RECOMMENDATION

That the City Council, subject to the approval of the Mayor, authorize the Director of the Office of Finance, or designee, to execute Amendments No. 8 to Contract C-114826 and Contract C-114564 with Wells Fargo Bank, N.A. extending the term of the agreement for one-year, from July 1, 2021 to June 30, 2022, subject to the review of the City Attorney as to form.

SUMMARY

The Office of Finance (Finance) requests authority to execute Amendments No. 8 to Contract C-114564 and Contract C-114826 with Wells Fargo Bank, N.A (Wells Fargo) to extend the terms of the contracts by one year, from July 1, 2021 through June 30, 2022. The current agreements expire on June 30, 2021. Exhibits C of Contract No. C-114564 and Contact No. C-114826 reflect updated pricing schedules with fees per type of transaction. Certain per unit fees are higher than fees previously approved by the City Council and Mayor. Compensation to the Contractor is based on the volume of transaction requested. Finance does not anticipate increased compensation to the Contractor related to the per unit fee increases as a lower volume of transactions from the Contractor are expected as Finance finalizes the banking transition with JP Morgan Chase Bank, N.A (JP Morgan).

Finance is requesting authority to extend the agreements with Wells Fargo for an additional year while the general baking services transition from Wells Fargo to JP Morgan is in process. This agreement is required to meet the following critical operational needs during the transition: 1) Allow for the successful

AG	Analyst	0150-10147-0001	City Administrative Officer

completion of the receivables migration from Wells Fargo to JP Morgan; 2) Provide City departments a one year period to access transactional history from the Wells Fargo platform for account reconciliation needs; and 3) Allow for any checks issued by the City from the Wells Fargo platform to clear from Wells Fargo.

In January 2018, the City released a request for proposals (RFP) for general banking services to identify new bank and treasury service providers and to establish succession agreements to the existing Wells Fargo agreements for banking services. As a result of this competitive process, the City chose a bifurcated general banking services model with JP Morgan and Bank of America, N. A. (Bank of America). On April 20, 2020, the City executed agreements with JP Morgan (C-135446) to provide all disbursement services, including the daily settlement of e-payables, vendor payments, payroll, debt service payments, and the settlement of accounts payables by checks, and with Bank of America (C-135334) to provide depository services (i.e., receivables), such as cash receipts, lockbox services, branch deposits, wires, Automated Clearing House transactions, and non-controlled disbursements. On October 5, 2020, Finance terminated its contract with Bank of America because Bank of America failed to meet critical receivables migration timelines and did not provide satisfactory service levels.

The migration of banking services is occurring in two phases. The disbursement services phase has been successfully migrated from Wells Fargo onto the JP Morgan platform. The receivables migration phase is ongoing and expected to be completed by January 2022. Finance, along with JP Morgan, have met with City departments regarding their respective treasury and bank service needs. Thus far, Finance has finalized the migration of the Office of the Controller's lockbox operations from Wells Fargo to JP Morgan.

The contracts with Wells Fargo are the result of a RFP process for general banking services in 2008. Wells Fargo (Contract No. C-114826) and Wachovia Bank (Contract No. C-114564), which was acquired by Wells Fargo in 2008, were the successful bidders. The contracts were executed in July 1, 2008 for five-year terms, with five one-year options to renew, through June 30, 2018.

Compensation to the Contractor is based on the services provided. The rates for services, are detailed in exhibits C of Contract No. C-114564 and Contact No. C-114826.

Compliance Documents

The Department requested a Charter Section 1022 determination from the Personnel Department. Upon review of the request, Personnel determined that the labor component of the agreements cannot be reasonably separated from the other contract elements and that a Charter Section 1022 review was not required.

The Los Angeles Administrative Code, Division 10.40.4 exempts from the provisions of the Contractor Responsibility Ordinance (CRO) "banking contracts entered into by the Treasurer pursuant to California Government Code Section 53630 et seq." As the City's Treasury function is part of Finance, the proposed contract is exempt from the CRO.

At the time of writing this report, compliance documents for Equal Benefits and First Source Hiring were not reflected in the Los Angeles Procurement Opportunity Portal (LAPOP). Finance will ensure all compliance documents are completed and uploaded in LAPOP prior to execution of the contracts. The Contractor has complied with all other applicable City contracting requirements.

FISCAL IMPACT STATEMENT

There is no additional General Fund impact as sufficient funding is provided in the Department's Bank Service Fees Account, No. 004040.

FINANCIAL POLICIES STATEMENT

The action recommended in this report complies with the City's Financial Policies in that ongoing expenditures will be funded by ongoing revenues.

MAYOR

The Honorable Eric Garcetti, Mayor

ATTN: Haleen Ramirez, Legislative Coordinator

**APPROVAL TO EXECUTE AMENDMENT TO CONTRACT C-114564 AND C-114826
BETWEEN THE CITY AND WELLS FARGO BANK, N.A. TO PROVIDE GENERAL
BANKING DEPOSITORY SERVICES (C.F. NO. 14-0806)**

Dear Mayor Garcetti,

In accordance with the Mayor's Executive Directive No. 3, the Office of Finance (Finance) is requesting approval to execute the attached proposed Amendments to contract numbers C-114826 and Contract C-114564 between the City and Wells Fargo Bank. The amendments extend the existing service agreements for one additional year until June 30, 2022. The current agreements expire on June 30, 2021.

In accordance with Los Angeles Administrative Code Section 10.5(b), City Council approval of the proposed amendments is required because the amendment extension results in a cumulative length of the term that exceeds three years.

BACKGROUND

The two contracts for amendment resulted from a Request for Proposal (RFP) released by the Office of the Treasurer in 2008. Wachovia Bank and Wells Fargo Bank were the successful bidders and contracts were executed between the City and these banks for banking services: Contract No. C-114564 with Wachovia Bank (which was subsequently acquired by Wells Fargo Bank) and Contract No. C-114826 with Wells Fargo Bank. The agreements were executed in July 2008, pursuant to California Government Code Section 53649, which grants the City Treasurer authority to execute depository bank service related contracts.

Finance released a Request for Proposals (RFP) for general banking services on January 5, 2018 to identify new bank and treasury service providers and to establish succession agreements to the existing Wells Fargo agreements for banking services. JP Morgan Bank

AN EQUAL OPPORTUNITY-AFFIRMATIVE ACTION EMPLOYER

ultimately prevailed as the new service provider for the City's general banking and treasury services and Finance executed its agreement (C-135446) with JP Morgan Bank on April 20, 2020.

Finance staff has been working diligently with JP Morgan Bank and staff from City departments to migrate services from the Wells Fargo Bank platform to the JP Morgan platform. Finance, in coordination with staff from all departments with a transactional footprint in the City's disbursement process (Los Angeles World Airports, Department of Water and Power, Office of the Controller, Harbor department, Personnel and Information Technology Agency), has successfully migrated the City's disbursement services (payroll, vendor payments, debt service payment, child support obligations, and workers' compensation payments) from Wells Fargo onto the JP Morgan Bank platform.

Finance has been in business development meetings with JP Morgan Bank since January 2021 with City departments to implement the receivables migration of the bank implementation project. So far, Finance has migrated the Office of the Controller's lockbox operations from Wells Fargo to JP Morgan. This lockbox supports several departments, including the Office of the City Clerk, El Pueblo, Fire, Information Technology Agency, Planning, Board of Public Works, Transportation, and Zoo departments. This implementation is ongoing and expected to be completed by January 2022.

AMENDMENT

The proposed amendments extend the existing service agreements until June 30, 2022. The current agreements expire on June 30, 2021. Finance is requesting authority to extend the agreement with Wells Fargo Bank for a full year for the following critical operational needs: 1) Allow for the successful completion of the receivables migration from Wells Fargo to JP Morgan Bank; 2) Provide City departments a one year period to access transactional history from the Wells Fargo Bank platform for account reconciliation needs; and 3) Allow for any checks issued by the City from the Wells Fargo platform to clear from Wells Fargo Bank.

FISCAL IMPACT

There is no additional General Fund impact from these amendments. Funding is provided in the department's appropriation. Additionally, as services are transferred from Wells Fargo Bank to JP Morgan, the costs associated with bank services from Wells Fargo Bank will diminish.

RECOMMENDATIONS

Finance respectfully requests that the Mayor, subject to approval of the City Council:

1. Authorize the Director of Finance, or designee, to execute Amendment No. 8 to Contract No. C-114826 with Wells Fargo Bank for banking services, subject to final approval as to form and legality by the City Attorney; and

2. Authorize the Director of Finance, or designee, to execute Amendment No. 8 to Contract No. C-114564 with Wells Fargo Bank for banking services, subject to final approval as to form and legality by the City Attorney.

If you require any further information regarding this request, please contact Nicole Bernson, Assistant Director of Finance, at (213) 978-1774.

Sincerely,

Diana Mangioglu
Director of Finance / City Treasurer
