Comments for Public Posting: I want to ask Councilmember O'Farrell to rescind his amendment to the Taix landmarking, and state that the designation should only be approved as originally recommended and unanimously approved by the Cultural Heritage Commission. This will keep the Taix building intact and allow a redesigned project to be built around or above it, with full environmental review. Thank you.

Comments for Public Posting: Councilman O'Farrell, Please rescind your amendment to the Cultural Heritage Commission's landmark designation for Taix French Restaurant. Taix as it has long existed is a significant part of the greater Echo Park/Silver Lake area and should not be demolished for the convenience and profit of an out-of-state developer. I am a Silver Lake resident who has voted for you in the past but will not in future if your amendment stands.

Comments for Public Posting: The Taix restaurant is only a landmark if preserved in its entirety and not only partly. LA needs it's history. Please give Taix full protection and save this precious building for Angelenos. In faith,
Genaro Pereira
