Consolidation, Conversion and Disposition of Assets.***

(i) The Borrower will not become a party to any merger or consolidation, or agree to or effect any asset acquisition or stock acquisition.

(ii) The Borrower will not convert into any other type of entity.

(iii) The Borrower will not seek the dissolution or winding up, in whole or in part, of the Borrower or voluntarily file, or consent to the filing of, a petition for bankruptcy, reorganization, assignment for the benefit of creditors or similar proceedings.

(g) ***Sale and Leaseback.*** The Borrower will not enter into any arrangement, directly or indirectly, whereby the Borrower shall sell or transfer any property owned by it in order then or thereafter to lease such property or lease other property that the Borrower intends to use for substantially the same purpose as the property being sold or transferred.

(h) ***Preservation of Tax Exemption.*** The Borrower will not take any action that would adversely affect the exclusion of interest on the Tax-Exempt Bond from gross income for purposes of federal income taxation, nor omit or fail to take any action required to maintain the exclusion of interest on the Tax-Exempt Bond from gross income for purposes of federal income taxation.

Section 5.18. Arbitrage and Tax Matters.

(a) The Borrower hereby represents, warrants and agrees that all certifications and representations of fact made by the Borrower in the Regulatory Agreement and the Borrower's Tax Certificate are true, accurate and complete in all material respects of the date on which executed and delivered.

(b) The Borrower covenants not to cause or direct any moneys on deposit in any fund or account to be used in a manner which would cause the Tax-Exempt Bond to be classified as an "arbitrage bond" within the meaning of Section 148 of the Code, and the Borrower certifies and covenants to and for the benefit of the Issuer and the Owner so long as the Tax-Exempt Bond is Outstanding, moneys on deposit in any fund or account in connection with the Tax-Exempt Bond, whether such moneys were derived from the proceeds of the sale of the Tax-Exempt Bond or from any other sources, will not be used in a manner which will cause the Tax-Exempt Bond to be classified as an "arbitrage bond" within the meaning of Section 148 of the Code. In furtherance of the foregoing, the Borrower covenants to comply with the terms and conditions of the Borrower's Tax Certificate and to pay when due any amount required to be paid to the United States in accordance with the Borrower's Tax Certificate, the Indenture and this Loan Agreement.

(c) At any time when any amount required to be paid under Section 148(f) of the Code (the “Rebate Regulations”) is due, the Borrower shall pay to the United States on behalf of the Issuer the full amount then required to be paid under the Rebate Regulations. Within 60 days after the Tax-Exempt Bond has been paid in full, the Borrower shall pay to the United States on behalf of the Issuer the full amount then required to be paid under the Rebate Regulations. Each such payment shall be made to such location specified by the Internal Revenue Service, accompanied by a Form 8038-T (or other appropriate information reporting form) prepared by the Borrower. No later than 15 days prior to each date on which a payment could become due under the Rebate Regulations (“Rebate Payment Date”), the Borrower shall deliver to the Issuer and the Trustee a certificate of a Rebate Analyst either summarizing the determination that no amount is required to be paid or specifying the amount then required to be paid, if the certificate specifies an amount to be paid, (i) such certificate shall be accompanied by a completed Form 8038-T, which is to be signed by an Authorized Representative of the Issuer, and shall include a certification by the Borrower that the Form 8038-T is accurate and complete, and (ii) no later than 10 days after the Rebate Payment Date, the Borrower shall furnish to the Issuer and the Trustee a certificate state that such amount has been timely paid. This Section 5.18(c) shall be construed so as to cause compliance with the Rebate Regulations. The Borrower covenants that all action taken under this Section 5.18(c) shall be taken in a manner that complies with the Rebate Regulations and that it shall neither take any action nor omit to take any action that would cause the Tax-Exempt Bond to be an “arbitrage bond” by reason of the failure to comply with the Rebate Regulations. To the extent that any payment of rebatable arbitrage or penalty in lieu of rebate is not timely made to the United States, the Borrower shall pay to the United States on behalf of the Issuer any correction amount, interest, penalty or other amount necessary to prevent the Tax-Exempt Bond from becoming an “arbitrage bond” within the meaning of Section 148 of the Code. The Borrower covenants that, to the extent necessary, it shall obtain the advice and assistance of a Rebate Analyst to aid it in complying with the Rebate Regulations.

(d) The Borrower covenants and agrees that it will not use or permit the use of any of the funds provided by the Issuer hereunder or any other funds of the Borrower, directly or indirectly, or direct the Servicer to invest any funds held by it hereunder (including investment of any funds contributed by the Borrower), in such manner as would, or take or omit to take any other action that would cause the Tax-Exempt Bond to be an “arbitrage bond” within the meaning of Section 148 of the Code or “federally guaranteed” within the meaning of Section 149(b) of the Code and applicable regulations promulgated from time to time thereunder. The Borrower understands that this limitation may apply to funds held as collateral provided to the Servicer, the Trustee or the Owner as security for the repayment of the Loan.

(e) The Borrower will take such action or actions as may be reasonably necessary in the opinion of Bond Counsel or of which it otherwise becomes aware, to comply fully with Section 148 of the Code, including, but not limited to, Section 148(d)(3) of the Code regarding investment of gross proceeds of the Tax-Exempt Bond in investments with a yield in excess of the yield on the Tax-Exempt Bond.

(f) The Borrower hereby incorporates by reference the representations of the Borrower contained in the Borrower's Tax Certificate as if fully set forth herein and agrees to comply with the terms thereof.

Section 5.19. Indemnification.

(a) The Borrower hereby releases the Issuer, the Owner, the Trustee and the Servicer (including any Person at any time serving as officers, directors, agents, officials, employees, counsel, attorneys and agents, past, present and future, and as to the Issuer, members of its governing body) and any person who controls Issuer, the Owner, Trustee or Servicer within the meaning of the Securities Act, from and agrees without limiting the indemnity provided in the Regulatory Agreement, to indemnify, hold harmless and defend the Issuer, the Owner, the Trustee and the Servicer and their respective officers, members, supervisors, directors, officials and employees, counsel, attorneys and agents, past present and future of each of them (and as to the Issuer, members of its governing body) and any person who controls such party within the meaning of the Securities Act and employees and each of them (each an "**Indemnified Party**") from and against, any and all losses, claims, damages, demands, liabilities and expenses (including reasonable attorney's fees and expenses), taxes (other than income taxes payable by any party as a result of any fees payable to such parties in connection with the transaction contemplated hereby), causes of action, suits, claims, demands and judgments of any nature, joint or several, by or on behalf of any person arising out of:

(i) the transactions provided for in the Loan Documents or the Indenture or otherwise in connection with the Project, the Bond, the Loan or the execution and delivery or amendment of any other document entered into in connection with the transactions provided for in the Indenture or the Loan Documents (provided no indemnity shall be required for claims due to nonpayment of the Note);

(ii) the approval of the financing for the Project or the making of the Loan;

(iii) the issuance and sale of the Bond or any certifications or representations made by any person other than the party seeking indemnification;

(iv) any and all claims arising in connection with the interpretation, performance, enforcement, breach, default or amendment of the Indenture, the Loan Documents or any other documents relating to the Project or the Bond or in connection with any federal or state tax audit or any questions or other matters arising under such documents (provided no indemnity shall be required for claims due to nonpayment of the Note);

(v) the carrying out by the Borrower of any of the transactions provided for in the Indenture or the Loan Documents;

(vi) the Trustee's acceptance or administration of the trusts created by the Indenture or the exercise of its powers or duties under the Indenture or under

this Loan Agreement, the Regulatory Agreement or any other agreements to which it is a party or otherwise in connection with the transactions provided for in the Indenture or the Loan Documents except for claims arising from the Trustee's administration where such is a result of actions contrary to the Trustee's duties and obligations;

(vii) any and all claims arising in connection with the issuance and sale of the Bond or any certifications or representations made by any person other than the Indemnified Party seeking indemnification, including, without limitation, any statement or information made by the Borrower with respect to the Borrower or the Project in any offering document or materials regarding the initial offering of the Bond (in connection with its issuance under the Indenture), the Project or the Borrower or the Borrower's Tax Certificate or any other certificate executed by the Borrower which, at the time made, is misleading, untrue or incorrect in any material respect and any untrue statement or alleged untrue statement of a material fact by the Borrower relating to the Borrower or the Project contained in any offering material relating to the initial offering of the Bond, as from time to time amended or supplemented with information provided by the Borrower, or arising out of or based upon the omission or alleged omission to state in such offering material a material fact relating to the Borrower or the Project required to be stated in such offering material or necessary in order to make the statements in such offering material not misleading, or failure to properly register or otherwise qualify the sale of the Bond or failure to comply with any licensing or other law or regulation which would affect the manner in which or to whom the Bond could be sold and the carrying out by the Borrower of any of the transactions contemplated by the Indenture or the Loan Documents;

(viii) the Borrower's failure to comply with any requirement of this Loan Agreement or the Regulatory Agreement (provided no indemnity shall be required for claims due to nonpayment of the Note);

(ix) any act or omission of the Borrower or any of its agents, servants, employees or licensees in connection with the Loan or the Project, including violation of any law, ordinance, court order or regulation affecting the Project or any part of it or the ownership, occupancy or use of it (provided no indemnity shall be required for claims due to nonpayment of the Note);

(x) any damage or injury, actual or claimed, of whatsoever kind, cause or character, to property (including loss of use of property) or persons, occurring or allegedly occurring in, on or about the Project or arising out of any action or inaction of the Borrower, or resulting from or in any way connected with the acquisition, rehabilitation and construction or management of the Project, the issuance of the Bond or otherwise in connection with transactions contemplated or otherwise in connection with the Project, the Bond or the execution or amendment of any document relating to the Project or the Bond;

(xi) any violation of any environmental law, rule or regulation with respect to, or the release of any toxic substance from, the Project; and

(xii) any and all claims arising in connection with the operation of the Project, or the conditions, environmental or otherwise, occupancy, use, possession, conduct or supervision of work done in or about, or from the planning, design, acquisition, rehabilitation, construction, repair or equipping of, the Project or any part of it, including, but not limited to, the Americans with Disabilities Act, if applicable (as evidenced by an architect's certificate to such effect).

(b) This indemnification shall extend to and include, without limitation, all reasonable costs, counsel fees, expenses or liabilities incurred in connection with any such claim or proceeding brought with respect to such claim, except:

(i) in the case of the foregoing indemnification of the Owner, the Trustee or the Servicer, or any of their respective related Indemnified Parties, to the extent such damages are caused by the negligence or willful misconduct of such Person; and

(ii) in the case of the foregoing indemnification of the Issuer, or any of its related Indemnified Parties, to the extent such damages are caused by the active negligence or willful misconduct of the Issuer.

(c) In the event that any action or proceeding is brought against any Indemnified Party with respect to which indemnity may be sought under this Loan Agreement, the Borrower, upon written notice from an Indemnified Party, shall assume the investigation and defense of the action or proceeding, including the employment of counsel selected by the Borrower, subject to the approval of such Indemnified Party, which approval shall not be unreasonably withheld, conditioned or delayed, and shall assume the payment of all expenses related to the action or proceeding, with full power to litigate, compromise or settle the same in its sole discretion, provided that the Issuer, the Servicer and Trustee, as appropriate, shall have the right to review and approve or disapprove any such compromise or settlement. Each Indemnified Party shall have the right to employ separate counsel in any such action or proceeding and participate in the investigation and defense of the action or proceeding, and the Borrower shall be obligated to pay the reasonable fees and expenses of such separate counsel if (i) the Indemnified Party, upon the advice of counsel, determines that a conflict of interest exists between the interests of the Indemnified Party and the interests of another Indemnified Party or the Borrower or (ii) such separate counsel is employed with the approval of the Borrower, which approval shall not be unreasonably withheld, conditioned or delayed.

(d) The Borrower understands and agrees that the foregoing release includes all claims of every nature and kind whatsoever, whether known or unknown, suspected or unsuspected, and the Borrower has read and understands, and hereby waives the benefits of, Section 1542 of the California Civil Code which provides as follows:

“A general release does not extend to claims that the creditor or releasing

party does not know or suspect to exist in his or her favor at the time of executing the release and that, if known by him or her, would have materially affected his or her settlement with the debtor or released party.”

(e) The Borrower acknowledges that it may hereafter discover facts different from or in addition to those which it now knows or believes to be true with respect to the foregoing release by the Borrower and agrees that the foregoing release shall be and remain effective in all respects notwithstanding such different or additional facts or the discovery thereof.

Nothing in this Section shall in any way limit the Borrower’s indemnification and other payment obligations set forth in the Regulatory Agreement.

The obligations of the Borrower under this Section shall survive the termination of this Loan Agreement and the Indenture and the repayment of the Loan and the Bond. If, and to the extent that the obligations of the Borrower under this Section are unenforceable for any reason, the Borrower hereby agrees to make the maximum contribution to the payment in satisfaction of such obligations which is permissible under applicable law.

Section 5.20. Agreements Between the Borrower and Its Affiliates. Except for the documents executed by the General Partner in connection with the admittance of the Investor Limited Partner, the Borrower shall not enter into any agreement, written or otherwise, directly or indirectly relating to the Project with an Affiliate of the Borrower without the prior written consent of the Servicer.

Section 5.21. [Reserved].

The Borrower acknowledges the creation of the Replacement Reserve Fund, the Operating Reserve Fund, the Transition Reserve Fund and the Tax and Insurance Fund pursuant to the Indenture. The Replacement Reserve Fund, the Operating Reserve Fund, the Transition Reserve Fund and the Tax and Insurance Fund shall be funded, and moneys therein shall be disbursed, in accordance with the provisions of the Indenture and this Section 5.22. Notwithstanding the foregoing or any other provision of this Loan Agreement to the contrary, on and after the Conversion Date, (i) the Replacement Reserve Fund shall be funded and moneys therein shall be immediately transferred to CCRC to be held and disbursed pursuant to the terms of the Permanent Period Replacement Reserve Agreement, and (ii) the Operating Reserve Fund and the Transition Reserve Fund shall be funded and moneys therein shall be immediately transferred to CCRC to be held and disbursed pursuant to the terms of the Permanent Period Supplemental Agreement.

(a) At the Bank’s request, the Borrower shall submit to the Servicer for approval the Proposed Budget to be effective for the next following year. The Servicer shall have the right to approve or disapprove any Proposed Budget or any line item contained in such Proposed Budget. If any Proposed Budget is not approved by the Servicer within 30 days following submission by the Borrower, such Proposed Budget shall be deemed disapproved. If any line item or Proposed Budget is disapproved, the Borrower shall thereafter consult for an additional 30 days with the Servicer in an effort to achieve

mutually acceptable Approved Budget. To the extent that the Proposed Budget is disapproved, the Approved Budget for the previous year shall remain in effect, increased by 3% over the previous year (except for costs of utilities, real estate taxes and assessments and insurance and other third party costs or cost associated with remediation of emergency conditions which shall be permitted variances to the Proposed Budget) until the parties resolve their differences. In addition to, and not in limitation of the foregoing, each Approved Budget may be revised from time to time with prior written consent of the Servicer to reflect changes to items set forth in the then current Approved Budget.

(b) Each Proposed Budget:

(i) shall be prepared on the basis of sound accounting practices consistently applied;

(ii) shall reflect the projected gross revenues and operating expenses regarding the Project;

(viii) evidence that the general contractor has delivered and filed effective mechanics lien waivers prior to the commencement of work or, if such waivers were not delivered and filed, a release of liens in connection with all work performed, which releases may be conditioned upon payment to the general contractor provided that the general contractor delivers unconditional releases within 30 days of receipt of such payment.

Following the Conversion Date and purchase of the Bond by CCRC, all deposits to the Replacement Reserve Fund shall be immediately transferred to CCRC to be held and disbursed pursuant to the Permanent Period Replacement Reserve Agreement.

(e) Prior to the Conversion Date and purchase of the Bond by CCRC, provided the conditions set forth in Section 5.22(d) have been satisfied (or waived in writing by the Servicer), the Servicer shall authorize the disbursement from the Replacement Reserve Fund of the amount requested by the Borrower in its requisition, or such lesser amount approved by the Consulting Engineer, to the Borrower. It shall be a condition to all withdrawals from the Replacement Reserve Fund that (i) all work shall be performed in a good and workmanlike manner and in compliance with all applicable Legal Requirements,

(ii) the Servicer shall have reviewed and approved each of the foregoing requirements, (iii) the work to be performed is consistent with the Approved Budget or the recommendations of the Consulting Engineer, and (iv) sufficient amounts are on deposit in the Replacement Reserve Fund to pay the amount requisitioned.

(f) Prior to the Conversion Date and purchase of the Bond by CCRC, for any single Capital Expenditure (not part of, or related to, a sequence or a series of Capital Expenditures or a particular capital improvement plan or project) costing less than \$10,000 and whether or not described in the Approved Budget, the Borrower, upon completion of the work, shall deliver to the Servicer evidence reasonably satisfactory to the Servicer of such completion and shall deliver to the Servicer invoices for such work, and, for all of such subsequent disbursements from the Replacement Reserve Fund, the Borrower shall deliver evidence of payment in full for all invoices pertaining to the previous disbursement

Once the Capital Expenditure is approved in advance by the Servicer, the provisions of Section 5.22(d) shall apply. Upon completion of such work, the Borrower shall deliver to the Servicer evidence reasonably satisfactory to the Servicer of such completion and shall deliver to the Servicer invoices for such work and, for all of such subsequent disbursements from the Replacement Reserve Fund, the Borrower shall deliver evidence of payment in full for all invoices pertaining to the previous disbursement from the Replacement Reserve Fund, whereupon the Servicer shall authorize reimbursement of the cost of the Capital Expenditure from the Replacement Reserve Fund to the Borrower, or, at the Servicer's option, the contractors to whom such costs are owed.

(h) Borrower shall provide to the Trustee and the Servicer, promptly following the Borrower's receipt thereof, copies of all bills received by the Borrower for real property taxes for the Property and for the premiums on the insurance policies required to be maintained pursuant to the loan documents. On each Interest Payment Date, beginning with the first month after the Stabilization Date, the Borrower shall deposit funds into the Tax and Insurance Fund in an amount equal to one twelfth of the amount required to be payable during the current year for real estate taxes and insurance premiums with respect to the Project, as indicated by the current bills; provided, however, that upon and after the Conversion Date, deposits to the Tax and Insurance Fund shall be governed by the terms and requirements of the Permanent Period Supplemental Agreement. If, one month prior to the due date of any aforementioned obligations, the amounts then on deposit shall be insufficient for the payment of such obligation in full, the Borrower shall deposit with the Trustee the amount of the deficiency within 10 days after demand from the Trustee or the Servicer. Amounts held in the Tax and Insurance Fund shall be applied by the Trustee to the payment of real estate taxes and insurance premiums on or before the respective dates on which the same or any of them would become delinquent.

(i) On the Conversion Date, the Borrower shall deposit \$326,455 of its own funds into the Operating Reserve Fund which funds shall be immediately transferred to CCRC to be held in an operating reserve account (the "CCRC Operating Reserve") and disbursed under the Permanent Period Supplemental Agreement.

Section 5.23. Covenants Regarding Tax Credits. The Borrower hereby agrees to comply with all of the following covenants (each, a "Tax Credit Covenant"):

(a) To observe and perform all obligations imposed on the Borrower in connection with the Tax Credits, including the obligation to have the Project “placed in service” (within the meaning given in Section 42 of the Code) in a timely manner; and to operate the residential units of the Project, and to use the Borrower’s best efforts to cause all appropriate parties to operate the same, in accordance with all requirements, statutes, and regulations governing the Tax Credits;

(b) To preserve at all times the allocation and availability of the Tax Credits;

(c) Not to release, forego, alter, amend, or modify its rights to the Tax Credits without the Servicer’s prior written consent, which the Servicer may give or withhold in the Servicer’s reasonable discretion;

(d) Not to execute any residential lease of all or any portion of the Project which does not comply fully with all requirements, statutes, and regulations governing the Tax Credits, without the Servicer’s prior written consent, which the Servicer may give or withhold in the Servicer’s sole and absolute discretion;

(e) To cause to be kept all records, and cause to be made all elections and certifications, pertaining to the number and size of apartment units, occupancy thereof by tenants, income level of tenants, set-asides for low-income tenants, and any other matters now or hereafter required to qualify for and maintain the Tax Credits in connection with the low-income occupancy of the Project;

(f) To comply with the appropriate minimum low-income set-aside requirements under the Code or applicable federal regulations (the “Federal Laws”) and all laws and regulations of the State (the “State Laws”) applicable to the creation, maintenance and continued availability of the Tax Credits;

(g) To certify compliance with the set-aside requirements and report the dollar amount of qualified basis and maximum applicable percentage, date of placement in service and any other information required for the Tax Credits at such time periods as required by Federal Laws or State Laws for such Tax Credits. All of the amounts received upon the sale of the Bond are allocated to, and shall be used, solely for the purpose of financing the aggregate basis of land and building costs within the meaning of Section 42(h)(4)(B) of the Code. The amounts received upon the sale of the Bond and interest and other investment earnings on those amounts shall be allocated and used for financing Qualified Project Costs of each building and related land in the Project so that the aggregate basis of each such building and related land, within the meaning of Section 42(h)(4) of the Code, shall be financed 50% or more from those amounts;

(h) To set aside the appropriate number of units for households with incomes meeting the required standards of the median income of the county in which the Project is located to qualify for the Tax Credits (as determined pursuant to Section 42 of the Code and/or State Laws), adjusted for family size, and to operate and maintain all such units as “low-income units” qualifying for the Tax Credits under Section 42(i)(3) of the Code and/or State Laws;

(i) To exercise good faith in all activities relating to the operation and maintenance of the Project in accordance with the requirement of Federal Laws and State Laws; and

(j) To promptly deliver to the Servicer true and correct copies of all notices or other documents or communications received or given by the Borrower with regard to or relating in any way to the Borrower's partnership interests and/or the Tax Credits. Immediately upon receipt thereof, the Borrower shall deliver to the Servicer a copy of (i) the fully executed allocation and final reservation of Tax Credits for the Project, (ii) the basis audit (as required by Section 42 of the Code) for the Project (including a certificate of the Borrower's accountant or attorneys if requested by the Servicer), (iii) the first annual income certification for all tenants of the Project showing that the tenants are qualified for purposes of the Borrower's obtaining Tax Credits, and (iv) the fully completed Form 8609 (required by the Code) issued for the Project. The Borrower shall deliver promptly to the Servicer such other certificates, income certificates, reports and information as the Servicer may request.

The Borrower understands and acknowledges that the Bank is purchasing the Bond based, in part, upon the value of the Tax Credits, and the Tax Credits, directly or indirectly, constitute part of Trustee's security on behalf of the Owner of the Bond, for the obligations of the Borrower in connection with the Loan. The Borrower agrees to indemnify, defend, and hold the Servicer and the Owner harmless for, from, and against any and all actions, suits, claims, demands, liabilities, losses, damages, obligations, and costs or expenses, including litigation costs and reasonable attorneys' fees, arising from or in any way connected with the Borrower's failure to comply with one or more Tax Credit Covenants, excepting those arising out of, or resulting, solely from the gross negligence or willful misconduct of the Servicer.

Section 5.24. Leasing.

(a) The Servicer (and all other parties whose approval is required) must approve the Borrower's standard form of residential lease or rental agreement prior to its use by the Borrower. The Borrower may not materially modify the approved standard form of residential lease without the Servicer's prior written consent in each instance (which consent shall not be unreasonably withheld), together with the approval of all other parties whose consent is required. Each lease, other than leases on the Borrower's standard form of residential lease, of any part of the Project is subject to the Servicer's written approval as to form and substance prior to execution and delivery. Despite the foregoing, the Borrower may enter into residential leases (and amendments) in the ordinary course of business with bona fide third party tenants without the Servicer's prior written consent if the Borrower uses the approved standard form of residential lease and:

(i) Within 15 days after the Servicer's written request therefor, the Servicer receives a copy of the executed lease (accompanied by all financial information and certificates obtained by the Borrower pertaining to the tenant);

(ii) The Borrower, acting in good faith and exercising due diligence, has determined that the tenant qualifies as a low-income family for purposes of meeting the requirements for obtaining Tax Credits;

(iii) The lease meets the standards required by Section 42 of the Code;

(iv) The lease meets the requirements of the Servicer, the Issuer, and the Investor Limited Partner;

(v) The lease reflects an arm's-length transaction and, so long as the Construction Disbursement Agreement is in effect, conforms to the projections of the Pro Forma Schedule attached thereto;

(vi) The lease does not affect more than one residential unit within the Improvements and is for a minimum term of six months and a maximum term of 12 months, unless otherwise agreed in writing by the Servicer; and

(vii) So long as the Construction Disbursement Agreement is in effect, the lease, together with all leases previously executed, does not cause the Loan to become "out of balance" as that term is defined in Section 1.2(a) of the Construction Disbursement Agreement. The Borrower acknowledges that the Loan may become "out of balance" if the landlord's aggregate economic obligations under the leases exceed, or the Net Operating Income from the Project fails to meet, the Borrower's projections for such obligations, thereby increasing the cost or decreasing the value of the Project.

(b) The Servicer in the exercise of its sole discretion may consider any executed lease it receives to be unsatisfactory if the lease fails to meet any of the requirements of this Loan Agreement. If this happens, or if the Borrower at any time fails to submit any executed lease (and accompanying information) at the time required by this Section, or if any Event of Default has occurred and is continuing, the Servicer may make written demand on the Borrower to submit all future leases for the Servicer's approval prior to execution. The Borrower must comply with any such demand by the Servicer.

(c) The Servicer's approval of any lease is for the sole purpose of protecting the Servicer's security and preserving the Servicer's rights under the Loan Documents. No approval by the Servicer will result in a waiver of any default of the Borrower. In no event will the Servicer's approval of any lease be a representation of any kind with regard to the lease, its enforceability or the financial capacity of any tenant or project.

(d) The Borrower must perform all obligations required to be performed by it as landlord under any lease affecting any part of the Land or any space within the Improvements.

Section 5.25. Compliance With Anti-Terrorism Regulations.

(a) None of the Related Persons will be included in, owned by, Controlled by, act for or on behalf of, provide assistance, support, sponsorship, or services of any kind to,

or otherwise associate with any of the Persons referred to or described in any list of persons, entities, and governments issued by OFAC pursuant to Executive Order 13224 or any other OFAC List.

(b) The Borrower will comply at all times with the requirements of Executive Order 13224; the International Emergency Economic Powers Act, 50 U.S.C. Sections 1701-06; the Uniting and Strengthening America by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism Act of 2001, Pub. L. 107-56 (the “PATRIOT Act”); the Iraqi Sanctions Act, Pub. L. 101-513, 104 Stat. 2047-55; the United Nations Participation Act, 22 U.S.C. Section 287c; the Antiterrorism and Effective Death Penalty Act, (enacting 8 U.S.C. Section 219, 18 U.S.C. Section 2332d, and 18 U.S.C. Section 2339b); the International Security and Development Cooperation Act, 22 U.S.C. Section 2349 aa 9; the Terrorism Sanctions Regulations, 31 C.F.R. Part 595; the Terrorism List Governments Sanctions Regulations, 31 C.F.R. Part 596; the Foreign Terrorist Organizations Sanctions Regulations, 31 C.F.R. Part 597; the Bank Secrecy Act, Pub. L. 91-508, 84 Stat. 1114, 1118; the Trading with the Enemy Act, 50 U.S.C. App. Section 1 et seq.; the laws relating to prevention and detection of money laundering in 18 U.S.C. Sections 1956 and 1957 and any similar laws or regulations currently in force or hereafter enacted (collectively, the “Anti-Terrorism Regulations”).

(c) If the Borrower becomes aware or receives any notice that any of the Related Persons are named on any of the OFAC Lists (such occurrence, an “OFAC Violation”), the Borrower will immediately (i) give notice to the Issuer, the Trustee and the Servicer of such OFAC Violation, and (ii) comply with all laws applicable to such OFAC Violation (regardless of whether the party included on any of the OFAC Lists is located within the jurisdiction of the United States of America), including, without limitation, the Anti-Terrorism Regulations, and the Borrower hereby authorizes and consents to the Issuer’s, the Trustee’s and the Servicer’s taking any and all steps the Issuer, the Trustee and the Servicer deem necessary, in the sole discretion of each of the Issuer, the Trustee and the Servicer, to comply with all laws applicable to any such OFAC Violation, including, without limitation, the requirements of the Anti-Terrorism Regulations (including the “freezing” and/or “blocking” of assets).

(d) Upon the Issuer, the Trustee’s or the Servicer’s request from time to time during the term of the Loan, the Borrower agrees deliver a certification confirming that the representations and warranties set forth in this Loan Agreement remain true and correct as of the date of such certificate and confirming the Borrower’s compliance with this Section. The Borrower also agrees to cooperate with each of the Issuer, the Trustee and the Servicer, and to cause each Related Person to cooperate with the Issuer, the Trustee and the Servicer, in providing such additional information and documentation on the Borrower’s and such Related Person’s legal or beneficial ownership, policies, procedures and sources of funds as the Issuer, the Trustee and the Servicer deem necessary or prudent to enable each of them to comply with the Anti-Terrorism Regulations as now in existence or hereafter amended. From time to time upon the written request of the Issuer, the Trustee or the Servicer, the Borrower shall deliver to the requesting party a schedule of the name, legal domicile, address and jurisdiction of organization, if applicable, for each Related Party and each holder of a legal interest in the Borrower.

ARTICLE VI

OPTION AND OBLIGATIONS OF THE BORROWER TO PREPAY

Section 6.01. Optional Prepayment.

(a) The Note and amounts due under Section 3.02(a) hereof are subject to prepayment in order to effect the redemption of the Bond under Section 4.03 of the Indenture at the option of the Borrower in whole but not in part at the times (and not before the times) and at the redemption prices plus accrued interest to the redemption date of the Bond, Additional Interest and the Prepayment Equalization Payment, if applicable, as set forth in Section 4.03 of the Indenture together with interest as set forth in Section 4.03 of the Indenture. (c) The options granted to the Borrower in this Section 6.01 shall be exercisable only (i) in the event and to the extent the Bond is subject to redemption in accordance with the Indenture and (ii) if no Event of Default under any of the Loan Documents shall have occurred and be then continuing or if all costs associated with any existing Event of Default (including, without limitation, late fees, penalties, costs of enforcement, protective advances and interest on such amounts) which are then due and owing under the Loan Documents are paid in full in connection with such prepayment.

(d) The Borrower shall provide no less than thirty (30) days' written notice to CDLAC and to the Issuer prior to the redemption of the Bond, in whole or in part, on the Conversion Date.

Section 6.02. Mandatory Prepayment. The Loan and amounts due under Section 3.02(a) hereof shall be prepaid in whole or in part in order to effect the mandatory redemption of the Bond at the times and in the amounts specified in Section 4.01 of the Indenture.

Section 6.03. Amounts Required for Prepayment.

(a) The amount payable by the Borrower hereunder upon either (i) the exercise of the option granted to the Borrower in Section 6.01 hereof, or (ii) the mandatory prepayment of the Note by the Borrower in Section 6.02 hereof shall be, to the extent applicable and except as otherwise provided, the sum of the following:

(i) the amount of money necessary to pay the redemption price of the Bond to be redeemed specified in Section 4.03 of the Indenture, in the case of optional redemption and Section 4.02 of the Indenture in the case of mandatory redemption, together with all interest specified therein payable up to and including said redemption date, Prepayment Equalization Payment (if applicable), and all expenses of the redemption; plus

At the acceleration, termination or expiration of the term of this Loan Agreement and following full payment of the Bond or provision for payment thereof in accordance with Article XI of the Indenture and of all other fees and charges of all parties having been made in accordance with the provisions of this Loan Agreement and the Indenture, the Issuer shall deliver to the Borrower any documents and take or cause the Trustee to take such actions as may be necessary to effectuate the cancellation and evidence the termination of this Loan Agreement and the Loan Documents (other than the Regulatory Agreement, which shall not terminate except in accordance with the terms thereof).

ARTICLE VII

(l) Any Obligor shall file a voluntary petition in bankruptcy under Title 11 of the United States Code, or an order for relief shall be issued against any such Obligor in

(q) Any of the Loan Documents, the General Partner Documents or the Guarantor Documents shall be canceled, terminated, revoked or rescinded otherwise than in accordance with the terms thereof or with the express prior written consent of the Servicer, or any action at law, suit in equity or other legal proceeding to cancel, revoke or rescind any of the Loan Documents, the General Partner Documents or the Guarantor Documents shall be commenced by or on behalf of any Obligor which is a party thereto, or any of their respective stockholders, partners or beneficiaries, or any court or any other governmental or regulatory authority or agency of competent jurisdiction shall make a determination that, or issue a judgment, order, decree or ruling to the effect that, any one or more of the Loan Documents, the General Partner Documents or the Guarantor Documents is illegal, invalid or unenforceable in accordance with the terms thereof;

(v) Any default occurs under any Subordinate Loan Document (as defined in the Construction Disbursement Agreement) and is continuing beyond any applicable notice and cure period expressly set forth therein; or

(w) Subject to Section 5.1(g) of the Construction Disbursement Agreement, failure of the Investor Limited Partner to fund its capital contributions to the Borrower, in at least the amounts and on or before the deadline dates as set forth in the Construction Disbursement Agreement.

Section 7.02. Remedies on Default.

(a) Whenever any Event of Default referred to in Section 7.01 hereof shall have occurred and be continuing, any obligation of the Servicer to approve Requisitions shall be terminated, and the Trustee (but only if directed to do so by Servicer and, subject to the provisions of the Indenture) shall:

(i) by notice in writing to the Borrower declare the unpaid indebtedness under the Loan Documents to be due and payable immediately, and upon any such declaration the same shall become and shall be immediately due and payable; and

(ii) take whatever action at law or in equity or under any of the Loan Documents, the General Partner Documents or the Guarantor Documents, as may appear necessary or desirable to collect the payments and other amounts then due and thereafter to become due hereunder or thereunder or under the Note, or to exercise any right or remedy or to enforce performance and observance of any obligation, agreement or covenant of the Borrower under this Loan Agreement, the Note or any other Loan Document (including without limitation foreclosure of the Mortgage), any General Partner Document or any Guarantor Document (including actions to enforce the Payment Guaranty and/or the Completion Agreement); and

(iii) cause the Project to be completed, constructed and equipped in accordance with the Plans and Specifications, with such changes therein as the Servicer may, from time to time, and in its sole discretion, deem appropriate.

(b) Any amounts collected pursuant to action taken under this Section (other than amounts collected by the Issuer pursuant to the Reserved Rights) shall, after the payment of the costs and expenses of the proceedings resulting in the collection of such moneys and of the expenses, liabilities and advances incurred or made by the Issuer, the Trustee or the Servicer and their respective Counsel, be paid into the Revenue Fund (unless otherwise provided in this Loan Agreement) and applied in accordance with the provisions of the Indenture. No action taken pursuant to this Section 7.02 shall relieve the Borrower from the Borrower's obligations pursuant to Section 3.02 hereof.

Section 7.03. No Remedy Exclusive. No remedy conferred herein or in any other Loan Document upon or reserved to the Trustee or the Servicer is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Loan Agreement or now or hereafter existing at law or in equity or by statute. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Trustee or the Servicer to exercise any remedy reserved to it herein or in any other Loan Document, it shall not be necessary to give any notice, other than such notice as may be herein expressly required.

Section 7.04. Agreement To Pay Fees and Expenses of Counsel. If an Event of Default shall occur under this Loan Agreement or under any of the other Loan Documents, and the Issuer, the Trustee, the Servicer should employ counsel or incur other expenses for the collection of the indebtedness or the enforcement of performance or observance of any obligation or agreement on the part of the Borrower herein or therein contained, the Borrower agrees that it will on demand therefor pay to any such party, or, if so directed by any such party, to its counsel, the reasonable actually incurred fees of such counsel and all other out-of-pocket expenses incurred by or on behalf of the Issuer, the Trustee, the Servicer.

Section 7.05. No Additional Waiver Implied by One Waiver; Consents to Waivers. In the event any agreement contained in this Loan Agreement should be breached by either party and thereafter waived by the other party, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other breach hereunder. No waiver shall be effective unless in writing and signed by the party making the waiver.

Section 7.06. Remedies Subject to Applicable Law. All rights, remedies, and powers provided by this Article may be exercised only to the extent that the exercise thereof does not violate any applicable provisions of law, and all the provisions of this Article are intended to be subject to all applicable mandatory provisions of law which may be controlling in the Land and to be limited to the extent necessary so that they will not render this Loan Agreement invalid, unenforceable, or not entitled to be recorded, registered, or filed under the provisions of any applicable law.

Section 7.07. Cure by Investor Limited Partner. The Issuer, the Trustee and the Servicer hereby agree that cure of any Event of Default made or tendered by the Investor Limited Partner shall be deemed to be a cure by the Borrower and shall be accepted or rejected on the same basis as if made or tendered by the Borrower.

Section 7.08. Issuer Exercise of Remedies. Notwithstanding anything to the contrary contained herein, the Issuer may enforce its Reserved Rights under the Loan Documents and exercise the permitted remedies with respect thereto against the Borrower, provided that the Issuer shall not commence or direct the Trustee to commence any action to declare the outstanding balance of the Bond or the Loan to be due and neither the Issuer nor the Trustee shall take any action in respect of Reserved Rights (a) to foreclose to take similar action under the Mortgage or otherwise in respect of any liens upon or security interests in the Project or other property pledged to secure the Borrower's obligations under the Loan Documents, (b) to appoint a receiver, (c) to enforce any similar remedy against the Project or other property pledged to secure the Borrower's obligations under the Loan Documents, or (d) to enforce any other remedy which would cause any liens or security interests granted under the Loan Documents to be discharged or materially impaired thereby.

ARTICLE VIII

MISCELLANEOUS

Section 8.01. General Provisions; No Recourse; Bond a Limited Obligation; Reliance by Issuer; No Services by Issuer. The following provisions shall be applicable at all times throughout the term of this Loan Agreement:

(a) The Issuer, the Trustee and the Servicer shall, at all times, be free to establish independently to their respective satisfaction and in their respective absolute discretion the existence or nonexistence of any fact or facts the existence of which is a condition of this Loan Agreement or any other Loan Document.

(b) The Bond and the obligations and undertakings of the Issuer hereunder do not constitute an obligation, either general or special and does not constitute a pledge of the general credit or taxing power of the Issuer or the State or any political subdivision thereof, but is payable solely from the Project revenues and property pledged therefor in the Indenture and not from any other revenues, funds or assets of the Issuer, and neither the Issuer, the State of California nor any such political subdivision thereof shall be liable thereon. Recourse on the Bond and on the instruments and documents executed and delivered by or on behalf of the Issuer in connection with the transactions contemplated hereby may be had only against certain moneys due and to become due under the Loan Documents (and not against any moneys due or to become due to the Issuer pursuant to the Reserved Rights). No member, officer, agent, employee or attorney of the City of Los Angeles, including any person executing this Loan Agreement or the Bond, shall be liable personally on this Loan Agreement or the Bond or for any reason relating to the issuance of the Bond. No recourse shall be had for the payment of the principal of or the interest on the Bond, or for any claim based on the Bond, or otherwise in respect of the Bond, or based on or in respect of this Loan Agreement, the Indenture or any supplement

thereto, against any officer, board member, employee or agent, past, present or future, of the City of Los Angeles, as such, or any successor, whether by virtue of any constitution, statute or rule of law, or by the enforcement of any assessment or penalty or otherwise, all such liability being, by the acceptance of the Bond and as part of the consideration for the issue of the Bond, expressly waived and released.

(c) No recourse shall be had for the payment of the principal of or interest on the Bond, or for any claim based thereon or on this Loan Agreement or any other Loan Document, any Issuer Document or any instrument or document executed and delivered by or on behalf of the Issuer in connection with the transactions contemplated hereby, against the Issuer or any officer, board member, employee or agent, past, present or future, of the Issuer or any successor body, under any constitutional provision, statute or rule of law, or by the enforcement of any assessment or penalty or by any legal or equitable proceeding or otherwise and all such liability of the Issuer or any such officer, board member, employee or agent, past, present or future as such is hereby expressly waived and released as a condition of and consideration for the adoption of the resolution authorizing the execution of the Issuer Documents and issuance of the Bond and the delivery of other documents in connection herewith. No officer, board member, employee or agent, past, present or future, of the Issuer or any successor body shall be personally liable on the Issuer Documents, the Bond or any other documents in connection herewith, nor shall the issuance of the Bond be considered as misfeasance or malfeasance in office. The Bond and the undertakings of the Issuer under the Issuer Documents do not constitute a pledge of the general credit or taxing power of the Issuer, the State, or any political subdivision thereof, do not evidence and shall never constitute a debt of the State or any political subdivision thereof and shall never constitute nor give rise to a pecuniary liability of the State or any political subdivision thereof.

(d) Anything in the Indenture to the contrary notwithstanding, it is expressly understood by the parties to this Loan Agreement that (a) the Issuer may rely exclusively on the truth and accuracy of any certificate, opinion, notice or other instrument furnished to the Issuer by the Trustee, the Borrower or the Owner as to the existence of any fact or state of affairs, (b) the Issuer shall not be under any obligation under the Indenture or this Loan Agreement to perform any record keeping or to provide any legal services, it being understood that such services shall be performed or caused to be performed by the Trustee, or the Owner, and (c) none of the provisions of the Indenture, this Loan Agreement, the Regulatory Agreement or any Loan Document shall require the Issuer to expend or risk its own funds or otherwise to incur financial liability in the performance of any of its duties or in the exercise of any of its rights or powers under the Indenture, this Loan Agreement, the Regulatory Agreement and any Loan Document unless it shall first have been adequately indemnified to its satisfaction against any costs, expenses and liability which it may incur as a result of taking such action. It is recognized that notwithstanding any other provision of this Loan Agreement, neither the Borrower nor any Owner shall look to the Issuer or the members of its City Council, officers, program participants, attorneys, accountants, financial advisors, agents or staff for damages suffered by the Borrower or such bondholder as a result of the failure of the Issuer to perform any covenant, undertaking or obligation under this Loan Agreement, the Bond, the Regulatory Agreement, any of the Loan Documents or any of the other documents referred to herein, or as a result of the

incorrectness of any representation made by the Issuer in any of such documents, nor for any other reason except for representations made by the Issuer in any certificate of the Issuer and the opinion of counsel to the Issuer delivered on the Closing Date.

Section 8.02. Authorized Borrower Representative. Pursuant to written direction provided on the Closing Date, the Borrower has appointed one or more Authorized Representatives for the purpose of taking all actions and making all certificates required to be taken and made by an Authorized Representative under the provisions of the Loan Documents. Whenever under the provisions of any Loan Document the approval of the Borrower is required or any party is required to take some action at the request of the Borrower, such approval or such request shall be made by an Authorized Representative, unless otherwise specified in this Loan Agreement, and the Issuer, the Trustee and the Servicer shall be authorized to act on any such approval or request and the Borrower shall have no complaint against any such party as a result of any such action taken in conformity with such approval or request by the Authorized Representative.

Section 8.03. Binding Effect. This Loan Agreement shall inure to the benefit of and shall be binding upon the Issuer, the Trustee and the Borrower and their respective successors and permitted assigns. The Borrower acknowledges and agrees that the Issuer has assigned or is assigning its rights, except for the Reserved Rights, under this Loan Agreement to the Trustee, and that, pursuant to the Indenture, Trustee will follow directions from the Servicer in implementing certain of the rights and remedies under this Loan Agreement. The Owner of the Bond and the Servicer shall be express third party beneficiaries of this Loan Agreement, and shall have the right to enforce directly against the Borrower or other persons the rights and implement the rights and remedies provided to each of them hereunder, but not including the Reserved Rights; provided, however, that the rights of the Owner to bring actions and implement rights and remedies hereunder shall be subject to the same restrictions as are imposed with respect to actions, rights and remedies of the Owner under the Indenture.

Section 8.04. Execution in Counterparts. This Loan Agreement may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument; provided, however, that for purposes of perfecting a lien or security interest in this Loan Agreement by the Trustee, whether under Article 9 of the Uniform Commercial Code of the State or otherwise, only the counterpart delivered to, and receipted by, the Trustee shall be deemed the original.

Section 8.05. Amendments, Changes and Modifications. Subsequent to the issuance of the Bond and prior to payment or provision for the payment of the Bond in full (including interest thereon) in accordance with the provisions of the Indenture and except as otherwise provided herein, the Loan Documents may not be amended, changed, modified, altered or terminated by the Issuer, the Trustee or the Borrower except in compliance with Article IX of the Indenture.

Section 8.06. Severability. In the event any provision of this Loan Agreement shall be held invalid or unenforceable by any court of competent jurisdiction, such holding shall not invalidate or render unenforceable any other provision hereof and such invalid or unenforceable provision shall be deemed no longer to be contained in this Loan Agreement.

Section 8.07. Notices. All notices, demands, requests, consents, approvals, certificates or other communications hereunder shall be effective if given in the manner required in Section 10.08 of the Indenture.

Section 8.08. Applicable Law. This Loan Agreement shall be governed exclusively by and construed in accordance with the laws of the State.

Section 8.09. Debtor Creditor Relationship. It is expressly understood and agreed that the relationship between the Issuer and the Borrower established by the transaction contemplated by this Loan Agreement and by all of the other Loan Documents is exclusively that of creditor or lender, on the part of the Issuer, and debtor or borrower, on the part of the Borrower and is in no way to be construed as a partnership or joint venture of any kind. It is further understood that all payments by the Borrower under the Loan Documents shall be exclusively on account of the said debtor/creditor relationship.

Section 8.10. Usury; Total Interest. This Loan Agreement is subject to the express condition, and it is agreed, that at no time shall payments hereunder, under the Note or under the other Loan Documents that are or are construed to be payments of interest on the unpaid principal amount of the Loan reflect interest that is borne at a rate in excess of the Maximum Rate. The Borrower shall not be obligated or required to pay, nor shall the Issuer be permitted to charge or collect, interest borne at a rate in excess of the Maximum Rate. If by the terms of this Loan Agreement or the other Loan Documents the Borrower is required to make such payments reflecting interest borne at a rate in excess of the Maximum Rate, such payments shall be deemed to be reduced immediately and automatically to reflect the Maximum Rate. Any such excess payment previously made shall be immediately and automatically applied to the unpaid balance of the principal sum of the Loan and not to the payment of interest thereon. This Loan Agreement is also subject to the condition that amounts paid hereunder representing late payment or penalty charges or the like shall only be payable to the extent permitted by law.

Section 8.11. Term of This Loan Agreement. This Loan Agreement shall be in full force and effect from its date to and including such date as the Bond issued under the Indenture shall have been fully paid or retired in accordance with their terms and the terms of the Indenture (or provision for such payment shall have been made as provided in the Indenture), except, however, that the covenants and provisions relating to the Reserved Rights of the Issuer and the covenants relating to the preservation of exclusion from gross income of interest on the Tax-Exempt Bond for purposes of federal income taxation shall survive the termination hereof.

Section 8.12. [Reserved].

Section 8.14. Nondiscrimination and Affirmative Action. The Borrower shall comply with the applicable nondiscrimination and affirmative action provisions of the laws of the

United States of America, the State of California, and the City of Los Angeles. The Borrower shall not discriminate in its employment practices against any employee or applicant for employment, deny family and medical care leave; deny pregnancy disability leave or make reasonable accommodations against any employee or applicant for employment because of such person's race, ancestry, color, citizenship, national origin, religion, sex, sexual orientation, gender identity/expression, transgender status, age, marital status, familial status, domestic partner status, physical handicap, mental disability, medical condition, political affiliation or belief. The Borrower shall also comply with all rules, regulations, and policies of the City of Los Angeles's Board of Public Works, Office of Contract Compliance relating to nondiscrimination and affirmative action, including the filing of all forms required by the City of Los Angeles. Any subcontract entered into by the Borrower relating to this Loan Agreement, to the extent allowed hereunder, shall be subject to the provisions of this section. No person shall on the grounds of race, ancestry, color, citizenship, national origin, religion, sex, sexual orientation, gender identity/expression, transgender status, age, marital status, familial status, domestic partner status, physical handicap, mental disability, medical condition, political affiliation or belief be excluded from participation in, be denied the benefit of, or be subjected to discrimination under this Loan Agreement. The Borrower and any contractor and subcontractor will not discriminate against persons with disabilities or against persons due to their relationship to or association with a person with a disability. Any contract and subcontract entered into by the Borrower, relating to this Loan Agreement and the Project, to the extent allowed hereunder, shall be subject to the provisions of this Section.

Section 8.16. Business Tax Registration Certificate. Subject to any exemption available to it, the Borrower represents that it has obtained or will obtain the Business Tax Registration Certificate(s) required by the City of Los Angeles' Business Tax Ordinance (Article 1, Chapter 2, Section 21.00 and following, of the Los Angeles Municipal Code). For the

term covered by this Loan Agreement, the Borrower shall maintain, or obtain as necessary, any such Business Tax Registration Certificate(s) required of it under said Ordinance and shall not allow any such Business Tax Registration Certificate(s) to be revoked or suspended.

Section 8.17. Child Support Assignment Orders. This Loan Agreement is subject to Section 10.10 of the Los Angeles Administrative Code, Child Support Assignment Orders Ordinance. Pursuant to this Ordinance, the Borrower certifies that (a) it will fully comply with all State and Federal employment reporting requirements applicable to Child Support Assignment Orders; (b) the principal owner(s) of the Borrower are in compliance with any Wage and Earnings Assignment Orders and Notices of Assignment applicable to them personally; (c) it will fully comply with all lawfully served Wage and Earnings Assignment Orders and Notices of Assignment in accordance with California Family Code Section 5230 et seq.; and (d) it will maintain such compliance throughout the term of the Regulatory Agreement. Any subcontract entered into by the Borrower relating to this Loan Agreement, to the extent allowed hereunder, shall be subject to the provisions of this paragraph and shall incorporate the provisions of the Child Support Assignment Orders Ordinance. Failure of the Borrower to obtain compliance of its subcontractors shall constitute a default by the Borrower under the terms of this Loan Agreement, subjecting the Borrower to the remedies provided herein where such failure shall continue for more than 90 days after notice of such failure to the Borrower by Issuer.

The Borrower shall comply with the Child Support Compliance Act of 1998 of the State of California Employment Development Department. Section 8.18. Limitation on Issuer's Liability. No covenant, agreement or obligation contained herein shall be deemed to be a covenant, agreement or obligation of any present or future director, officer, employee, attorney or agent of Issuer in his or her individual capacity, and neither any employee, attorney or officer of the Issuer nor any officer thereof executing the Bond shall be liable personally on the Bond or be subject to any personal liability or accountability by reason of the issuance thereof. SCHEDULE OF INSURANCE REQUIREMENTS

1. **General Requirements.** In order to close, the following insurance specifications must be met and approved in writing by the Bank's insurance consultant. Copies of policies together with an original ACORD 28 (Evidence of Property Insurance) and an ACORD 25 (Certificate of Insurance) or an approved equivalent listing all coverage will be accepted for pre-closing contingent on complete "true and certified" copies of the policies with all endorsements attached being received within 90 days after closing. Each certificate must correctly identify the property by address and the insured by borrowing entity name.

Policy premiums cannot be financed or paid in installments to an insurance carrier, but must be paid in full as evidenced by a paid receipt presented prior to or at pre-closing. All policies and renewals thereof are to be written for not less than one year. An escrow account, as described further in the loan application, will be established to pay the premium at renewal.

All of the liability policies must be written and provide for claims to be paid on an "Occurrence" basis.

Each policy must have a cancellation provision that provides that the carrier will notify Mortgagee, its successors and/or assigns, in writing at least 30 days in advance of any policy reduction or cancellation for any reason except for non-payment of premium (for which not less than 10 days' written notice shall be provided).

The insurer under each policy shall be a domestic primary insurance company duly qualified as such under the laws of the states in which the Property is located and duly authorized, admitted and licensed in such states to transact the applicable insurance business and to write the insurance provided and must have and maintain a rating of AA or higher by Standard & Poor's or A.M. Best rating of A-IX or higher for any Mortgage Loan \$20,000,000 or above. For any Mortgage Loan below \$20,000,000, the insurance carrier must have and maintain a rating of "A" or higher by Standard & Poor's and/or an A.M. Best rating of A-VI or higher.

The insurance policies may be part of a blanket policy provided the insured acknowledges that failure to pay any portion of the premium which is not allocable to the mortgaged property or any other action not relating to the mortgaged property which would otherwise permit the issuer to cancel the coverage, would require the mortgaged property to be insured by a separate, single-property policy. The blanket policy must properly identify and fully protect the mortgaged property as if a separate policy were issued for 100% of Replacement Cost (insurable value) at the time of loss, allocate a portion of the premium to the mortgaged property, and otherwise meet all applicable insurance requirements of the Bank.

During the life of the loan, should any condition change or occur which affects the levels of risk anticipated, the Borrower will be required to obtain appropriate coverage to mitigate the associated risk.

If any required type of coverage is not available for the mortgaged property, Mortgagee shall have no obligation to close the loan.

2. **Mortgagee Clause.** All policies must include EXACTLY the following standard, non-contributory, mortgagee clause:

U.S. Bank National Association
633 W. Fifth Street 24th Floor
Los Angeles, CA 90071

Mortgagee must be named as a first *Mortgagee* with respect to buildings, *Loss Payee* with respect to loss of rents/business interruption, and *Additional Insured* with respect to general liability.

3. **Waiver of Subrogation.** Not Required.

4. **Required Insurance Coverage.** The Borrower is required to maintain the following policies of insurance during the term of the Loan:

- ***All Risk or Special Causes of Loss Form Property Insurance.*** Property insurance must be maintained insuring against loss or damage by fire, lightning, wind and such other perils as are included in a standard “all-risk” or “special causes of loss” form, and against loss or damage by all other risks and hazards covered by a standard property insurance policy including, without limitation, riot and civil commotion, vandalism, malicious mischief, burglary and theft. Such insurance shall be in an amount equal to the then full replacement cost of the Improvements, Equipment and personal property, without deduction for physical depreciation, no co-insurance is permitted, and maximum acceptable deductible is \$25,000. If the property is “non-conforming” with respect to zoning requirements, the Borrower will be required to maintain “demolition” insurance (in an amount equal to 10% of the building value) and “increased cost of construction” insurance (in an amount equal to 25% of the building value). The burden to prove conforming use is the Borrower’s.
- ***Terrorism Insurance.*** For Loans in excess of \$10 million and if the insurance required under the subparagraph immediately above excludes terrorism, terrorism insurance must be maintained, unless at the time of determination: (a) it is not available at commercially reasonable rates; (b) no affiliates of the Borrower have purchased terrorism insurance with respect to another property; (c) terrorism insurance is not commonly maintained by owners of other similar properties; and (d) it is not required for securitized loans similar to the Loan and secured by property similar to the Property in the commercial mortgage-backed securities market.
- ***Flood Insurance.*** If any portion of the Improvements are located in an area identified by the Federal Emergency Management Agency as an area having special flood hazards (i.e. Zone A and V) and in which flood insurance is made available under the National Flood Insurance Program, then flood insurance must be maintained at least equal to the lesser of (a) the full replacement cost, together with business interruption coverage, or

- (b) the maximum limit of coverage available for the Property under the National Flood Insurance Act of 1968, The Flood Disaster Protection Act of 1973 and the National Flood Insurance Reform Act of 1994, as each may be amended, or \$250,000 per residential building and \$500,000 per commercial building.
- ***Earthquake Insurance.*** If a seismic study is required by this Program Summary and such study reveals a 50-year/10% PML of not more than 20% of the replacement cost (as determined by the Bank), earthquake insurance will not be required. If the PML study reveals that a 50-year/10% PML of greater than 20% of the replacement cost, then earthquake insurance must be maintained in an amount equal to the replacement cost with a maximum deductible of 10% replacement cost.
 - ***Boiler and Machinery Insurance.*** If the Property contains HVAC equipment, or there are boilers or other pressure-fired vessels that are required to be regulated by the state in which the property is located, then Broad Form Boiler and Machinery Insurance (without exclusion for explosion and including “system breakdown coverage”) must be maintained on the Property and Improvements in an amount at least equal to or greater than the repair and full replacement cost of such equipment and insurance against loss of occupancy or use arising from any breakdown of such equipment in such amounts as are generally required by institutional lenders for properties comparable to the Property.
 - ***Business Interruption/Loss of Rental Income Insurance.*** Business Interruption and/or loss of rental income insurance must be maintained in an amount sufficient to provide proceeds that will cover the “actual loss” sustained during the restoration. No co-insurance is permitted. The “actual loss” coverage amount may be capped based on projected gross revenues (less non-recurring expenses) for a 12-month period. The policy can provide an “Extended Period of Indemnity” endorsement for at least an additional 90 days for loans of \$20 million or more. The perils covered by this insurance shall be the same as those required to be covered on the real property including flood, terrorism and earthquake, as necessary.
 - ***Builders Risk Insurance.*** The Borrower is required to maintain, at all times during which structural construction repairs or alterations are being made with respect to the improvements (a) owner’s contingent or protective liability insurance covering claims not covered by or under the terms or provisions of the above mentioned commercial general liability insurance policy; and (b) the insurance provided for in Paragraph 1 hereof written in a so-called builder’s risk completed value form (i) on a non-reporting basis, (ii) against all risks insured against pursuant to said Paragraph 1 hereof, (iii) including permission to occupy the Property, and (iv) with an agreed amount endorsement waiving co-insurance provisions.
 - ***Commercial General Liability Insurance.*** The Borrower must maintain Commercial General Liability Insurance on an “occurrence” form including broad form property damage, contractual damages and personal injuries (including death resulting therefrom) and a liquor liability endorsement if the Borrower sells liquor on the Property. In addition, excess and/or umbrella liability insurance must be maintained

against all claims typically covered by an umbrella liability policy including all legal liability imposed upon the Borrower and all court costs and attorneys' fees connected with the ownership, operation, and maintenance of the Property and Equipment, including products/completed operations, if applicable. The per-occurrence limits, including umbrella liability insurance, if applicable, must be maintained in the minimum amounts as outlined below:

\$1,000,000 total coverage for 1- to 3-story buildings
\$5,000,000 total coverage for 4- to 10-story buildings
\$10,000,000 total coverage for 11- to 20-story buildings
\$25,000,000 total coverage for buildings with greater than 20 stories

If the Borrower has a multi-location policy or loan, the aggregates referred to above must be maintained on a per location basis.

- ***Wind Insurance.*** If the All Risk or Special Cause of Loss coverage excludes wind, the Borrower must present evidence of separate wind coverage. Maximum acceptable deductible for this peril is 5% of total insured value.
- ***Sinkhole and Mine Subsidence Insurance.*** Sinkhole and mine subsidence insurance must be maintained if, in the opinion of a professional engineer, whose resume shows evidence of his/her experience in this professional area, that there is a foreseeable risk of loss due to this hazard. If necessary, as determined by the engineer, the Borrower shall maintain coverage in the full principal amount of the Loan.
- ***Statutory Workers' Compensation Insurance.*** If the Borrower has employees on site, statutory workers' compensation insurance as required by law and including employer's liability must be maintained in an amount that is at least customary for employers insuring similar risks.
- ***Hired and Non-Owned Auto Insurance.*** If the Borrower has employees on site, Hired and Non-Owned Auto Insurance must be maintained in an amount equal to \$1 Million combined single limit.
- ***Employee Dishonesty.*** If the Borrower has employees on site, in an amount not less than three months of gross revenue from the property and with a deductible not greater than \$25,000. This coverage is required only on Cooperative Corporations.
- ***Other Insurance Coverage.*** Such other insurance with respect to the Property or on any replacements or substitutions or additions or increased coverage limits as may from time to time be required by the holder of the Loan against other insurable hazards or casualties which at the time are commonly insured against in the case of property similarly situated, including, without limitation, sinkhole, mold, mine subsidence, earthquake and environmental insurance, due regard being given the height and typed of buildings, their construction, location, use and occupancy.

WHEREAS, in order for interest on the Bond to be excluded from gross income for federal income tax purposes under the Internal Revenue Code of 1986, as amended (the “Code”), and the below-defined Regulations and rulings with respect to the Code, and in order to comply with the Law, the Act and the policies with respect to the Issuer’s housing program, the use and operation of the Project must be restricted in certain respects; and

This Regulatory Agreement and all the terms and provisions hereof shall be construed to effectuate the purposes set forth herein and to sustain the validity hereof.

The defined terms used in the preamble and recitals of this Regulatory Agreement have been included for convenience of reference only, and the meaning, construction and interpretation of all defined terms shall be determined by reference to this Section I, notwithstanding any contrary definition in the preamble or recitals hereof. The titles and headings of the sections of this Regulatory Agreement have been inserted for convenience of reference only, and are not to be considered a part hereof and shall not in any way modify or restrict any of the terms or provisions hereof or be considered or given any effect in construing this Regulatory Agreement or any provisions hereof or in ascertaining intent, if any question of intent shall arise.

In the event of any conflict between this Regulatory Agreement and the CDLAC Conditions, the most restrictive requirement shall govern.

Section 2. Acquisition, Construction and Equipping of the Project. The Borrower hereby represents as of the date hereof, covenants and agrees with the Issuer and the Trustee as follows:

(a) The Borrower has incurred, or will incur within six months after the Closing Date, a substantial binding obligation to commence the acquisition of a leasehold interest, construction and equipping of the Project, pursuant to which the Borrower is or will be obligated to expend at least 5% of the proceeds of the Loan financed from proceeds of the Bond.

(b) The Borrower's reasonable expectations respecting the total cost of the acquisition, construction and equipping of the Project are accurately set forth in the Borrower Cost Certificate (the "Borrower Cost Certificate") submitted to the Issuer on the Closing Date.

(c) The Borrower has acquired the Project Site, through a leasehold estate and will, within six months following the Bond Closing Date, commence the construction of the Project and will proceed with due diligence to complete the same. Notwithstanding anything herein to the contrary, no Project Costs relating to the acquisition of the Project or any assets relating thereto (including, without limitation, rights and interests with respect to development of the Project) shall constitute "Qualified Project Costs" unless, at the time Bond proceeds are expended to pay such costs, the Borrower and the seller of such assets are not "related parties" as such term is defined in Section 1.150-1(b) of the Regulations. The Borrower reasonably expects to complete the acquisition, construction and equipping of the Project and to expend the full amount of the proceeds of the Loan for Project Costs prior to the date which is 30 months after the Closing Date.

(d) The Borrower agrees that the full amount of each disbursement of Bond proceeds pursuant to the Indenture and the Loan Agreement will be applied to pay or to reimburse the Borrower for the payment of Project Costs as set forth in the Borrower Cost Certificate and that, after taking into account each such disbursement, (i) the aggregate disbursements of Bond proceeds will have been applied to pay or to reimburse the Borrower for the payment of Qualified Project Costs in an aggregate amount equal to 97% or more of the aggregate disbursements of the Loan; provided, however, that if the Borrower provides the Trustee with an opinion of Bond Counsel to the effect that the Tax-exempt status of interest on the Bond will not be adversely affected if less than the aforesaid percentage, but not less than 95%, is disbursed for such purpose, then the certificate may refer to such lesser percentage as may be specified by Bond Counsel; and (ii) less than 25% of the proceeds of the Bond expended relative to the Project Site will be disbursed to pay or to reimburse the Borrower for the cost of acquiring land or rights with respect to land relative to the Project Site (exclusive of the cost of acquiring improvements on such land).

(e) [Reserved].

(f) No proceeds of the Bond will be used to pay or reimburse any cost (i) incurred more than 60 days prior to the Inducement Date, or (ii) incurred more than three years prior to such payment or reimbursement. Any allocation of Bond proceeds to the reimbursement of previously incurred costs shall be made not later than 18 months after the later of (i) the date the original expenditure was paid or (ii) the date the Project is placed in service or abandoned. The acquisition, construction and equipping of the

Project by the Borrower commenced less than 60 days prior to the Inducement Date, and as of 60 days prior to the Inducement Date (A) neither the Borrower nor any “related person” (as such phrase is used in Section 147(a)(2) of the Code) has made any expenditure in connection with the acquisition, construction or equipping of the Project, (B) no on-site work has been commenced by the Borrower or any related person in connection with the construction of the Project, and (C) no off-site fabrication of any portion of the Project has been commenced by the Borrower or any related person. The Project consists, and shall at all times consist, of property which is land or is subject to the allowance for depreciation provided in Section 167 of the Code.

(g) The Borrower (and any Affiliated Party) will not take or omit to take, as is applicable, any action if such action or omission would in any way cause the proceeds from the Loan to be applied in a manner contrary to the requirements of this Regulatory Agreement, nor will it take or omit to take any such action if the Borrower (or any Affiliated Party) knows that such action or omission may cause the proceeds from the sale of the Bond to be applied in a manner contrary to the Indenture, the Loan Agreement, the Law, the Act or the Code.

(h) The Borrower shall, on the Completion Date, evidence the Completion Date by providing a Construction Completion Certificate to CDLAC, the Trustee and the Issuer, signed by the Authorized Borrower Representative. Notwithstanding the foregoing, such certificate may state that it is given without prejudice to any rights of the Borrower against third parties for the payment of any amount not then due and payable which exist at the date of such certificate or which may subsequently exist.

(i) The Construction Completion Certificate shall be delivered to the Trustee no later than the date 30 months from the Closing Date unless the Borrower delivers to the Trustee a certificate of the Issuer consenting to an extension of such date, accompanied by an opinion of Bond Counsel to the effect that such extension will not result in interest on the Bond being included in gross income for federal income tax purposes. The Borrower agrees to spend additional moneys for payment of any costs of the Project sufficient to reduce the portion of Bond proceeds (A) spent on land by the Borrower relative to the Project Site to an amount that is less than 25% of the amount of Bond proceeds spent by the Borrower relative to the Project Site for all purposes and (B) spent on costs of the Project paid or incurred by or on account of the Borrower or any related person (as such term is used in Section 147(a)(2) of the Code) on or after the date 60 days prior to the Inducement Date and chargeable to the capital account of the Project (or so chargeable either with a proper election by the Borrower to deduct such amounts, within the meaning of Treasury Regulation Section 1.103-8(a)(1)) so that the amount of Bond proceeds expended on such Qualified Project Costs is at least 97% of the amount of Bond proceeds spent for all purposes related to the Project, except that, upon receipt by the Borrower, the Trustee and the Issuer of an approving opinion of Bond Counsel, the percentage of such amounts so used may be 95%.

(j) No Bond proceeds shall be expended to acquire any structures other than buildings within the meaning of Section 147(d) of the Code.

Section 3. Residential Rental Property. The Borrower hereby acknowledges and agrees that the Project is to be owned, managed and operated as a “qualified residential rental project” (within the meaning of Section 142(d) of the Code) for a term equal to the Qualified Project Period. To that end, and for the Qualified Project Period, the Borrower hereby represents, covenants, warrants and agrees as follows:

(a) The Project Facilities will be developed for the purpose of providing multifamily residential rental property, and the Borrower will own, manage and operate the Project Facilities as a project to provide multifamily residential rental property comprising a building or structure or several interrelated buildings or structures, together with any functionally related and subordinate facilities, and no other facilities in accordance with Section 142(d) of the Code and Section 1.103-8(b) of the Regulations, the Law and the Act, and in accordance with such requirements as may be imposed thereby on the Project from time to time. For purposes of this Subsection 3(a), the term “functionally related and subordinate facilities” includes facilities for use by the tenants (for example, swimming pools, other recreational facilities and parking areas) and other facilities which are reasonably required for the Project, for example, heating and cooling equipment, trash disposal equipment and units for resident managers and maintenance personnel. Substantially all of the Project will contain such units and functionally related and subordinate facilities.

(b) All of the dwelling units in the Project will be similarly constructed units, and each Low Income Unit in the Project will contain complete separate and distinct facilities for living, sleeping, eating, cooking and sanitation for a single person or a family, including a sleeping area, bathing and sanitation facilities and cooking facilities equipped with a cooking range and oven, a sink and a refrigerator. Each of the Accessible Housing Units (as defined in Exhibit I hereto) shall also comply with the requirements of Exhibit I. Notwithstanding the foregoing, a unit shall not fail to be treated as a residential unit merely because such unit is a single room occupancy unit within the meaning of Section 42(i)(3)(B)(iv) of the Code even though such housing may provide eating, cooking and sanitation facilities on a shared basis.

(c) None of the dwelling units in the Project will at any time be utilized on a transient basis or will ever be used as a hotel, motel, dormitory, fraternity house, sorority house, rooming house, nursing home, hospital, sanitarium, rest home or trailer court or park. Notwithstanding the foregoing, single-room occupancy units provided under Section 42(i)(3)(B)(iv) of the Code shall not be considered to be utilized on a transient basis.

(d) No part of the Project will at any time be owned by a cooperative housing corporation, nor shall the Borrower take any steps in connection with a conversion to such ownership or uses. Other than filing a condominium map and a final subdivision map on the Project and obtaining a Final Subdivision Public Report from the California Department of Real Estate, the Borrower shall not take any steps in connection with a conversion of the Project to condominium ownership during the Qualified Project Period.

(e) All of the dwelling units (which shall not include any manager units) in the Project will be available for rental on a continuous basis to members of the general public, and the Borrower will not give preference to any particular class or group in renting the dwelling units in the Project, except to the extent of the following: (1) any dwelling units that are required to be leased or rented to Low Income Tenants, (2) to the extent not otherwise inconsistent with the requirements of this Section 3(e), the requirements of any regulatory agreement executed between the Borrower and HUD or between the Borrower and a subordinate lender (including the Issuer), (3) the requirements of any Section 8 Housing Assistance Payments Contract with respect to the Project, (4) any preference the Borrower gives to a class of persons permitted to be given preference pursuant to the Code, State law and other applicable federal law, (5) Accessible Housing Units shall be made available to persons with disabilities as provided in Exhibit I and (6) the requirements of the Ground Lease.

(f) The Project Site consists of a parcel or parcels that are contiguous except for the interposition of a road, street or stream, and all of the Project Facilities comprise a single geographically and functionally integrated project for residential rental property, as evidenced by the ownership, management, accounting and operation of the Project.

(g) No dwelling unit in the Project shall be occupied by the Borrower; provided, however, that if the Project contains five or more dwelling units, this subsection shall not be construed to prohibit occupancy of not more than one dwelling unit by one or more resident managers or maintenance personnel any of whom may be the Borrower.

(h) The Project shall be maintained in conformity with the habitability and fire codes of the City of Los Angeles.

(i) The Project shall be managed in a manner consistent with prudent property management standards and in compliance with all state and local laws, ordinances and regulations relating thereto.

(j) Should involuntary noncompliance with the provisions of Regulations Section 1.103-8(b) be caused by fire, seizure, requisition, foreclosure, transfer of title by deed in lieu of foreclosure, change in a federal law or an action of a federal agency after the Closing Date which prevents the Issuer from enforcing the requirements of the Regulations, or condemnation or similar event, the Borrower covenants that, within a "reasonable period" determined in accordance with the Regulations, and subject to the provisions of the Indenture and the Loan Agreement, it will either prepay the Loan or apply any proceeds received as a result of any of the preceding events to reconstruct the Project to meet the requirements of Section 142(d) of the Code and the Regulations.

Section 4. Low Income Tenants; Records and Reports. Pursuant to the requirements of the Code and the Issuer, the Borrower hereby represents, warrants and covenants as follows:

(a) The Project will be developed for the purpose of providing multifamily residential rental property, and the Borrower will own, manage and operate the Project as

a project to provide multifamily residential rental property comprising a building or structure or several interrelated buildings or structures, together with any functionally related and subordinate facilities, and no other facilities in accordance with the Law and the Act, and in accordance with such requirements as may be imposed thereby on the Project from time to time. Within 30 days after the date on which 50% of the dwelling units in the Project are occupied by tenants providing an Income Certification, the Borrower shall execute and deliver to the Issuer (with a copy to the Los Angeles Housing and Community Investment Department, Occupancy Monitoring Section, 1200 West 7th Street, 8th Floor, Los Angeles, CA 90017), and a copy to CDLAC and the Trustee a Certificate of Qualified Project Period.

(b) Commencing on the first day of the Qualified Project Period, Low Income Tenants shall occupy at least 40% of all completed and occupied units in the Project (excluding units occupied by property managers) before any additional units are occupied by persons who are not Low Income Tenants; and for the Qualified Project Period no less than 40% of the total number of completed units of the Project (excluding units occupied by property managers) shall at all times be rented to and occupied by Low Income Tenants. For the purposes of this subsection (b), a vacant unit which was most recently occupied by a Low Income Tenant is treated as rented and occupied by a Low Income Tenant until reoccupied, other than for a temporary period of not more than 31 days, at which time the character of such unit shall be redetermined. In determining whether the requirements of this subsection (b) have been met, fractions of units shall be treated as entire units.

(c) No tenant qualifying as a Low Income Tenant shall be denied continued occupancy of a unit in the Project because, after admission, such tenant's Adjusted Income increases to exceed the qualifying limit for Low Income Tenants; provided, however, that should a Low Income Tenant's Adjusted Income, as of the most recent determination thereof, exceed 140% of the then applicable income limit for a Low Income Tenant of the same family size, the next available unit of comparable or smaller size must be rented to (or held vacant and available for immediate occupancy by) a Low Income Tenant; and provided further that, until such next available unit is rented to a tenant who is not a Low Income Tenant, the former Low Income Tenant who has ceased to qualify as such shall be deemed to continue to be a Low Income Tenant for purposes of the 40% requirement of subsection (b) of this Section 4 (if applicable). If the Project consists of more than one building, this requirement shall apply on a building-by-building basis.

(d) The Borrower will obtain, complete and maintain on file Income Certifications from each Low Income Tenant, including (i) an Income Certification dated no later than the day prior to the initial occupancy of such Low Income Tenant in the Project and (ii) thereafter, annual Income Certifications dated as of the anniversary date of each initial Income Certification. The Borrower will obtain such additional information as may be required in the future by the State of California, by the Issuer and by Section 142(d) of the Code, as the same may be amended from time to time, or in such other form and manner as may be required by applicable rules, rulings, policies, procedures, Regulations or other official statements now or hereafter promulgated,

proposed or made by the Department of the Treasury or the Internal Revenue Service with respect to obligations which are Tax-exempt under Section 142(d) of the Code. A copy of the most recent Income Certification for Low Income Tenants commencing or continuing occupation of a Low Income Unit (and not previously filed with the Issuer) shall be attached to the Certificate of Continuing Program Compliance which is to be filed with the Issuer no later than the fifteenth day of each month until such report indicates compliance with Section 4(b) and thereafter on the fifteenth day of each [June] and [December] until the end of the Qualified Project Period. The Borrower shall make a good-faith effort to verify that the income information provided by an applicant in an Income Certification is accurate by obtaining the acceptable forms of verification enumerated in Chapter 3 of the most current, amended edition of HUD Handbook 4350.3, or such instruction by HUD that may supersede this handbook, and any additional documentation that the Issuer shall deem relevant, such as the two most recent years' tax returns or other forms of independent verification satisfactory to the Issuer.

(e) The Borrower will use its best efforts to maintain complete and accurate records pertaining to the Low Income Units, and will with reasonable notice permit any duly authorized representative of the Issuer, the Trustee, the Department of the Treasury or the Internal Revenue Service to inspect the books and records of the Borrower pertaining to the Project during regular business hours, including those records pertaining to the occupancy of the Low Income Units.

(f) The Borrower will prepare and submit to the Issuer and the Trustee, no later than the fifteenth day of each month following the receipt by the Trustee of the Construction Completion Certificate to and including the month in which such report indicates that 40% of the occupied units (excluding units occupied by property managers) are occupied by Low Income Tenants, and thereafter no later than the fifteenth day of each June and December, until the end of the Qualified Project Period, a Certificate of Continuing Program Compliance executed by the Borrower stating (i) the percentage of the dwelling units of the Project which were occupied or deemed occupied, pursuant to subsection (b) of this Section 4, by Low Income Tenants during such period; (ii) that either (A) no unremedied default has occurred under this Regulatory Agreement, or (B) a default has occurred, in which event the certificate shall describe the nature of the default in detail and set forth the measures being taken by the Borrower to remedy such default; and (iii) that, to the knowledge of the Borrower, no Determination of Taxability has occurred, or if a Determination of Taxability has occurred, setting forth all material facts relating thereto.

(g) On or before each February 15 during the Qualified Project Period, the Borrower will submit to the Issuer a draft of the completed Internal Revenue Service Form 8703 or such other annual certification required by the Code to be submitted to the Secretary of the Treasury as to whether the Project continues to meet the requirements of Section 142(d) of the Code. On or before each March 31 during the Qualified Project Period the Borrower will submit such completed form to the Secretary of the Treasury, regardless of whether or not the Issuer has responded to such draft.

(h) Subject to the requirements of any Section 8 Housing Assistance Payments Contract with respect to the Project, each lease or rental agreement pertaining to a Low Income Unit shall contain a provision to the effect that the Borrower has relied on the Income Certification and supporting information supplied by the Low Income Tenant in determining qualification for occupancy of the Low Income Unit and that any material misstatement in such certification (whether or not intentional) will be cause for immediate termination of such lease or rental agreement. Each such lease or rental agreement shall also provide that the tenant's income is subject to annual certification in accordance with Section 4(c) hereof and to recertification if the number of occupants in the units changes for any reason (other than the birth of a child to an occupant of such unit) and that if upon any such certification such tenant's Adjusted Income exceeds 140% of the then applicable income limit for a Low Income Tenant of the same family size, such tenant may cease to qualify as a Low Income Tenant, and such tenant's rent is subject to increase. Notwithstanding anything in this Section 4(h) to the contrary, such tenant's rent may be increased only pursuant to Section 7(l) hereof.

(i) Pursuant to the CDLAC Conditions attached hereto and for the entire term of the Regulatory Agreement, the Project shall consist of 76 qualified rental units plus 1 manager unit of which at least 76 qualified residential units shall be rented or held vacant for rental for persons or families whose income is at or below 50% of the area median income, of which units will be distributed as shown in the chart below:

Unit Type	Units at or below 50% AMI	Unrestricted (Manager Unit)	Total Number of Units
One-Bdr		0	
Two-Bdr		1	
Three-Bdr		0	
Total	76	1	77

Section 5. Tax-exempt Status of the Bond. The Borrower and the Issuer make the following representations, warranties and agreements for the benefit of the holder of the Bond from time to time:

(a) The Borrower and the Issuer will not knowingly take or permit actions within their control, or omit to take or cause to be taken, as is appropriate, any action that would adversely affect the Tax-exempt nature of the interest on the Bond and, if either should take or permit, or omit to take or cause to be taken, any such action, it will take all lawful actions necessary to rescind or correct such actions or omissions promptly upon obtaining knowledge thereof, provided that the Borrower shall not have violated these covenants if the interest on the Bond becomes taxable to a person solely because such person is a "substantial user" of the Project or a "related person" within the meaning of Section 147(a) of the Code.

(b) The Borrower and the Issuer will take such action or actions as may be necessary, in the written opinion of Bond Counsel filed with the Issuer and the Trustee,

with a copy to the Borrower, to comply fully with all applicable rules, rulings, policies, procedures, Regulations or other official statements promulgated, proposed or made by the Department of the Treasury or the Internal Revenue Service pertaining to obligations the interest on which is Tax-exempt under Section 142(d) of the Code.

(c) The Borrower and the Issuer will file or record such documents and take such other steps as are necessary, in the written opinion of Bond Counsel filed with the Issuer and the Trustee, with a copy to the Borrower, in order to insure that the requirements and restrictions of this Regulatory Agreement will be binding upon all owners of the Project, including, but not limited to, the execution and recordation of this Regulatory Agreement in the real property records of the County of Los Angeles.

(d) The Borrower will not knowingly enter into any agreements which would result in the payment of principal or interest on the Bond being “federally guaranteed” within the meaning of Section 149(b) of the Code.

(e) Subject to Section 14 hereof, the Borrower hereby covenants to include the requirements and restrictions contained in this Regulatory Agreement in any documents transferring any interest in the Project prior to the expiration of the Qualified Project Period to another person to the end that such transferee has notice of, and is bound by, such restrictions, and to obtain the agreement from any transferee to abide by all requirements and restrictions of this Regulatory Agreement; provided, however, that so long as any former Borrower has no remaining interest in the Project, such former Borrower shall have no obligation to monitor such transferee’s compliance with such restrictions, and such former Borrower shall incur liability if such transferee fails to comply with such restrictions only in proportion to its then remaining interest.

(f) The Borrower and any related party (as defined in Section 1.150-1(b) of the Regulations) thereto shall not acquire the Bond in an amount related to the amount of the Loan.

Section 6. Additional Requirements of the Act. In addition to the requirements set forth in Sections 2 through 5, and without limiting any additional requirements in Section 7, during the Qualified Project Period, the Borrower and the Issuer hereby agree to comply with each of the requirements of the Act, and, without limiting the foregoing, the Borrower hereby specifically agrees to comply with each of the requirements set forth in this Section 6, as follows:

(a) As provided in Section 52097.5 of the Act, not less than 40% of the total number of units in the Project (excluding units occupied by property managers) shall be reserved for occupancy by tenants whose adjusted gross income does not exceed 60% of the median gross income for the Area, adjusted for family size, as determined pursuant to Section 8 of the Housing Act.

(b) The rents paid by the tenant for the units reserved pursuant to paragraph (a) of this Section (excluding any supplemental rental assistance from the State, the federal government, or any other public agency to those occupants or on behalf of those units) shall not exceed the amount derived by multiplying 30% times 60% of the

median gross income for the Area, adjusted for family size, as determined pursuant to Section 8 of the Housing Act.

(c) During the Qualified Project Period the Borrower shall file Certificates of Continuing Program Compliance in the form and at the time required by Sections 4(d) and (f) hereof that shall contain sufficient information to allow the Issuer to file any annual report required by the Act or pursuant to California Government Code Section 8855.5 and the Borrower shall provide to the California Debt and Investment Advisory Commission the annual report information required by California Government Code Section 8855(k)(1) until the later of the date the Bond is no longer outstanding or the proceeds of the Bond have been fully spent.

(d) No portion of the Bond shall be used to finance the acquisition, construction, equipping, rehabilitation, refinancing or development of commercial property for lease.

(e) The Borrower shall not apply selection criteria to certificate holders under Section 8 of the Housing Act that are more burdensome than the criteria applied to all other prospective tenants.

(f) Following the expiration or termination of the Qualified Project Period with respect to the Project, except in the event of foreclosure and redemption of the Bond, deed in lieu of foreclosure, eminent domain or action of a federal agency preventing enforcement, units required to be reserved for occupancy pursuant hereto shall remain available to any eligible household occupying a reserved unit at the date of expiration or termination, at a rent not greater than the amount set forth in (b) above, until the earliest of any of the following occur:

(i) The household's income exceeds 140% of the maximum eligible income specified herein;

(ii) The household voluntarily moves or is evicted for "good cause." "Good cause" for the purposes of this Section, means the nonpayment of rent or allegation of facts necessary to prove major, or repeated minor, violations of material provisions of the occupancy agreement which detrimentally affect the health and safety of other persons or the structure, the fiscal integrity of the Project, or the purposes or special programs of the Project;

(iii) Thirty (30) years after the date of the commencement of the Qualified Project Period relative to the Project; and

(iv) The Borrower pays the relocation assistance and benefits to tenants as provided in subdivision (b) of Section 7264 of the California Government Code.

(g) During the three years prior to expiration of the Qualified Project Period, the Borrower shall continue to make available to Low Income Tenants reserved units that

have been vacated to the same extent that nonreserved units are made available to tenants other than Low Income Tenants.

Notwithstanding Section 1461 of the California Civil Code, the provisions hereof shall run with the land and may be enforced either in law or in equity by any resident, local agency, entity or any other person adversely affected by the Borrower's failure to comply with this Regulatory Agreement.

Section 7. Additional Requirements of the Issuer. In addition to, and not in derogation of, the requirements set forth in the preceding and following sections of this Regulatory Agreement, each of which is hereby incorporated in this Section as a specific requirement of the Issuer, whether or not required by California or federal law, the Borrower represents, warrants, covenants and agrees as follows:

(a) The Borrower shall promptly provide to the Issuer such information with respect to the Project or the Bond as the Issuer shall from time to time request. The Borrower shall provide written notice to the Issuer of receipt of a certificate of occupancy or other official authorization to occupy the Project immediately upon receipt.

(b) The Low Income Units shall be of comparable quality to all other units in the Project, shall be dispersed throughout the Project, and shall offer a range of size and number of bedrooms comparable to those units which are available to other tenants; and Low Income Tenants shall have access to and enjoyment of all common areas and facilities of the Project on the same basis as tenants of other units.

(c) The Borrower agrees that it will not discriminate in the rental of units or in its employment practices against any employee or applicant for employment because of the applicant's race, religion, national origin, ancestry, sex, age, sexual orientation, gender identity/expression, transgender status, disability (except to give priority to persons with disabilities for the occupancy of Accessible Housing Units), marital status, domestic partner status or medical condition. All contracts entered into by the Borrower which relate to the Project shall contain a like provision. The Borrower shall comply with the provisions of Sections 10.8.2 and 10.8.4 of the Administrative Code of the Issuer, the provisions of which are hereby incorporated by reference.

(d) [Reserved].

(e) For the Qualified Project Period, the Borrower will comply with the provisions of the Unruh Civil Rights Act, including, without limitation, Sections 51.2 and, as applicable, 51.3 of the California Civil Code, as amended, and Sections 45.50 et seq. of the Los Angeles Municipal Code, as amended.

(f) The lease to be utilized by the Borrower in renting any residential units in the Project to Low Income Tenants shall provide for termination of the lease and consent by such person to immediate eviction, subject to applicable provisions of California law, for any tenant who fails to qualify as a Low Income Tenant and who has made a material misrepresentation on the Income Certification as to such tenant's qualification as a Low Income Tenant. All such leases shall contain clauses, among others, wherein each

individual lessee (i) certifies the accuracy of the statements made in the Income Certification and (ii) agrees that the family income, family composition and other eligibility requirements shall be deemed substantial and material obligations of the lessee's tenancy; that the lessee will comply promptly with all requests for information with respect thereto from the Borrower or the Issuer; and that the lessee's failure to provide accurate information in the Income Certification or refusal to comply with a request for information with respect thereto shall be deemed a violation of a substantial obligation of the lessee's tenancy and shall be a default thereunder. Additionally, such lease shall contain provisions informing any tenant of the possibility of rental payment increases in accordance with the terms of this Regulatory Agreement.

(g) All Income Certifications will be maintained on file at the Project or, with the prior written consent of the Issuer, at the principal place of business of the Borrower or the property manager of the Project, so long as this Regulatory Agreement is in effect and for five years thereafter with respect to each Low Income Tenant who occupied a residential unit in the Project during the Qualified Project Period.

(h) The Borrower will accept as tenants, on the same basis as all other prospective tenants, persons who are recipients of federal certificates for rent subsidies pursuant to the existing program under Section 8 of the Housing Act. The Borrower shall not apply selection criteria to Section 8 certificate or voucher holders that are more burdensome than criteria applied to all other prospective tenants.

(i) The Borrower shall submit to the Issuer (i) at the times specified in Sections 4(d) and (f) herein, a Certificate of Continuing Program Compliance, which shall include the information called for therein, including occupancy records for all units in the Project, and (ii) within 15 days after receipt of a written request, any other information or completed forms requested by the Issuer, in each case, in order to comply with reporting requirements of the Internal Revenue Service or the State of California, including, without limitation, information necessary for the Issuer to file any periodic report, or any other information concerning the Project as the Issuer may reasonably request.

(j) All workers performing construction work for the Project employed by the Borrower or by any contractor or subcontractor shall be compensated in an amount no less than the greater of (i) the general prevailing rate of per diem wages ("Prevailing Wages") as determined pursuant to Labor Code Sections 1770-1781 and implementing regulations of the Department of Industrial Relations, (ii) the general prevailing rate of per diem wages as determined by the U.S. Labor Department pursuant to the Davis-Bacon Act under 40 U.S.C.S. 3141-3148 and implementing regulations ("Davis-Bacon Wages"), if applicable; and (iii) the "Living Wage" as determined by the policies and procedures of the City of Los Angeles. The Borrower shall comply with all reporting and recordkeeping requirements of the Issuer's prevailing wage policy. The Borrower shall, and shall cause the contractors and subcontractors to, submit data and documents related to Prevailing Wages or Davis-Bacon Wages, if applicable, using the LCP Tracker or comparable HCIDLA-approved program. The fee for the LCP Tracker, or comparable HCIDLA-approved program, will be in the amount equal to Three One-Hundredths

Percent (0.03%) of the total construction cost, which fee shall be paid in full to the Issuer within 30 days of execution of this Agreement.

(k) The Issuer may, at its option and at its expense, at any time appoint an administrator to administer this Regulatory Agreement and to monitor performance by the Borrower of the terms, provisions and requirements hereof. Following any such appointment, the Borrower shall comply with any request by the Issuer to deliver to such administrator, in addition to or instead of the Issuer, any reports, notices or other documents required to be delivered pursuant hereto, and upon reasonable notice to the Borrower to make the Project and the books and records with respect thereto available for inspection during regular business hours by such administrator as an agent of the Issuer.

(l) If upon the annual certification or recertification required in Section 4(d) a tenant's Adjusted Income exceeds 140% of the then applicable income limit for a Low Income Tenant of the same family size, all rental limits herein previously applicable to the unit occupied for such tenant shall continue to apply until the next available unit is rented to a tenant who is a Low Income Tenant.

(m) The Borrower shall give written notice to all Low Income Tenants at the Project, the City, the Housing Authority of the City of Los Angeles ("HACLA") and the California Department of Housing and Community Development ("HCD") as follows (see also California Government Code Sections 65863.10 and 65863.11):

(i) Upon initial move-in/lease execution, the Borrower shall give written notice to all tenants of Low Income Units, of the duration of the rent restrictions under this Regulatory Agreement. The Borrower must maintain, in its files, a copy of each notice containing each tenant's signed acknowledgement of the notice required hereunder. The notice shall, at the least, contain language that the rent restrictions under this Regulatory Agreement shall be in effect for a term equal to the later of the expiration of: (A) the Qualified Project Period; or (B) the CDLAC Conditions. Upon termination of the rent restriction period under this Regulatory Agreement, rents may be set at market rates unless otherwise restricted by some other legal, regulatory, or contractual requirement.

(ii) Thirty-six months prior to the termination of the rent restriction period under this Regulatory Agreement, the Borrower must give written notice to its tenants of the termination of the restrictions on the Low Income Units before their rents may be raised to market rent levels. The Borrower must also provide a copy of the notice sent to all tenants, pursuant to California Government Code Section 65863.10, to the Mayor of the City, HACLA, HCD, and the Los Angeles Housing and Community Investment Department. In addition, the Borrower, within 36 months of a scheduled expiration of rental restrictions, shall also provide notice of the scheduled expiration of rent restrictions to any prospective tenant at the time he or she is interviewed for eligibility.

(iii) Twelve months prior to the termination of the rent restriction period under this Regulatory Agreement, the Borrower must give written notice to its tenants of the termination of the restrictions on the Low Income Units before their rents may be raised to market rent levels. The Borrower must also provide a copy of the notice sent to all tenants, pursuant to California Government Code Section 65863.10, to the Mayor of the City of Los Angeles, HACLA, HCD and the Los Angeles Housing and Community Investment Department. Borrower must also provide any tenant association at the Project, the Mayor of the City of Los Angeles, HACLA, and HCD with a notice of the opportunity to purchase the Property in accordance with the provisions of California Government Code Section 65863.11.

(iv) Six months prior to the termination of the rent restriction period under this Regulatory Agreement, the Borrower must give written notice to its tenants of the termination of the restrictions on the Low Income Units before their rents may be raised to market rent levels. The Borrower must also provide a copy of the notice sent to all tenants, pursuant to California Government Code Section 65863.10, to the Mayor of the City of Los Angeles, HACLA, HCD and Community Development and the Los Angeles Housing and Community Investment Department.

(v) Ninety days prior to the termination of the rent restriction period under this Regulatory Agreement, the Borrower must again give written notice to its tenants of the termination of the restrictions on the Low Income Units before their rents may be raised to market rent levels. Borrower must also provide a copy of the notice sent to all tenants to the Mayor of the City of Los Angeles, HACLA, HCD and the Los Angeles Housing and Community Investment Department.

Unless the Borrower meets the requirements of California Government Code Section 65863.13, pursuant to California Government Code Section 65863.11, prior to or concurrently with the 12 month notice referenced above in (iii), the Borrower must provide notice of the opportunity to offer to purchase the assisted housing development to all qualified entities including those on the list maintained by the California Department of Housing and Community Development as well as to those qualified entities that contact the Borrower directly; in compliance with California Government Code Sections 65863.11(d) and 65863.11(g). The notice shall conform to the requirements of California Government Code Section 65863.11(h) and shall be sent to the entities by registered or certified mail, return receipt requested. The Borrower shall also post a copy of the notice in a conspicuous place in the common area of the Project.

(n) The Borrower shall, on the Closing Date, pay to the Issuer its initial fee and thereafter pay to the Issuer its ongoing fees with respect to the issuance of the Bond as follows. The Borrower shall pay the Issuer an initial fee immediately upon issuance of the Bond equal to \$[] (.25% of the aggregate maximum principal amount of the Bond and the Issuer's Multifamily Housing Revenue Bond (La Veranda Apartments) Taxable Series 2021K-2 (the "Taxable Bond") issuable under the Indenture,

(\$[41,943,967])). In addition, the Borrower shall, as compensation for the Issuer's monitoring of the provisions of this Regulatory Agreement, pay to the Issuer, semiannually in arrears, prorated for the initial payment, on the first day of each [June] and [December] commencing [December] 1, 2021: (i) for the period from the date of issuance of the Bond through the later of: (i) the end of the Qualified Project Period; or (ii) the termination of the CDLAC Conditions, prorated for the initial and any subsequent partial period, a semiannual amount equal to: (A) during the period from the Closing Date to the Conversion Date, the greater of \$1,250 or one-half of 0.125% of the maximum principal amount of the Bond issuable under the Indenture (\$[32,343,967]); and (B) from and after the Conversion Date, the greater of \$1,250 or one half of 0.125% of the principal amount of the Bond Outstanding under the Indenture immediately after the Conversion Date; or in either case, such lesser amount as shall be necessary in the opinion of Bond Counsel to preserve the exemption of interest on the Bond from gross income for federal income tax purposes. Throughout the term of this Agreement, the Trustee, or the Issuer, as applicable, shall provide an invoice to the Borrower at least 30 days prior to the due date of each such payment (and if applicable, a copy of which shall be provided to the Issuer) and shall collect such payments from the Borrower and immediately remit such funds to the Issuer. In the event of any payment of the Bond in whole, prior to the later of: (i) the end of the Qualified Project Period; or (ii) the termination of the CDLAC Conditions, the Borrower, at its election, shall either: (A) pay to the Issuer, on or before such payment, an amount equal to the present value of the remaining Issuer fees payable hereunder, as calculated by the Issuer, using a discount rate equal to the yield on the date of prepayment on the United States treasury security maturing on the date nearest the later of: (1) the end of the Qualified Project Period or (2) the termination of the CDLAC Conditions, or such lesser amount as shall be necessary in the opinion of Bond Counsel to preserve the exemption of interest on the Bond from gross income for federal income tax purposes; or (B) enter into a trustee agreement with a corporate trustee acceptable to the Issuer requiring the trustee appointed thereunder to bill and collect from the Borrower and to pay to the Issuer on an annual basis, in arrears on or before each [June] 1, the annual fee described above. The Borrower shall bear the cost of such trustee through the term of this Regulatory Agreement. The Borrower shall not be required to pay the fee described in the preceding sentences if the Bond is prepaid in whole under circumstances which permit termination of this Regulatory Agreement pursuant to Section 14 hereof.

(o) The Borrower shall pay to the Issuer a processing fee equal to: (A) prior to the Conversion Date, the greater of \$5,000 or 0.125% of the maximum principal amount of the Bond and the Taxable Bond issuable under the Indenture; and (B) following the Conversion Date, the greater of \$5,000 or 0.125% of the principal amount of the Bond Outstanding under the Indenture immediately after the Conversion Date, plus any expenses incurred by the City, including, without limitation, Bond Counsel, Issuer attorney and financial advisor fees, as a condition to the consideration and receipt of any consent, approval, amendment, transfer or waiver requested of the Issuer with respect to the Project, the Project Site or the Bond. The Issuer shall provide an invoice directly to the Borrower for such amounts.

(p) The Borrower shall pay the Issuer its then-current fees in connection with any consent, approval, transfer, amendment or waiver requested of the Issuer, together with any expenses incurred by the Issuer in connection therewith.

(q) The Trustee shall report to the Issuer in writing semiannually, within 10 days of each June 30 and December 31, the principal amount of the Bond outstanding as of such June 30 or December 31, as appropriate.

(r) [Reserved].

(s) The Borrower shall include the Issuer as an additional insured on all liability insurance policies relating to the Borrower or the Project.

(t) The Borrower shall not rent any Low Income Unit to: (i) any individual who (A) holds an ownership interest in the Borrower, any general partner or member (or owner of such general partner or member) of the Borrower, (B) is an officer, board member, employee or agent of, or consultant to, the Borrower or any general partner or member thereof or owner of such general partner or member or (C) is a developer of the Project (collectively, an “Owner/Developer”); (ii) any Immediate Family Member of an Owner/Developer (“Immediate Family Members” consists of: (A) spouses, (B) children, (C) parents and grandparents, (D) siblings, (E) in-laws, including brother/sister in-law and mother/father in-law and son/daughter in law or (F) significant other or domestic partner); or (iii) any elected official or his or her spouse/partner, who participated in the deliberative process, vote or consideration of legislative action regarding the issuance of the Bond or other loan in support of the Project.

The Borrower shall include a certification in each tenant application that the applicant is not an Owner/Developer, an elected official who participated in the issuance of the Bond or an Immediate Family Member thereof. The Borrower recognizes and agrees that the penalty for violation of the above covenant shall be a fine of \$5,000 per violation/ per unit.

(u) Neither the Borrower nor any general partner thereof shall issue any publicity release or other communication to any print, broadcast or online media, post any sign or in any other way identify the Issuer as the source of the financing provided for the Project, without the prior written approval of the Issuer (provided that nothing herein shall prevent the Borrower or any general partner thereof from identifying the Issuer as the source of such financing to the extent that the Borrower or any general partner thereof is required to do so by disclosure requirements applicable to publicly held companies).

(v) The Borrower shall comply with all applicable requirements of the Ground Lease and shall provide prompt written notice to the City and the Trustee of any default thereunder.

Any of the foregoing requirements of the Issuer may be expressly waived by the Issuer in writing in the Issuer’s sole discretion, but (i) no waiver by the Issuer of any requirement of this Section 7 shall, or shall be deemed to, extend to or affect any other provision of this Regulatory

Agreement, including particularly but without limitation the provisions of Sections 2 through 6 hereof, except to the extent the Issuer has received an opinion of Bond Counsel that any such provision is not required by the Act or the Law and may be waived without adversely affecting the exclusion from gross income of interest on the Bond for federal income tax purposes; and (ii) any requirement of this Section 7 shall be void and of no force and effect if the Issuer and the Borrower receive a written opinion of Bond Counsel to the effect that compliance with any such requirement would cause interest on the Bond to become includable in gross income for federal income tax purposes, if such opinion is accompanied by a copy of a ruling from the Internal Revenue Service to the same effect, or to the effect that compliance with such requirement would be in conflict with the Act or the Law.

Section 8. Modification of Covenants. The Borrower, the Trustee and the Issuer hereby agree as follows:

(a) To the extent any amendments to the Law, the Act, the Regulations or the Code shall, in the written opinion of Bond Counsel filed with the Issuer, the Trustee and the Borrower, (with a copy to the Owner) impose requirements upon the ownership or operation of the Project more restrictive than those imposed by this Regulatory Agreement in order to maintain the Tax-exempt status of interest on the Bond, this Regulatory Agreement shall be deemed to be automatically amended, without the consent or approval of any other person, to impose such additional or more restrictive requirements. The parties hereto hereby agree to execute such amendment hereto as shall be necessary to document such automatic amendment hereof.

(b) To the extent that the Law, the Act, the Regulations or the Code, or any amendments thereto, shall, in the written opinion of Bond Counsel filed with the Issuer, the Trustee and the Borrower (with a copy to the Owner), impose requirements upon the ownership or operation of the Project less restrictive than imposed by this Regulatory Agreement, this Regulatory Agreement may be amended or modified to provide such less restrictive requirements but only by written amendment signed by the Issuer, the Trustee and the Borrower and approved by the written opinion of Bond Counsel to the effect that such amendment is permitted by the Law and the Act and will not affect the Tax-exempt status of interest on the Bond. The Issuer shall be under no obligation to agree to any such amendment, it being understood that each of the requirements of this Regulatory Agreement is a specific requirement of the Issuer, whether or not required by California or federal law.

(c) The Borrower, the Issuer and, if applicable, the Trustee shall execute, deliver and, if applicable, file or record any and all documents and instruments necessary to effectuate the intent of this Section 8, and the Issuer hereby appoints the Trustee as its true and lawful attorney-in-fact to execute, deliver and, if applicable, file or record on behalf of the Issuer, as is applicable, any such document or instrument (in such form as may be approved in writing by Bond Counsel) if the Issuer defaults in the performance of its obligations under this subsection (c); provided, however, that unless directed in writing by the Issuer, the Trustee shall take no action under this subsection (c) without first notifying the Issuer and without first providing the Issuer an opportunity to comply with the requirements of this Section 8. Nothing in this Section 8(c) shall be construed to

allow the Trustee to execute an amendment to this Regulatory Agreement on behalf of the Issuer.

Section 9. Indemnification. The Borrower shall defend, indemnify and hold harmless the Issuer and the Trustee and the respective officers, members, supervisors, directors, officials and employees, counsel, attorneys and agents, past present and future of each of them (collectively, the “Indemnified Parties”) against all loss, costs, damages, expenses, suits, judgments, actions and liabilities of whatever nature (including, without limitation, reasonable attorneys’ fees, litigation and court costs, amounts paid in settlement, and amounts paid to discharge judgments) directly or indirectly resulting from or arising out of or related to (a) the design, construction, installation, operation, use, occupancy, maintenance, financing or ownership of the Project (including compliance with laws, ordinances and rules and regulations of public authorities relating thereto), (b) any written statements or representations with respect to the Borrower, the Project or the Bond made or given to the Issuer or the Trustee, or any underwriters or purchaser of the Bond or any tenants or applicants for tenancy in the Project or any other person, by the Borrower, or any Authorized Borrower Representative, including, but not limited to, statements or representations of facts, financial information or limited partnership affairs, (c) the Bond or the Tax-exempt status of interest on the Bond (d) the failure or alleged failure of any person or entity (including the Borrower, its contractor or subcontractors) to pay the general prevailing rate of per diem wages as determined pursuant to Labor Code Sections 1770-1781 and implementing regulations of the Department of Industrial Relations in connection with the construction of the improvements or any other work undertaken or in connection with the Project or (e) any actual or alleged violation of any Hazardous Materials Law or with respect to the presence of Hazardous Materials on or under the Project or in any of improvements or on or under any property of the Borrower that is adjacent to the Project (whether before or after the date of this Agreement and whether or not the Borrower knew of the same); provided, however, that this provision shall not require the Borrower to indemnify the Indemnified Parties from any claims, costs, fees, expenses or liabilities arising from its active negligence or willful misconduct or, in the case of the Trustee, its negligence, fraud or willful misconduct. The Borrower also shall pay and discharge and shall indemnify and hold harmless the Issuer and the Trustee from (i) any lien or charge upon payments by the Borrower to the Issuer and the Trustee hereunder or under the Bond Documents and (ii) any taxes (including, without limitation, all ad valorem taxes and sales taxes), assessments, impositions and other charges in respect of any portion of the Project. If any such claim is asserted, or any such lien or charge upon payments, or any such taxes, assessments, impositions or other charges are sought to be imposed, the Issuer or the Trustee shall give prompt notice to the Borrower and the Borrower shall, as provided in the following paragraph, have the right to assume the defense thereof, with full power to litigate, compromise or settle the same in its sole discretion, provided that the Issuer and the Trustee shall have the right to review and approve or disapprove any such compromise or settlement. In addition thereto, the Borrower will pay upon demand all of the reasonable fees and expenses paid or incurred by the Trustee and/or the Issuer in enforcing the provisions hereof against the Borrower. The Borrower shall also pay the Issuer its standard fees and reimburse the Issuer for its expenses in connection with any consent, approval, amendment, waiver or other action taken at the request or for the benefit of the Borrower in connection with this Regulatory Agreement, the Bond, or any other document or agreement relating thereto. In the event of any audit or inquiry regarding the Bond or the Project from any governmental entity,

the Borrower shall, at the election of the Issuer, be responsible for responding to and resolving such audit or inquiry at the expense of the Borrower.

Promptly after receipt by any party entitled to indemnification under this Section 9 of notice of the commencement of any suit, action or proceeding, such Indemnified Party shall, if a claim in respect thereof is to be made against the indemnifying party under this Section 9, notify the indemnifying party in writing of the commencement thereof; but the omission so to notify the indemnifying party shall not relieve the indemnifying party from any liability which it may have to any Indemnified Party otherwise than under this Section 9 or from any liability under this Section 9 unless the failure to provide notice prejudices the defense of such suit, action or proceeding. In case any such action is brought against any Indemnified Party, and it notifies the indemnifying party, the indemnifying party shall be entitled to participate in, and to the extent that it may elect by written notice delivered to the Indemnified Party within five Business Days after receiving the aforesaid notice from such Indemnified Party (but shall not be required) to assume, the defense thereof, with counsel reasonably satisfactory to such Indemnified Party; provided, however, if the defendants in any such action include both the Indemnified Party and the indemnifying party and the Indemnified Party shall have reasonably concluded that there are legal defenses available to it and/or other Indemnified Parties which are different from or additional to those available to the indemnifying party, the Indemnified Party or Parties shall have the right to select separate counsel to assert such legal defenses and otherwise to participate in the defense of such action on behalf of such Indemnified Party or Parties. Upon the indemnifying party's receipt of notice from the Indemnified Party of such Indemnified Party's election so to assume the defense of such action and selection by the Indemnified Party of counsel, the indemnifying party shall not be liable to such Indemnified Party under this Section 9 for any attorneys' fees or expenses subsequently incurred by such Indemnified Party for the engagement of separate counsel in connection with defense thereof unless (i) the Indemnified Party shall have employed separate counsel in connection with the assertion of legal defenses in accordance with the proviso to the next preceding sentence, (ii) the indemnifying party shall not have employed counsel reasonably satisfactory to the Indemnified Party to represent the Indemnified Party or shall not have employed such counsel within a reasonable time after notice of commencement of the action or (iii) the indemnifying party has authorized the employment of separate counsel to represent the Indemnified Party at the expense of the indemnifying party. Notwithstanding the foregoing, the Trustee shall not be indemnified for income tax, franchise tax or similar tax liability relating to the Trustee's own income and operations.

Section 10. Consideration. The Issuer has issued the Bond to provide funds to finance the acquisition, construction and equipping of the Project, all for the purpose, among others, of inducing the Borrower to acquire, construct and equip the Project. In consideration of the issuance of the Bond by the Issuer, the Borrower has entered into this Regulatory Agreement and has agreed to restrict the uses to which this Project can be put on the terms and conditions set forth herein.

Section 11. Reliance. The Issuer and the Borrower hereby recognize and agree that the representations and covenants set forth herein may be relied upon by all persons interested in the legality and validity of the Bond and in the exemption from federal income taxation and California personal income taxation of the interest on the Bond. In performing their duties and obligations hereunder, the Issuer and the Trustee may rely upon statements and certificates of the

Low Income Tenants and upon audits of the books and records of the Borrower pertaining to the Project. In addition, the Issuer and the Trustee may consult with counsel, and the written opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by the Issuer or the Trustee hereunder in good faith and in conformity with such opinion. In determining whether any default or lack of compliance by the Borrower exists under this Regulatory Agreement, the Trustee may, but shall not be required to, conduct any investigation into or review of the operations or records of the Borrower and may rely solely on any written notice or certificate delivered to the Trustee by the Borrower or the Issuer with respect to the occurrence or absence of a default unless it knows that the notice or certificate is erroneous or misleading.

Section 12. Project in the City. The Borrower hereby represents and warrants that the Project will be located entirely within the City of Los Angeles.

Section 13. Sale or Transfer of the Project; Equity Interests. The Borrower hereby covenants and agrees not to voluntarily (which term shall not be interpreted to include a foreclosure of any security for the Loan, the granting by the Borrower of a deed-in-lieu of foreclosure, or any other comparable conversion of the Loan) sell, transfer or otherwise dispose of the Project, or any portion thereof (other than for individual tenant use as contemplated hereunder), equity interests in the Borrower aggregating more than 50% of the equity interest in the Borrower, or any general partner interests in the Borrower, without obtaining the prior written consent of the Issuer, which consent shall not be unreasonably withheld by the Issuer and shall be given by the Issuer if (a) the Borrower is not in default hereunder or under the Loan Agreement; (b) the purchaser or assignee is not in default under any obligations it may have to the Issuer and is not the subject of any legal or enforcement actions by the Issuer, and the purchaser or assignee certifies that the continued operation of the Project will comply with the provisions of this Regulatory Agreement; (c) evidence reasonably satisfactory to the Issuer is presented to establish that the purchaser or assignee is willing to comply and capable of complying with the terms and conditions of this Regulatory Agreement; (d) either (i) evidence satisfactory to the Issuer is presented to establish that the purchaser or assignee has at least three years' experience in the ownership, operation and management of rental housing projects, without any record of material violations of discrimination restrictions or other state or federal laws or regulations applicable to such projects or (ii) the purchaser or assignee agrees to retain a property management firm which the Issuer determines has the experience and record described in subclause (i) above, or (iii) the Issuer determines that it has no reason to believe that the purchaser or assignee is incapable, financially or otherwise, of complying with, or may be unwilling to comply with, the terms of all agreements binding on such purchaser or assignee and relating to the Project; (e) the Issuer and the Trustee shall have received (i) with respect to any transfer of the Project, reasonable evidence satisfactory to the Issuer that the Borrower's purchaser or transferee has assumed in writing and in full, the Borrower's duties and obligations under this Regulatory Agreement and the Loan Agreement, (ii) with respect to any transfer of the Project to a new Borrower, an opinion of counsel to the transferee that the transferee has duly assumed the obligations of the Borrower under this Regulatory Agreement and that such obligations and this Regulatory Agreement are binding on the transferee, (iii) unless waived by the Issuer, an opinion of Bond Counsel that such transfer will not adversely affect the Tax-exempt nature of the interest on the Bond, (iv) from the Borrower, a Certificate of Continuing Program Compliance (and a "bring-down" certificate, if necessary) current as of the

date of transfer and (v) evidence satisfactory to the Issuer that the purchaser or assignee does not have pending against it, nor does it have a history of, building or fire code violations as identified by the Issuer, the State of California or federal regulatory agencies; (f) the purchaser or assignee complies with the provisions of the Los Angeles Administrative Code Section 10.8.4 Affirmative Action Program Provisions; (g) the Borrower or transferee pays all costs of the transfer of title, including, but not limited to, the cost of meeting the conditions specified in this Section 13; and (h) such other conditions are met as the Issuer may reasonably impose to assure compliance by the Project with the requirements of this Regulatory Agreement. It is hereby expressly stipulated and agreed that, except for any such sale, transfer or disposition agreed to by the Issuer in a separate writing, any sale, transfer or other disposition of the Project in violation of this Section 13 shall be null, void and without effect, shall cause a reversion of title to the Borrower, and shall be ineffective to relieve the Borrower of its obligations under this Regulatory Agreement. Upon any sale or other transfer which complies with this Regulatory Agreement, the Borrower shall be fully released from its obligations hereunder, but only to the extent such obligations have been assumed by the transferee of the Project, without the necessity of further documentation. Any transfer of the Project to any entity, whether or not affiliated with the Borrower, shall be subject to the provisions of this Section 13.

Notwithstanding the foregoing, if the Trustee acquires title to the Project by foreclosure or deed in lieu of foreclosure, no consent of the Issuer shall be required to such transfer under this Regulatory Agreement and no other conditions shall be required to be satisfied. However, if the Trustee acquires title to the Project by foreclosure or deed in lieu of foreclosure and this Regulatory Agreement has not been terminated pursuant to Section 14 below, consent of the Issuer and delivery of items (a) through (h) above shall be required for any transfer of the Project subsequent to the Trustee's acquisition of the Project by foreclosure or deed in lieu of foreclosure.

Notwithstanding anything to the contrary contained herein, the respective interests of the Borrower's limited partners shall, with prior written notice to the Issuer, be transferable under this Regulatory Agreement to any affiliate of the limited partners of the Borrower, without the consent of the Issuer and/or Trustee but with prior written notice thereto.

The Borrower acknowledges and recognizes that in addition to the above requirements the consent of CDLAC, in the manner and to the extent as may at the time be required by CDLAC, among other parties, may be required in connection with any transfer of the Project.

Section 14. Term. This Regulatory Agreement and all and each of the provisions hereof shall become effective upon its execution and delivery, and shall remain in full force and effect for the periods provided herein and, except as otherwise provided in this Section 14 shall terminate in its entirety at the end of the Qualified Project Period (or such later date provided in Section 33 hereof pursuant to the CDLAC Resolution, which imposes restrictions for a term of at least 55 years), it being expressly agreed and understood that the provisions hereof are intended to survive the retirement of the Bond, discharge of the Loan and termination of the Indenture and the Loan Agreement.

Notwithstanding the foregoing, the provisions of Section 9 hereof shall, in the case of the Trustee, survive the term of this Regulatory Agreement or the replacement of the Trustee, but

only as to claims arising from events occurring during the term of this Regulatory Agreement or the Trustee's tenure as Trustee under the Indenture, and shall, in the case of the Issuer, survive the term of this Regulatory Agreement, but only as to claims arising from events occurring during the term of this Regulatory Agreement.

The terms of this Regulatory Agreement to the contrary notwithstanding, this Regulatory Agreement and all the requirements set forth herein (except Section 9 as aforesaid) shall terminate and be of no further force and effect in the event of (a) involuntary noncompliance with the provisions of this Regulatory Agreement caused by fire, seizure, requisition, change in a federal law or an action of a federal agency after the Closing Date which prevents the Issuer or the Trustee from enforcing the provisions hereof, or (b) condemnation, foreclosure, delivery of a deed in lieu of foreclosure or a similar event, but only if, within a reasonable period thereafter, either the portion of the Bond attributable to the affected portion of the Project is retired or amounts received as a consequence of such event are used to provide a project which meets the requirements of the Code set forth in Sections 2 through 6 of this Regulatory Agreement and provided that, in either case, an opinion of Bond Counsel (unless waived by the Issuer) is delivered to the Trustee to the effect that the exclusion from gross income for federal income tax purposes of interest on the Bond will not be adversely affected thereby. The provisions of the preceding sentence shall cease to apply and the requirements referred to therein shall be reinstated if, at any time during the Qualified Project Period after the termination of such requirements as a result of involuntary noncompliance due to foreclosure, transfer of title by deed in lieu of foreclosure or similar event, the Borrower or any "related party" (within the meaning of Section 1.150-1(b) of the Regulations) or "related person" (defined in Section 1.103-10(e) of the Regulations) obtains an ownership interest in the Project for tax purposes. The Borrower hereby agrees that, following any foreclosure, transfer of title by deed in lieu of foreclosure or similar event, neither the Borrower nor any related party as described above will obtain an ownership interest in the Project for tax purposes.

Upon the termination of this Regulatory Agreement, the parties hereto agree to execute, deliver and record appropriate instruments of release and discharge of the terms hereof; provided, however, that the execution and delivery of such instruments shall not be necessary or a prerequisite to the termination of this Regulatory Agreement in accordance with its terms.

Section 15. Covenants To Run With the Land. The Borrower hereby subjects its interest in the Project (including the Project Site) to the covenants, reservations and restrictions set forth in this Regulatory Agreement. The Issuer and the Borrower hereby declare their express intent that the covenants, reservations and restrictions set forth herein shall be deemed covenants running with the land and shall pass to and be binding upon the Borrower's successors in title to the Project; provided, however, that on the termination of this Regulatory Agreement said covenants, reservations and restrictions shall expire. The Issuer and, if necessary, the Trustee, agree to execute a quitclaim deed or other documents required to remove this Regulatory Agreement from title after the covenants, agreements and restrictions herein have expired. Each and every contract, deed or other instrument hereafter executed covering or conveying the Project or any portion thereof shall conclusively be held to have been executed, delivered and accepted subject to such covenants, reservations and restrictions, regardless of whether such covenants, reservations and restrictions are set forth in such contract, deed or other instruments.

No breach of any of the provisions of this Regulatory Agreement shall impair, defeat or render invalid the lien of any security instrument, deed of trust or like encumbrance made in good faith and for value encumbering the Project or any portion thereof.

Section 16. Burden and Benefit. The Issuer and the Borrower hereby declare their understanding and intent that the burden of the covenants set forth herein touch and concern the land in that the Borrower's interest in the Project is rendered less valuable thereby. The Issuer and the Borrower hereby further declare their understanding and intent that the benefit of such covenants touch and concern the land by enhancing and increasing the enjoyment and use of the Project by Low Income Tenants, the intended beneficiaries of such covenants, reservations and restrictions, and by furthering the public purposes for which the Bond was issued. Notwithstanding the foregoing or any other provision of this Regulatory Agreement, no person, other than the parties hereto, shall have any rights of enforcement of this Regulatory Agreement.

Section 17. Uniformity; Common Plan. The covenants, reservations and restrictions hereof shall apply uniformly to the entire Project in order to establish and carry out a common plan for the use, development and improvement of the Project Site.

Section 18. Default; Enforcement. If the Borrower defaults in the performance or observance of any covenant, agreement or obligation of the Borrower set forth in this Regulatory Agreement, and if such default remains uncured for a period of 60 days after notice thereof shall have been given by the Issuer to the Borrower, then the Issuer shall declare an "Event of Default" to have occurred hereunder; provided, however, that if the default stated in the notice is of such a nature that it cannot be corrected within 60 days, such default shall not constitute an Event of Default hereunder so long as (i) the Borrower institutes corrective action within said 60 days and diligently pursues such action until the default is corrected and (ii) in the opinion of Bond Counsel, the failure to cure said default within 60 days will not adversely affect the Tax-exempt status of interest on the Bond. The Trustee hereby consents to any correction of the default by the Issuer on behalf of the Borrower. The Issuer hereby consents to any correction of a default on the part of the Borrower hereunder made by the Investor Limited Partner on behalf of the Borrower within the time periods provided in this Section. Copies of any notices sent to the Borrower hereunder shall simultaneously be sent to the Investor Limited Partner at the address set forth in Section 23.

Following the declaration of an Event of Default hereunder, the Trustee, as directed by the Issuer and subject to the provisions of the Indenture relative to the Trustee's duty to exercise remedies generally, or the Issuer may, at its option, take any one or more of the following steps:

(a) by mandamus or other suit, action or proceeding at law or in equity, including injunctive relief, require the Borrower to perform its obligations and covenants hereunder or enjoin any acts or things which may be unlawful or in violation of the rights of the Issuer or the Trustee hereunder;

(b) have access to and inspect, examine and make copies of all or any portion of the books and records of the Borrower pertaining to the Project; and

(c) take such other action at law or in equity as may appear necessary or desirable to enforce the obligations, covenants and agreements of the Borrower hereunder.

During the Qualified Project Period, the Borrower hereby grants to the Issuer the option, upon either (a) the expiration of 60 days after the giving of the notice to the Borrower referred to in the first paragraph of this Section 18 of the Borrower's default under this Regulatory Agreement or (b) the vacancy of a Low Income Unit for more than six months and the submission by the Issuer to the Borrower during such six-month or longer period of at least five proposed tenants which meet the qualifications of Low Income Tenants and the qualifications of a reasonable landlord, to lease up to 40% of the units in the Project for a rental of \$1.00 per unit per year for the sole purpose of subleasing such units to Low Income Tenants for a period of not less than six months, but only to the extent necessary to comply with the provisions of Sections 2 through 7 of this Regulatory Agreement and to insure full occupancy of the Low Income Units. The option granted in the preceding sentence shall be effective only if the Borrower or the Trustee has not instituted corrective action before the end of such 60-day period referenced in (a) above, or the Borrower has not rented the unit during the six-month or longer period referenced in (b) above, to a qualified Low Income Tenant. The option and any leases to the Issuer under this provision shall terminate with respect to each default upon the achievement, by the Borrower, the Trustee or the Issuer, of compliance with the requirements of Sections 2 through 7 hereof, and any subleases entered into pursuant to the Issuer's option shall be deemed to be leases from the Borrower. The Issuer shall make diligent effort, but shall not be required, to rent Low Income Units to Low Income Tenants at the highest rents practicable, subject to the limits of Sections 5, 6 and 7 hereof. Any rental paid under any such sublease shall be paid to the Borrower after the Issuer has been reimbursed for any reasonable expenses incurred in connection with such sublease, provided that, if the Borrower is in default under the Loan Agreement, such rental shall be paid to the Trustee for credit against payments due under the Loan Agreement. The Trustee shall have the right, as directed by the Issuer, in accordance with this Section 18 and the provisions of the Indenture, to exercise any or all of the rights or remedies of the Issuer hereunder, provided that prior to taking any such action the Trustee shall give the Issuer written notice of its intended action. All reasonable fees, costs and expenses of the Issuer and the Trustee incurred in taking any action pursuant to this Section 18 shall be the sole responsibility of the Borrower.

After the Indenture has been discharged, the Issuer may act on its own behalf to declare an "Event of Default" to have occurred and to take any one or more of the steps specified hereinabove to the same extent and with the same effect as if taken by the Trustee.

The obligations of the Borrower hereunder are not secured by a lien on the Project and the Loan shall not be accelerated as a result of any default hereunder. The Borrower hereby agrees that specific enforcement of the Borrower's agreements contained herein is the only means by which the Issuer may obtain the benefits of such agreements made by the Borrower herein and the Borrower therefore agrees to the imposition of the remedy of specific performance against it in the case of any default by the Borrower hereunder.

The occurrence of a Determination of Taxability shall not, in and of itself, constitute a default hereunder.

Section 19. The Trustee. The Trustee shall act as specifically provided herein and in the Indenture. The Trustee is entering into this Regulatory Agreement solely in its capacity as trustee under the Indenture, and the duties, powers, rights and liabilities of the Trustee in acting hereunder shall be subject to the provisions of the Indenture.

The Issuer shall be responsible for the monitoring and verifying of compliance by the Borrower with the terms of this Regulatory Agreement. The Trustee may at all times assume compliance with this Regulatory Agreement unless otherwise notified in writing by the Issuer, or unless it has actual knowledge of noncompliance.

After the date on which no principal of the Bond remains outstanding as provided in the Indenture, the Trustee shall no longer have any duties or responsibilities under this Regulatory Agreement and all references to the Trustee in this Regulatory Agreement shall be deemed references to the Issuer.

Section 20. Recording and Filing. The Borrower shall cause this Regulatory Agreement, and all amendments and supplements hereto and thereto, to be recorded and filed in the real property records of the County of Los Angeles and in such other places as the Issuer or the Trustee may reasonably request. The Borrower shall pay all fees and charges incurred in connection with any such recording. This Regulatory Agreement shall be recorded in the grantor-grantee index to the name of the Borrower as grantor and the Issuer as grantee.

Section 21. Governing Law. This Regulatory Agreement shall be governed by the laws of the State of California. The Trustee's rights, duties and obligations hereunder are governed in their entirety by the terms and provisions of the Indenture.

Section 22. Amendments. Except as provided in Section 33(e), this Regulatory Agreement shall be amended only by a written instrument executed by the parties hereto or their successors in title, and duly recorded in the real property records of the County of Los Angeles, California, and only upon receipt by the Issuer of an opinion from Bond Counsel that such amendment will not adversely affect the Tax-exempt status of interest on the Bond and is not contrary to the provisions of the Law or the Act and with the written consent of the Trustee.

The Issuer, the Trustee and the Borrower hereby agree to amend this Regulatory Agreement to the extent required, in the opinion of Bond Counsel (subject to the approval of the City Attorney of the Issuer), in order that interest on the Bond remains Tax-exempt. The party or parties requesting such amendment shall notify the other parties to this Regulatory Agreement of the proposed amendment, with a copy of such requested amendment to Bond Counsel and the City Attorney of the Issuer and a request that such Bond Counsel render to the Issuer an opinion as to the effect of such proposed amendment upon the Tax-exempt status of interest on the Bond.

Section 25. Multiple Counterparts. This Regulatory Agreement may be simultaneously executed in multiple counterparts, all of which shall constitute one and the same instrument, and each of which shall be deemed to be an original.

Section 26. Nondiscrimination and Affirmative Action. The Trustee and the Borrower shall comply with the applicable nondiscrimination and affirmative action provisions of the laws of the United States of America, the State of California, and the City of Los Angeles. The Trustee and the Borrower shall not discriminate in their employment practices against any employee or applicant for employment denial of family and medical care leave; denial of pregnancy disability leave or reasonable accommodations against any employee or applicant for employment because of such person's race, ancestry, color, citizenship, national origin, religion, sex, sexual orientation, gender identity/expression, transgender status, age, marital status, familial status, domestic partner status, physical handicap, mental disability, medical condition, political affiliation or belief. The Trustee and the Borrower shall comply with Executive Order 11246, entitled "Equal Employment Opportunity", as amended by Executive Order 11375, and as supplemented in Department of Labor regulations (41 C.F.R. Part 60). The Trustee and the Borrower shall comply with the provisions of the Los Angeles Administrative Code Sections 10.8 through 10.13, to the extent applicable hereto. The affirmative action program of the Trustee and the Borrower shall include the mandatory contract provisions set forth in the Los Angeles Administrative Code Section 10.8.4, and said provisions are incorporated herein by this reference. The Borrower and Trustee shall also comply with all rules, regulations, and policies of the City of Los Angeles' Board of Public Works, Office of Contract Compliance relating to nondiscrimination and affirmative action, including the filing of all forms required by the Issuer. Any subcontract entered into by the Borrower or Trustee relating to this Regulatory Agreement, to the extent allowed hereunder, shall be subject to the provisions of this Section. The Borrower hereby agrees to observe all of the covenants contained in Exhibit I to this Regulatory Agreement as if contained herein.

Section 32. Slavery Disclosure Ordinance. Any subcontract entered into by the Borrower for work to be performed under this Regulatory Agreement must include an identical provision. The Borrower acknowledges and agrees that failure to fully and accurately complete the required affidavit and disclosures may result in a default under this Regulatory Agreement.

Section 33. Requirements of CDLAC. In addition to other requirements set forth herein and to the extent not prohibited by the requirements set forth in Sections 2 through 6 hereof, the Borrower hereby agrees to comply with each of the requirements of CDLAC set forth in this Section 33, as follows:

(a) The Borrower shall comply with the conditions set forth in Exhibit A to the CDLAC Resolution (the “CDLAC Conditions”), as they may be modified or amended from time to time, which conditions are incorporated herein by reference and made a part hereof and are attached hereto as Exhibit G. Notwithstanding anything to the contrary herein, the provisions of this Section 33 shall remain effective for the period specified in the CDLAC Conditions, unless this Regulatory Agreement shall terminate as otherwise provided in Section 14 hereof.

(b) The Borrower acknowledges that the Issuer shall monitor the Borrower’s compliance with the terms of the CDLAC Conditions. The Borrower will cooperate fully with the Issuer in connection with such monitoring and reporting requirements as provided herein. Compliance with the terms of the CDLAC Conditions not contained within this Regulatory Agreement, but referred to in the CDLAC Conditions is the responsibility of the Borrower to report to the Issuer.

(i) The Borrower shall prepare and deliver a Certificate of CDLAC Program Compliance pursuant to the terms of the CDLAC Conditions. The Borrower acknowledges that the Borrower will prepare and submit to the Issuer, not later than January 15 of each year, and the Issuer will submit to CDLAC, not later than March 1 of each year, until the Borrower has submitted to the Issuer and CDLAC a Construction Completion Certificate, and on March 1 every three years thereafter (such that the next succeeding year shall be the beginning of each such three year period) until the end of the term of the CDLAC Conditions,

a Certificate of CDLAC Program Compliance, executed by an Authorized Borrower Representative.

(ii) The Borrower shall prepare and deliver a Self-Certification Certificate pursuant to the terms of the CDLAC Conditions. (iii) Within 30 days following the completion of the Project, the Borrower will prepare and submit to the Issuer, Trustee and CDLAC, a Construction Completion Certificate. Following the submission of the Construction Completion Certificate, the Borrower will prepare and submit to the Issuer, not later than January 15 every three years thereafter until the end of the Compliance Period, a California Tax Credit Allocation Committee Project Status Report or equivalent documentation in substantially the form required or otherwise provided by CDLAC from time to time.

(c) Except as otherwise provided in Section 14 of this Regulatory Agreement, this Regulatory Agreement shall terminate on the date 55 years after the date on which at least fifty percent (50%) of the units in the Project are first occupied or such later date as the Qualified Project Period shall begin, as required by the CDLAC Conditions.

(e) Any of the foregoing requirements of CDLAC contained in this Section 33 may be expressly waived by CDLAC, in its sole discretion, in writing, but (i) no waiver by CDLAC of any requirement of this Section 33 shall, or shall be deemed to, extend to or affect any other provision of this Regulatory Agreement except to the extent the Issuer has received an opinion of Bond Counsel that any such provision is not required by the Code, the Act and the Law and may be waived without adversely affecting the exclusion from gross income of interest on the Bond for federal income tax purposes; and (ii) any requirement of this Section 33 shall be void and of no force and effect if the Issuer and the Borrower receive a written opinion of Bond Counsel to the effect that compliance with any such requirement would cause interest on the Bond to cease to be Tax-exempt or to the effect that compliance with such requirement would be in conflict with the Code, the Act, the Law or any other state or federal law.

(f) CDLAC is intended to be and is a third party beneficiary of this Regulatory Agreement, and CDLAC shall have the right (but not the obligation) to enforce, separately or jointly with the Issuer and/or the Trustee or to cause the Issuer or the Trustee to enforce, the provisions of Section 33 of this Regulatory Agreement and to pursue an action for specific performance of such provisions or other available remedy at law or in equity in accordance with Section 18 hereof, provided that any such action or remedy shall not materially adversely affect the interests and rights of the Bondholder and shall otherwise be subject to the terms, conditions and limitations applicable to the enforcement of remedies under this Regulatory Agreement.

(g) CDLAC shall have the right, but not the obligation, to deliver revised CDLAC Conditions to the Borrower after the Closing Date at any time, that are not more restrictive than the original CDLAC Conditions; provided however, that, with the prior written consent of the Bondholder, which will not be unreasonably withheld: (i) any changes in the terms and conditions of the CDLAC Conditions prior to the recordation against the Project in the real property records of Los Angeles County, California, of a regulatory agreement between the Borrower and the California Tax Credit Allocation Committee (“TCAC Regulatory Agreement”) shall be limited to such changes as are necessary to correct any factual errors or to otherwise conform the CDLAC Conditions to any change in facts or circumstances applicable to the Borrower or the Project; and (ii) after recordation of the TCAC Regulatory Agreement, any changes in the terms and conditions of the CDLAC Conditions shall be limited to such changes as are necessary to conform Items 1, 6, 7, 10, 11, 12, 14, 15, 16, 18, 19, 20, 21, 22, 23, 24, 25, 26, or 37 of Exhibit A to the CDLAC Conditions to any change in terms and conditions requested by the Borrower and approved by CDLAC. The Issuer may, in its sole and absolute discretion, require the Borrower to enter into an amendment to this Regulatory Agreement reflecting the revised CDLAC Conditions, which amendment shall be executed by the parties hereto or their successor in title and duly recorded in the real property records of the County of Los Angeles. The Borrower shall pay any costs and expenses in connection therewith and provide CDLAC with a copy of that recorded amendment reflecting the revised CDLAC Conditions.

The following terms shall have the respective meanings assigned to them in this Section unless the context in which they are used clearly requires otherwise:

“Accessible,” when used with respect to a Housing Unit or a Housing Development, means and refers to full compliance with the requirements of the Accessibility Standards.

“Accessible Housing Development” means a Housing Development that is Accessible, including Accessible public and common use areas, as well as the number and type of Accessible Housing Units that are required to be Accessible by the Covenants.

Section 2. Borrower Obligations. The Borrower represents, warrants, covenants and agrees as follows:

- a. A State of California Certified Access Specialist (“CASp”) who is a licensed architect or engineer must be identified as part of the development team. A list of CASps can be found at the following link: https://www.apps2.dgs.ca.gov/DSA/casp/casp_certified_list.aspx. The CASp cannot be the architect of record for the Project. The cost of CASp activities and certifications should be included in the application’s project budget.
- b. The Housing Development shall be constructed in accordance with the Accessibility Standards in Section 1 above to ensure accessibility for

persons with disabilities. The Borrower must work with their CASp to ensure that the Housing Development complies with those Accessibility Standards.

- c. An accessibility report by a CASp inspector certifying that the Housing Development is in compliance with all applicable Accessibility Standards, as defined in Section 1, above, must be submitted to and approved by HCIDLA at the following phases of the Project development:
 - 1. Accessibility Design Review Report and a pdf copy of the plans are due for review by HCIDLA when construction documents have been developed, and prior to the submission of plans to Los Angeles Building and Safety Department;
 - 2. The Accessibility Design Review Report must be approved by HCIDLA before building permits can be issued;
 - 3. Accessibility Progress Inspection Reports conducted after all rough inspections have been signed off by the Los Angeles Building and Safety Department and prior to closing of walls; and
 - 4. The Final Accessibility Report at completion of construction must be approved by HCIDLA before: (a) final retention payment; (b) certificate of occupancy; and (c) final building permit can be signed off by the Los Angeles Building and Safety Department.
- d. Applicants/developers/Borrowers must list all applicable accessibility standards on title page of plans, including the designated FHA Safe Harbor for the Project, and include the following note: *“This is a publicly funded housing project and must comply with federal accessibility standards and California Building Code Chapters 11A & 11B.”*
- e. If the Development is to be rehabilitated, accessibility retrofits of the Housing Development shall take place concurrently with any Project rehabilitation in compliance with the Accessibility Standards, including federal accessibility standards.
- f. The Accessible Units shall be prioritized for persons with disabilities who have a disability-related need for the accessibility features of the Accessible Unit. If an Accessible Unit is occupied by residents without disabilities, the Borrower shall require use of a lease addendum to require such residents to relocate to a vacant, non-accessible unit of comparable size, finishes, and amenities, at the same Development at the Development’s expense, within thirty (30) days of notice by the Borrower or Property Management Agent, or the minimum amount of notice required by state law, that there is an eligible applicant or existing resident with a disability who requires the accessibility features of the unit.

- g. Eleven percent (11%) of the total Housing Units in the Housing Development shall be constructed and maintained by the Borrower as Housing Units with Mobility Features.
- h. An additional four percent (4%) of the total Housing Units in the Housing Development shall be constructed and maintained by the Borrower as Housing Units with Hearing/Vision Features.
- i. The 4% and 11% calculations shall each be based on the total number of Housing Units in the Housing Development. In determining the number of Accessible Units required, any fractions of units shall be rounded up to the next whole number. Required Accessible Units shall, to the maximum extent feasible and subject to reasonable health and safety requirements, be distributed throughout projects and sites, and shall be available in a sufficient range of sizes and amenities so that a qualified individual with a disability has a choice of living arrangements that is, as a whole, comparable to that of other persons eligible for housing assistance under the same program.
- j. While additional Accessible Housing Units may be provided, *i.e.*, up to twenty percent (20%), no more than fifteen percent (15%) of the Housing Units in any Housing Development may be counted toward the target number of Accessible Housing Units that the City must provide pursuant to the Voluntary Compliance Agreement (VCA) with HUD (specifically, no more than eleven percent (11%) of the Housing Units in any Housing Development with Mobility Features and no more than four percent (4%) Housing Units in any Housing Development with Hearing/Vision Features) unless HUD provides specific written authorization.
- k. The Accessible Units shall be affordable for households pursuant to the terms of the Loan Agreement and Regulatory Agreement, including any and all amendments, revisions, or modifications.
- l. The Project shall comply with the City's Accessibility Regulations Matrix & Overview, Accessible Design/Construction Compliance Requirements, and the Accessibility Report Requirements, which may be amended from time-to-time.
- m. The Borrower shall adopt and comply with the City's Fair Housing Policy Related to Disability, as amended.
- n. The Borrower and property managers (including resident managers and on-site managers) of the Housing Development shall attend the City's Fair Housing for People with Disabilities workshops.
- o. The Borrower shall register the Housing Development on the City's Affordable and Accessible Housing Registry ("AAHR"), located at <http://lahousing.lacity.org>, and utilize the AAHR to provide and update

required information about the Housing Development and the Accessible Units, allow people with disabilities to apply for the Accessible Units when they become available and to place themselves on the waiting list for the Accessible Units, and comply with all other requirements of the AAHR.

- p. Following reasonable notice to the Borrower, Borrower shall allow the City to conduct periodic on-site inspections of the Housing Development in order to verify compliance with the Accessibility Standards and the City's Fair Housing Policy Related to Disability.
- q. The Housing Development as a whole and all Housing Units shall meet the requirements of the Accessibility Standards as defined in Section 1, above, and any requirements of the City, provided such requirements minimally meet and do not diminish the requirements of the Accessibility Standards.
- r. The Borrower shall provide a list to the City of all Accessible Units with unit number, bedroom size and type of Accessible Unit ("Housing Unit with Hearing/Vision Features" or "Housing Unit with Mobility Features").

Section 3. Occupancy of Accessible Housing Units. The Borrower shall follow the requirements of Section 504 and its implementing regulations at 24 C.F.R. Part 8, as well as the City's Fair Housing Policy Related to Disability to assure that information regarding the availability of Accessible Units reaches eligible individuals with disabilities. The Borrower will take reasonable, nondiscriminatory steps to maximize the utilization of such units by eligible individuals who require the accessibility features of the particular unit. To this end, the Borrower will take the following steps when an Accessible Unit becomes vacant:

- a. First, the Borrower will offer the Accessible Unit to a current occupant of the Housing Development who needs the features of an Accessible Unit;
- b. Second, the Borrower will offer the Accessible Unit to a current occupant of a Housing Development under common control who needs the features of an Accessible Unit;
- c. Third, the Borrower will offer the Accessible Unit to an eligible, qualified applicant on the waiting list for Accessible Housing Units who needs the features of an Accessible Unit;
- d. Fourth, the Borrower will offer the Accessible Unit to a current tenant of a Covered Housing Development who needs the accessible features of the Accessible Unit and are registered with the AAHR; and
- e. Fifth, Borrower will offer the unit to qualified applicants who need the accessible features of the Accessible Unit and are registered with the AAHR.

- f. If there are no eligible current tenants or applicants in need of Accessible features, then the Borrower must conduct targeted outreach and marketing to advertise the unit to qualified individuals who need the accessible features, including listing it as available to individuals who need the accessible features at <http://www.lahousing.lacity.org>, distributing the information about the accessible vacancy in accord with the Borrower's City approved Property Management Plan, distributing it to the most recent list from the City of organizations that serve people with disabilities, and sending an e-blast to parties on the [lahousing.lacity.org](http://www.lahousing.lacity.org) website Outreach List. All such communications shall take appropriate steps to ensure effective communication with individuals with disabilities by utilizing appropriate auxiliary aids and services, such as the use of accessible websites and emails. Outreach efforts to the disability community shall include, but not be limited to, notices and other communications describing the availability of such Accessible Units, specific information regarding the features of Accessible Units, eligibility criteria, and application procedures. These, and additional procedures, are incorporated into the City's Fair Housing Policy Related to Disability, as amended.

In the event more than one household has requested an Accessible Unit, the Borrower shall offer the Accessible Unit to households in order on the appropriate waiting list within each category.

If, after using the process identified above, there are no households who need the features of that Accessible Unit, then the Borrower may offer the Accessible Unit to the next household on the conventional waiting list. Should that household choose not to occupy the Accessible Unit, they will remain at the same position on the conventional waiting list. If the household chooses to occupy the Accessible Unit, the tenant must sign a lease addendum in the form approved by the City. The lease addendum requires the household to move to the next available, comparable, conventional unit, when given appropriate notice by the Housing Development that there is an eligible applicant or existing resident with a disability who requires the accessibility features of that Accessible Unit.

For individuals who are required to vacate an Accessible Unit because it is needed by an individual with a disability, the Borrower will pay the costs of the transfer to a comparable conventional unit, including new utility deposit(s), if required, and reasonable moving expenses.

Section 4. Rental Policies. The Borrower shall adopt the City's rental policies that meet the requirements of Section 504, the ADA, the FHA, FEHA, and other federal and state laws and regulations as applicable, and of the Fair Housing Policy Related to Disability of the City, as amended. The Borrower shall develop and utilize a Property Management Plan ("PMP"), approved by the City, which describes affirmative marketing, tenanting, and other procedures to ensure that the Housing Development meets all of the civil rights requirements for individuals with disabilities.

Rental applications will include a section to be filled out by applicants to identify whether they are requesting an Accessible Unit or a Reasonable Accommodation. Applicants will not be required to disclose a disability under any circumstances, and the Borrower shall seek information to be disclosed limited to only what is necessary to establish the disability-related need for the requested accommodation. If both the disability and disability-related need for the requested accommodation are obvious or already known, no additional information may be sought by the Borrower. Applicants and residents may request a Reasonable Accommodation at any time.

Section 5. Residential Rental Property. The Borrower hereby represents, covenants, warrants and agrees as follows:

- a. All of the Housing Units in the Housing Development will be similarly constructed units, and each income restricted unit in the Project will contain complete separate and distinct facilities for living, sleeping, eating, cooking and sanitation for a single person or a family, including a sleeping area, bathing and sanitation facilities and cooking facilities, equipped with a cooking range and oven, a sink and a refrigerator. Each of the Accessible Units shall also comply with these requirements. Notwithstanding the foregoing, a unit shall not fail to be treated as a residential unit merely because such unit is a single room occupancy unit within the meaning of Section 42(i)(3)(B)(iv) of the Code even though such housing may provide eating, cooking and sanitation facilities on a shared basis.
- b. All of the Housing Units (which shall not include any manager units) will be available for rental on a continuous basis to members of the general public, and the Borrower will not give preference to any particular class or group in renting the housing units in the Project, except to the extent that: (1) Accessible Housing Units shall be made available on a priority basis to persons who need the accessible features, as described in Section 3 above; (2) any Housing Units are required to be leased or rented to low income tenants or persons 62 years of age and older, (3) the requirements of any regulatory agreement executed between the Borrower and HUD or between the Borrower and a subordinate lender (including the City), (4) the requirements of any Section 8 Housing Assistance Payments Contract with respect to the Project, and (5) any preference the Borrower may legally provide pursuant to applicable federal and state law.

Section 6. Monitoring Requirements. The City will monitor the initial production and ongoing occupancy of the Accessible Units and the Housing Development to ensure full compliance with the Accessibility Standards, the Fair Housing Policy Related to Disability and the policies in Sections 1 - 4, above. In order to determine compliance with the Accessibility Standards, the Borrower shall submit and the City shall review and approve a CASp Inspection Report of the Housing Development that identifies the necessary and required design elements to make the Housing Units and site accessible for individuals with disabilities. The City shall inspect the construction and/or rehabilitation to verify that the legally required number of

Accessible Units have been produced and that the necessary and required design elements have been constructed to make the Housing Units and site accessible for individuals with disabilities and supported by an independent CASp consultant's report.

The City will utilize the Housing Development's City approved PMP and Fair Housing Policy Related to Disability to monitor ongoing occupancy compliance of the Accessible Units and nondiscrimination of individuals with disabilities. Compliance with the policies shall include, but not be limited to, target marketing, establishing and monitoring a waiting list specific to the Accessible Units, appropriately responding to Reasonable Accommodation requests, implementation of the assistance animal policies, implementation of the policies for re-leasing vacant Accessible Units, and all elements contained in the Fair Housing Policy Related to Disability, as amended.

Section 7. Maintenance of Records. With respect to the Covenants, the Borrower agrees to keep and maintain books, accounts, reports, files, records, and other documents pursuant to the terms of the Bond Documents and Regulatory Agreement, including any and all amendments, revisions, or modifications.

Section 8. Notices, Demands, Payments and Communication. Formal notices, demands, payments and communications between the City and the Borrower shall be sufficiently given and shall not be given unless dispatched by registered or certified mail, postage prepaid, return receipt requested, or delivered personally pursuant to the Notice provisions in the Indenture.

Section 9. Term of the Covenants. The Covenants shall be recorded with the Regulatory Agreement upon its execution and shall terminate in accordance with the most restrictive provisions of the Bond Documents and Regulatory Agreement, including any and all amendments, revisions, or modifications, it being expressly agreed and understood that the provisions hereof are intended to survive the retirement of the Bond.

Section 10. Covenant to Run with the Land. The Borrower hereby subjects the Project to the covenants, reservations, and restrictions set forth in the Covenants. The City and the Borrower hereby declare their express intent that the covenants, reservations and restrictions set forth herein shall be deemed covenants running with the land and shall pass to and be binding upon the Borrower's successors in title to the Project. Each and every contract, deed, or other instrument hereafter executed covering or conveying the Project or any portion thereof shall conclusively be held to have been executed, delivered and accepted subject to such covenants, reservations, and restrictions, regardless of whether such covenants, reservations and restrictions are set forth in such contract, deed or other instruments. In particular, this Covenant is subject to the requirements of HUD's Section 504 regulation at 24 C.F.R. § 8.50(c).

Section 11. Default; Enforcement. As part of ensuring compliance with the Accessibility Covenants, the Accessibility Standards, and the Fair Housing Policy Related to Disability, the City or its agent, will conduct periodic on-site visits inspecting the Housing Development, which inspections may include inspecting the Housing Units and common areas, tenant files, logs and other records. Should the Borrower fail to comply, the City will first issue an Order to Comply ("Order") stating the element of the Housing Development that is out of

compliance, and providing a date by which the Borrower must comply. The Order shall give the Borrower not more than 30 days to correct the violation, or such additional time as the City may grant if the Borrower is taking steps to correct the violation (“Compliance Date”), and diligently pursues such action until the default is corrected, which extension is in the City’s sole discretion. The City shall re-inspect the Housing Development within 10 days of the Compliance Date specified in the Order or any extension, however failure to inspect or re-inspect within the time frame does not remove the obligation of the Borrower to comply with the Order.

If the Order is issued and the violation continues to exist after the Compliance Date, then the City shall declare an “Event of Default” and may take any one or more of the following steps:

- a. **Inspection Fee for Non-Compliance.** In the event the Borrower fails to comply with the Order within the Compliance Date, the Borrower shall be liable for subsequent inspection fees in the amount approved by City Council until compliance has been achieved. Failure to pay the assessed inspection fee within 30 days of the date of invoice, will result in a late charge equal to or two times the fees and a collection fee equal to 50 percent of the original fee shall be imposed if any fee imposed is not paid within 30 days of service of notice of the imposition of the fee.

The late fee may be imposed without a hearing but may be appealed to the General Manager of HCIDLA. The appeal shall be made in writing, and shall specify the grounds for the appeal. The appeal shall be filed with HCIDLA within ten calendar days of the issuance of the imposition of the late fees and costs. The General Manager or his designee shall issue a decision within ten calendar days of the filing of the appeal. A copy of the decision shall be served on the person or entity subject to the Order or fee by first class United States mail, postage prepaid, or in person. The City shall have the right to bring legal action in any court to enforce the Order and collect the amount of outstanding fees and penalties. City may waive the penalty imposed pursuant to this section if City determines that good causes exist for the Borrower’s failure to pay in a timely manner.

- b. By mandamus or other suit, action or proceeding at law or in equity, including injunctive relief, require the Borrower to perform its obligations and covenants hereunder or enjoin any acts or things which may be unlawful or in violation of the rights of the City hereunder;
- c. Filing of a complaint or referral to HUD or other appropriate agencies for further enforcement actions;
- d. Have access to and inspect, examine and make copies of all or a portion of the books and records of the Borrower pertaining to the Project, in order to ensure compliance with all provisions of the Covenants, including records relating to the accessibility of the Accessible Units; and

- e. Take such other action at law or in equity as may appear necessary or desirable to enforce the obligations, covenants and agreements of the Borrower hereunder.

Section 12. Compliance with Accessibility Requirements. The Borrower hereby certifies that it and its property manager and any agent, contractor and subcontractor will comply with the Accessibility Standards as defined, and the policies described in Sections 2-5. The Borrower and any contractor and subcontractor will provide Reasonable Accommodations to allow qualified individuals with disabilities to have access to and to participate in its programs, services, and activities in accordance with each of the applicable and stricter of the requirements of the ADA, the 2010 ADA Standards for Accessible Design, the ADAAG, Section 504, UFAS, the FHA, the Fair Housing Act Design and Construction Requirements, federal regulations implementing the ADA, Section 504, and the FHA, California Government Code 11135 *et seq.*, the California Building Code Chapters 11A and 11B, and all subsequent amendments to those laws. The Borrower and any contractor and subcontractor will not discriminate against persons with disabilities or against persons due to their relationship or association with a person with a disability. Any contract and subcontract entered into by the Borrower, relating to the Covenants and the Project, to the extent allowed hereunder, shall be subject to the provisions of this paragraph.

Section 13. Governing Law. The Covenants shall be governed by the laws of the State of California.

Section 14. Parties Bound. The provisions of the Covenants shall be binding upon and inure to the benefit of the City and the Borrower and their respective successors and assigns.

Section 15. Severability. Every provision of the Covenants is intended to be severable. If any provision of the Covenants shall be held invalid, illegal, or unenforceable by a court of competent jurisdiction, the validity, legality, and enforceability of the remaining provisions shall not in any way be affected or impaired.

Section 16. Waiver. Any waiver by the City of any obligation in the Covenants shall be in writing; however, the City cannot waive the requirement to comply with federal and state law. No waiver will be implied from any delay or failure by the City to take action on any breach or default of the Borrower or to pursue any remedy allowed under the Covenants or applicable law. Any extension of time granted to the Borrower to perform any obligation under the Covenants shall not operate as a waiver or release from any of its obligations under the Covenants. Consent by the City to any act or omission by the Borrower shall not be construed to be a consent to any other or subsequent act or omission or to waive the requirement for the City's written consent to future waivers.

Section 17. Modifications. There shall be no amendment or modification of the Covenants without the prior written approval of the City. Any amendment or modification of the Covenants shall be by a written instrument executed by the City and the parties to the Covenants and the Regulatory Agreement or their successors in title, and duly recorded in the real property records of the County of Los Angeles, California. Modifications or amendments to the

Covenants may occur by operation of law or other agreements binding the City and the parties to the Covenants and the Regulatory Agreement.

Section 18. Conflicts. If the provisions of the Covenants are inconsistent with the provisions of the Regulatory Agreement, the Bond Documents, or any other documents which affect the Project, the more restrictive covenants or restrictions shall control.

Section 19. Recording and Filing. The Borrower shall cause the Covenants to be recorded and filed in the real property records of the County of Los Angeles and in such other places as the City may reasonably request. However, failure to record the Covenants by the Borrower shall not relieve the Borrower of any of the obligations specified herein.
