**Comments for Public Posting:** This is a comment regarding the vacationing of the ally easterly of Reseda Blvd. from Erwin Street to approximately 153 feet northerly of Bessemer Street for Tarzana 5 to add more parking stalls. We are opposed to it if their tenants can enter on the Bessemer Street side of the alley because the tenants will throw trash in the alley and near the trash bin that services the tenants of the shopping center. This will create a daily mess because this happened about 20 years ago. Also additional trash service is very expensive that small businesses will have to pay. For many years the entrance to the Tarzana 5 parking coming from the alley on the Bessemer Street side has been closed and we hope it continues that way. Thank you.
