RE: TRANSMITTAL FOR COUNCIL FILE NO. 20-0652

On August 10, 2021, the Planning and Land Use Management (PLUM) Committee considered a Department of City Planning (DCP) report, dated May 25, 2021, relative to Early Childhood Education (ECE) programs and the approval process for child care facilities. Staff from the DCP, Department of Recreation and Parks (RAP), and Los Angeles Department of Building and Safety (LADBS) provided an overview of the matter. After providing an opportunity for public comment, the PLUM Committee approved the following recommendations:

1. INSTRUCT the Community Investment for Families Department, with the assistance of the DCP, RAP, and LADBS, to create a comprehensive webpage to serve as a centralized ECE hub and planning guide, similar to that of the City of Santa Monica.
2. INSTRUCT the involved City departments to report back to the PLUM Committee with specific recommendations for adoption.

Pursuant to the multiple referral of this matter, the subject Council File is hereby transmitted to the APHEN Committee for consideration. This matter awaits consideration by the APHEN Committee.

Sincerely,

A handwritten signature in black ink, appearing to read "AR" followed by a flourish.

Armando X. Bencomo, Legislative Assistant  
Planning and Land Use Management Committee
