Comments for Public Posting: I Support CASE NO.: CHC-2020-7764-HCM /ENV-2020-7765-CE CHC designation for Studio City Golf and Tennis. I support the Cultural Heritage Commission's finding on Case No.:CHC-2020-7764-HCM and urge you to vote in favor of the findings and designate the entire site as an Historic Cultural Monument. Weddington should be deemed a cultural monument because it truly is representative of the inclusiveness through all the generations that have enjoyed it. When all PGA golf courses were still not allowing people of color to play on their courses, Weddington Golf & Tennis let all races, creeds, and religions to be able to enjoy the grounds since its opening day. Comments for Public Posting: regarding Weddington property Councilperson Kreckorian - DO NOT LIE The Weddington property is not about new and meaningless open space. The City knows when Councilmembers are being dishonest. This is about saving a treasured historic entity. Enough historic spaces have been destroyed in Los Angeles. This one should be saved. Don't lie because you get something by associating with Harvard Westlake. You are a council member. Do the right thing for the City and history. In the end, you will do better for it. David Kellen
