**RE: Support- 25 X 25 Council Motion**

Dear Councilmember de León:

I am writing to offer a letter of support for your 25 X 25 Motion coming before the Los Angeles City Council the first week of April.

The Arts District Los Angeles Business Improvement District supports the motion's goals and objectives of building 25,000 new housing units to address the homelessness crisis by 2025 and is committed to working with your office to help this goal come to fruition. Adding defined benchmarks to any goal allows progress to be measured and the Arts District Los Angeles Business Improvement District applauds this approach.

We look forward to working with your office to assist in this 25 X 25 effort and thank you for your leadership on this issue.

Best Regards,
