**Comments for Public Posting:** AGAINST UNLESS AMENDED Councilmembers: The Councilmembers have failed to require the City to immediately release the CAO's 800,000sf of surplus property list to developers for 100% affordable housing. This motion only looks good on paper and is not a solution. You have the land you need right now - if developers were allowed no cost site control with a required Certificate of Occupancy no later than 24 months after site control was established, we would not require what amounts to a PR goal. Unless amended to include the CAO's surplus property list, as stated above, this Motion lacks efficacy and serves as a political stunt. Michelle Bisnoff CD11
