**Comments for Public Posting:** Mar Vista, District 11 Housing Advocate 38 units total with only 5 affordable, we need more affordable housing than that on the westside, we are in desperate need of it! Please stop these overpriced developments that nobody on the westside can afford! Residents are literally dying on the streets, essential workers are sleeping in their cars, we will not and do not want to pay for these overpriced apartment units! Build more but we need at least half of the units to be affordable!
