

RESOLUTION

WHEREAS, Security Officers at CommonSpirit/Dignity Health are frontline protectors of its patients, workers, and the general public at the company's facilities;

WHEREAS, CommonSpirit/Dignity Health Security Officers have daily interactions in the workplace which raises their risk of exposure and infection of COVID-19 throughout the pandemic;

WHEREAS, there have been multiple reports that Security Officers lack personal protective equipment (PPE) and insufficient protocols which is increasing their health risk;

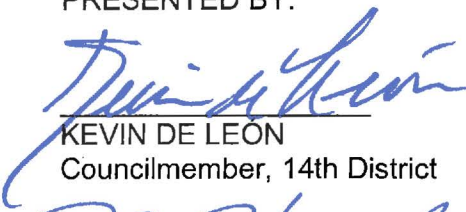

WHEREAS, CommonSpirit/Dignity Health Security Officers are far more vulnerable than their union coworkers due to more costly healthcare coverage that threaten working families and place undue burdens on the communities where they live;

WHEREAS, in response to these issues, the vast majority of Security Officers across Dignity Health have submitted union authorization cards to join SEIU-UHW;

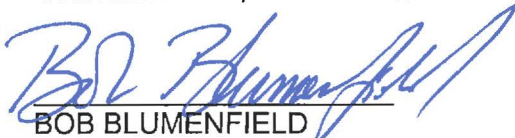

WHEREAS, an employer may voluntarily recognize a bargaining unit comprised of both guards and nonguards and these mixed guard units are not certified under the purview of the NLRA;

NOW, THEREFORE, BE IT RESOLVED, that the Los Angeles City Council supports the right of Security Officers at CommonSpirit/Dignity Health to form their union in SEIU-UHW or, at the very least, allow these Security Officers to hold a free and fair election so they can vote to form their union in SEIU-UHW.
