(hereinafter referred to as "Contractor").

**RECITALS**

WHEREAS, City and Contractor entered into contract number DA-5212 (hereinafter referred to as "Contract") dated August 2, 2017 for maintenance, repair, and support services for the Closed Circuit Television Video Surveillance and Intelligent Observation Network (hereinafter referred to as "CCTV VISION") for the Department; and,

WHEREAS, City and Contractor entered into a First Amendment on August 13, 2019; and,

WHEREAS, City and Contractor entered into a Second Amendment on July 28, 2020; and,

WHEREAS, the parties hereto desire to amend this Contract.

NOW, THEREFORE, in consideration of the covenants and conditions hereinafter contained to be kept and performed by the respective parties hereto, IT IS MUTUALLY AGREED that the Contract BE AMENDED AS FOLLOWS:

Section 1.0 Subsection 1.1 of Section 1.0, Term of Contract, is deleted in its entirety and replaced with the following:

"The term of this Contract shall be for a period commencing on August 1, 2017 and expiring on July 31, 2022 with one (1) one year option which may be exercised in writing by the Chief Executive Officer or her/his designee under the same terms and conditions herein. City may terminate this Contract, with or without cause, upon giving Contractor a thirty (30) day written notice, unless otherwise terminated as set forth in this Contract.

Section 2.0 The first sentence of subsection 3.2 of Section 3.0, Contractor Scope and Fee, is deleted in its entirety and replaced with the following:

The parties hereby acknowledge and agree that electronic records and electronic signatures, as well as facsimile signatures, may be used in connection with the execution of this Contract and electronic signatures, facsimile signatures or signatures transmitted by electronic mail in so-called PDF format shall be legal and binding and shall have the same full force and effect as if a paper original of this Contract had been delivered that had been signed using a handwritten signature. All parties (i) agree that an electronic signature, whether digital or encrypted, of a party to this Contract is intended to authenticate this writing and to have the same force and effect as a manual signature; (ii) intended to be bound by the signatures (whether original, faxed, or electronic) on any document sent or delivered by facsimile or electronic mail or other electronic means; (iii) are aware that the other party(ies) will rely on such signatures; and, (iv) hereby waive any defenses to the enforcement of the terms of this Contract based on the foregoing forms of signature. If this Contract or any amendment thereto has been executed by electronic signature, all parties executing this document are expressly consenting, under the United States Federal Electronic Signatures in Global and National Commerce Act of 2000 (“E-SIGN”) and the California Uniform Electronic Transactions Act (“UETA”) (California Civil Code §1633.1 et seq.), that a signature by fax, e-mail, or other electronic means shall constitute an Electronic Signature to an Electronic Record under both E-SIGN and UETA with respect to this specific transaction.”

Section 4.0 It is understood and agreed by and between the parties hereto that, except as specifically provided herein, this Third Amendment shall not in any manner alter, change, modify, or affect any of the rights, privileges, duties or obligations of either of the parties hereto under or by reason of the Contract and except as expressly amended herein, all terms, covenants, and conditions of the Contract and all amendments thereto, shall remain in full force and effect.
