**Comments for Public Posting:** My name is Suzanne Siegel. I have been a Northeast Los Angeles resident for 58 years, living in 90042, 90041 and currently 90065. I am an artist and have known a number of the artists who were active the Mechicano Arts Center and the Centro de Arte Publico. These two locations were crucial to the flourishing Chicano art scene that produced posters, painting and murals. Both sites should be designated Historical Cultural Monuments. Thank you.
