**Comments for Public Posting:** Honorable PLUM Committee: As you're all aware, Los Angeles has been a place of constant evolution since it's inception. Many times change is good and necessary for growth, innovation, and general improvement. But some things are sacred and deserve to be preserved. Weddington Golf and Tennis is truly a gem of the Valley. When my husband I bought our house here we were as thrilled as our kids that we could walk around the corner to find well-kept, family friendly, and affordable tennis and golf. I hope it will be around long enough for my children to be able to enjoy with their friends when they're teenagers, and hopefully with their own children later on. It really, truly is something that enriches our community. The last thing Studio City needs is for a beloved historic landmark that serves people of all ages and income levels to be bulldozed and replaced with an exclusive, private facility that only caters to a very select and wealthy demographic. Not only our neighborhood, but Studio City as a whole will be worse for it. I urge the PLUM Committee adopt the nomination by the Cultural Heritage Commission on April 15th, 2021, without any revisions, for Studio City Golf and Tennis Club to be included in the list of Historical-Cultural Monuments according to the CHC staff findings as written. The CHC determined " that the property conforms with the definition of a Monument pursuant to Section 22.171.7 of the Los Angeles Administrative Code. Money can build shiny and new, but history is priceless. Sincerely, Danna Heydorn 4213 Beeman Ave, Studio City

**Comments for Public Posting:** Please support designating Weddington Golf and Tennis as historical land mark to prevent this facility from being turned into a private facility, without public golf and tennis, only open to students of Harvard Westlake, a private school.

Dear Honorable Members:

The Board of Directors of Neighborhood Council Valley Village (NCVV) wholeheartedly supports the position of the Studio City Neighborhood Council (SCNC) regarding preservation and future development of the Studio City Golf and Tennis Club, and support SCNC's efforts to obtain Historic-Cultural Monument status for the property.

The Studio City Golf and Tennis Club is a rare resource in the southeast San Fernando Valley that is used by many of our neighbors in Valley Village for recreation and outdoor activities. Equally rare is the large and contiguous green space that affords environmental benefit and provides significant improvement to quality of life for all of our communities. We support our colleagues at SCNC in their efforts to maintain all of these important features for the benefit of our stakeholders, and preserve the history of this legendary property.

Sincerely,

Tony Braswell  
President  
Neighborhood Council Valley Village
