**Comments for Public Posting:** Our City Council is Fraudelently stealing money from our Emergency funds. This is clear after noticing that file 20-0291 is item 34 on an agenda that has over FORTY items. This File contains information pertaining to the "extension" of the "Emergency" coming from this "Pandemic". 1)Resolve that a local emergency continues to persist- THIS IS SIMPLY UNTRUE. The emergency of Covid 19 is and has historically been caused by a lack of preparation from the government. The Government has shown its cards in its dictatorship and bad judgement over the course of OVER 1.5 YEARS. The "Data" has been proved over and over to have discrepancies that align with historic examples of abuse of power. The "emergency Funds" need to be replaced for when this city actually has mass casulty events. For when the City actually needs to directly support the people. This is a blatant example of theft on its highest level. DO NOT extend the emergency. WE THE PEOPLE DEMAND our money be returned. WE THE PEOPLE DEMAND the end of this "Declaration of Emergency". The emergency really lyes with men and women in our City Leadership stealing from the pockets of the people. RESOLUTION relative to the Declaration of Local Emergency by the Mayor, dated March 4, 2020, wherein he declared that conditions of disaster or of extreme peril to the safety of persons and property have arisen both internationally and within the United States as a result of the introduction of the novel coronavirus (COVID-19), pursuant to the provisions of the Los Angeles Administrative Code (LAAC) Section 8.27.
