

PUBLIC WORKS COMMITTEE REPORT relative to the development of standards for directional boring and similar utility installation methods.

Recommendation for Council action, pursuant to Motion (Blumenfield - de Leon):

INSTRUCT the Bureau of Engineering to report to the Council on the development of standards for directional boring and similar utility installation methods and to include recommendations if any code or policy changes are needed to facilitate the implementation and development of new City utility installation standards.

Fiscal Impact Statement: Neither the City Administrative Officer nor the Chief Legislative Analyst has completed a financial analysis of this report.

Community Impact Statement: None submitted

SUMMARY

At the meeting held on June 9, 2021, your Public Works Committee considered a Motion (Blumenfield - de Leon) relative to the development of standards for directional boring and similar utility installation methods. After an opportunity for public comment was held, the Committee moved to approve the recommendation contained in the Motion, as detailed above. This matter is now forwarded to the Council for its consideration.

Respectfully Submitted,

PUBLIC WORKS COMMITTEE
