PUBLIC WORKS

The City of Los Angeles' Equestrian Facilities Trust Fund contains annually assessed Equine License Fees paid by equestrian riders in Los Angeles, and the funds are devoted to "provide for construction of new equestrian facilities". Shadow Hills is a horse-keeping community in Council District 7 intersected by Sunland Blvd, a major corridor with heavy traffic. To provide the equestrian community with safe passage, a High-Intensity Activated Crosswalk (HAWK) beacon signal is needed at Sunland Blvd and Johanna Ave, to enable equestrians to cross from the established bridle path running along the north side of Sunland Blvd to the trail system on the south side, and thereby strengthen connectivity through the Foothills horse-keeping communities.

There are sufficient funds in the City's Equestrian Facilities Trust Fund which can be transferred to the Department of Transportation and the Bureau of Street Lighting to start the planning and project design which is necessary to move forward with the project. Action is needed to begin work on this effort by transferring money from the Equestrian Facilities Trust Fund and to instruct the involved City departments to identify a contractor for the construction of the project.

I THEREFORE MOVE that the Council, subject to the approval of the Mayor:

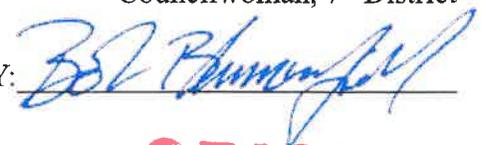

1. Authorize \$455,500 in the Equestrian Facilities Trust Fund No. 212 be appropriated to a new Account in the Department of Transportation Trust Fund No. 840-94, entitled "Sunland Blvd at Johanna Ave Improvement";
2. Authorize transfer therefrom \$5,000 to Transportation's General Fund 100, Department 94, Overtime Account Number 001090 for staff design cost, and transfer therefrom \$5,000 to Street Lighting's General Fund 100, Department 84, Overtime Account Number 001090 for staff design cost;
3. That the Bureau of Contract Administration immediately informs the departments when the above-described improvements are completed and accepted by Contract Administration,
4. Authorize the Chief Legislative Analyst, or her designee, to make technical corrections or revisions as may be necessary to implement the intent of this motion.
