SUMMARY

On April 22, 2021, BOAC approved the proposed Second Amendment to the LAWA lease with Denny's. The proposed amendment extends the term of the agreement, and reduces the Minimum Annual Guarantee (MAG) requirement from \$307,000 to \$256,000, or 90% of 2019 annual gross sales. Denny's, has been impacted and will continue to be impacted by the construction of the Consolidated Rental Car Facility and related utility infrastructure projects at LAX, and has also experienced a loss in gross revenue due to the Covid-19 pandemic. According to LAWA, the Second Amendment will avoid disruption to restaurant clients, allow for a continued revenue stream to LAWA; and give LAWA staff time to analyze future uses after the Landside Access Modernization Program projects are complete. Denny's will continue to pay the greater of the MAG or 6.75 percent of gross receipts

At its meeting held June 8, 2021, the Trade, Travel, and Tourism Committee recommended that Council approve the proposed lease amendment, as recommended by BOAC.
