Comments for Public Posting: I'm writing to urge you to please support the Historic-Cultural Monument Nomination of the Chili Bowl building in West Los Angeles. Its architectural, cultural, and sociological importance makes it a treasure to Los Angeles and compels us to protect it from the short-sighted financial interests of developers. One look at all of the development over the past 5 years is enough to see how little of West LA's (and the greater Los Angeles') historic positive character remains. Please do your best protect this building. Thank you, Steve Loh 30-year resident of West LA
