Comments for Public Posting: I live near Melrose and La Brea, and multiple times a night me and my family are woken up by illegally loud exhaust sounds coming from cars and motorcycles on Melrose and La Brea. This seems to happen with impunity - they are never stopped or cited for this behavior. I ask that the City of Los Angeles enforce CVC 27202 and CVC 27204, citing any vehicles with exhausts over 80db. Furthermore, I ask that the City of Los Angeles clamp down on the shops that install these illegal exhaust systems. Cutting this issue off at the source will be far easier than ticketing all offending drivers.
