SUBDIVISION IMPROVEMENT AGREEMENT AND CONTRACT

THIS AGREEMENT AND CONTRACT, made and entered into, by and between the CITY OF LOS ANGELES, hereinafter designated as the CITY; and **ONWARD CAPITAL LLC AND HIDDEN HILLS PROJECT, LLC**

hereinafter designated as SUBDIVIDER; WITNESSETH:

ONE: For, and in consideration of the approval of the final map of that certain division of land known as:

HI POINT ST. E/S 138' TO 188' N/O SATURN ST. (TRACT #74364) - 1444 HI POINT

and for acceptance of the dedication therein by the CITY, the SUBDIVIDER hereby agrees, at his own costs and expense, to construct and install all public improvements required in and adjoining and covered by the final map which are shown on plans, profiles and specifications, previously supplied to the City Engineer; and to furnish all equipment, labor and materials necessary to construct, install and complete the required improvements in a good and workmanlike manner. The estimated cost for completion of the above-mentioned work and improvement is the sum of **FIFTY EIGHT THOUSAND AND NO/100 Dollars (\$58,000.00)**.

TWO: It is agreed that the SUBDIVIDER has furnished to the City Engineer all necessary final plans, profiles and standard specifications for the required public improvements; or, that in lieu of such final plans, profiles and specifications, the City Engineer has been furnished preliminary plans that are of sufficient detail so as to be approved by the City Engineer for use in the preparation of the estimated cost of the required improvements. In consideration of the acceptance of such preliminary plans by the City Engineer, the SUBDIVIDER hereby agrees to furnish all necessary final plans, profiles and specifications in a form that will be sufficient to be processed and approved by the City Engineer not later than six (6) months from the date the final map of said subdivision of land is filed for record with the County Recorder, County of Los Angeles, State of California.

THREE: The SUBDIVIDER agrees to perform all of the above-mentioned work under permit or permits to be issued by the Board of Public Works, hereinafter designated as the BOARD. All work shall be performed in accordance with the standards and specifications of the BOARD, as amended, and to the approval of the City Engineer. The SUBDIVIDER further agrees to pay for such inspection of work and improvements as may be required by the BOARD, and the performance of the work shall be further conditioned upon due compliance with all of the provisions of Article 7 of Chapter 1, and Sections 62.105 through 62.117, inclusive, of the Los Angeles Municipal Code, as amended.

SUBDIVISION IMPROVEMENT AGREEMENT AND CONTRACT

FOUR: In the event said work is required to be performed under Class "B" Permit as defined in Section 62.106 of the Municipal Code, the SUBDIVIDER hereby agrees to obtain said permit from the City Engineer, including payment of all necessary fees as required under the provisions of Sections 62.110 and 62.111 of said Code, prior to certification of the final map by the City Engineer.

FIVE: If the planting of street trees is required under the conditions of approval established by the Advisory Agency, the SUBDIVIDER shall install all required trees and shall pay all maintenance fees for each tree required to be planted by the SUBDIVIDER, in accordance with the maintenance fee schedule set forth in Section 62.176 of the Municipal Code. Said fees shall be paid to the Bureau of Engineering of the DEPARTMENT OF PUBLIC WORKS and shall be included in the permit fee deposit for the permit type determined by the Bureau of Engineering.

SIX: The SUBDIVIDER agrees to perform any changes or alterations required by the CITY in the construction and installation of the required improvements, provided that all such changes or alterations do not exceed ten (10) percent of the original estimated cost of such improvements; and the SUBDIVIDER further agrees; to install such devices for the abatement of erosion or flood hazard as may be required under the provisions of Section 61.02 of the Municipal Code; the costs of each of the above to be borne by the SUBDIVIDER.

SEVEN: The SUBDIVIDER expressly agrees to perform the above-mentioned work in a diligent and workmanlike manner so as to complete the construction and installation of all required public improvements on or before twenty-four (24) months from the date the final map is filed for record with the County Recorder, County of Los Angeles, State of California; or within any lawful extension of said term, or as otherwise provided by law. The SUBDIVIDER acknowledges that in the event any extension of term is granted, the City Engineer may impose additional conditions in accordance with Section 17.08G-3 of the Municipal Code.

EIGHT: The SUBDIVIDER agrees to warrant all work performed against any defective workmanship, or labor done, or defective materials furnished in the performance of the work required by this contract. The term of this warranty shall expire one year from the date of acceptance of the completed improvements by the City Engineer, all as required under Chapter 5 of Division 2 of Title 7 of the State of California Government Code, known as the "Subdivision Map Act," and as amended. The estimated amount sufficient for warranty is the sum of NONE.

NINE: The CITY shall not, nor shall any officer or employee thereof, be liable or responsible for any accident, loss or damage happening or occurring from or to the works specified in this contract prior to the completion and acceptance of the same by the City Engineer; nor shall the CITY, nor any officer or employee thereof, be liable for any persons or property injured by reason of the nature of said work, or by reason of the acts or omissions of the SUBDIVIDER, his agents or employees, in the performance of said work; but all of said liabilities shall be assumed by the SUBDIVIDER. The SUBDIVIDER further agrees to protect, defend and hold harmless the CITY and its officers and employees from all loss, liability or claim because of, or arising out of, the acts or omissions of the SUBDIVIDER, or his agents and employees, in the performance of this contract, or arising out of the use of any patent or patented article in the construction of said work.

SUBDIVISION IMPROVEMENT AGREEMENT AND CONTRACT

TEN: It is agreed that the SUBDIVIDER has filed or deposited with the CITY a good and sufficient IMPROVEMENT SECURITY in accordance with the provisions of Section 17.08G of the Municipal Code of the CITY, in an amount equal to or greater than the estimated cost of construction and installation of the required improvements and an amount sufficient to act as warranty for said improvements as defined in Article Eight hereof, together with reasonable attorney's fees which may be incurred by the CITY in enforcing the terms and conditions of this contract. IN ADDITION TO the Improvement Security, it is further agreed that the SUBDIVIDER has filed or deposited a good and sufficient PAYMENT SECURITY for labor and materials in an amount not less than fifty (50) percent of the amount of the Improvement Security, to secure the claims to which reference is made in Title 15, commencing with Section 3082, of Part 4 of Division 3 of the Civil Code of the State of California. If the sureties or security on either said Improvement Security or Payment Security, or both, in the opinion of the CITY become insufficient, in any respect, the SUBDIVIDER hereby agrees to furnish sufficient additional security within ten (10) days after receiving notice from the CITY that said extant securities are insufficient.

ELEVEN: It is further understood and agreed, that in the event it is deemed necessary to extend the time for the performance of the work contemplated to be done under this contract, such extensions of time may be granted by the City Engineer or by the BOARD, or both, either at their own option or upon request of the SUBDIVIDER, and such extensions shall in no way affect the validity of this contract, the Subdivision Cash or Negotiable Security Improvement and Warranty Performance Agreement executed in connection herewith or release the Surety on any Surety Bond or Bonds. Such extensions of time may be conditioned upon a construction schedule to be specified by the City Engineer, and/or a revision of the Improvement Security based on revised estimated improvement costs, and/or revision of the plans, profiles and specifications used for the construction and installation of the required improvements to comply with the standards and specifications of the BOARD in effect at the time such extension of time is granted.

TWELVE: The SUBDIVIDER further agrees to maintain the aforesaid Improvement and Payment Security in full force and effect, during the term of this contract, including any extensions of time as may be granted thereto.

THIRTEEN: If the SUBDIVIDER neglects, refuses or fails to prosecute the required work with such diligence as to insure its completion within the time specified herein, or within such extension of said time as may have been granted by the City Engineer or by the BOARD, or both, or if the SUBDIVIDER neglects, refuses or fails to perform satisfactorily any of the provisions of the improvement construction permit, plans and profiles, or specifications, or any other act required under this agreement and contract, the BOARD may declare this agreement and contract in default.

Immediately upon a declaration of default, the Subdivider and Surety shall be liable to City for the cost of construction and installation of the public improvements and for costs and reasonable expense and fees, including reasonable attorneys' fees incurred in enforcing this Agreement and Contract.

A notice of default shall be mailed to the SUBDIVIDER and any Surety and the Board shall cause a demand to be made for payment of any negotiable securities held as Improvement Securities in connection with this Agreement and Contract.
