Comments for Public Posting: I support allowing dogs to go off leash at Joan Milky Flores Park. This is a beautiful, safe area for dogs to run free. There is a shortage of such spaces in San Pedro. There are many other parks in the area for people who do not want to be around unleashed dogs. Locals have been letting their dogs run free there for years. The job of government is to follow the will of the people, who have already spoken by making Flores an unofficial dog park. Let's make it official! Thank you, Evelyn McDonnell
