DISCUSSION:

The tentative map of Tract No. 82253 was conditionally approved by the Advisory Agency on December 7, 2018 for the merger and re-subdivision of Block A, Lots 5 and 6 of Tract 4372 including land previously quitclaimed/deeded to the City for future street purposes, in the Venice Community Plan.

This map was approved by the Los Angeles City Planning Commission on appeal on January 24, 2019. In its approval, the Los Angeles City Planning Commission granted the appeal in part and sustained the determination of the Deputy Advisory Agency. In approving the decision of the Deputy Advisory Agency, the Los Angeles City Planning Commission adopted the Modified Conditions of Approval and Findings.

The Advisory Agency has determined that this project will not have a significant effect on the environment.

This final map proposes to merge the portion of Rose Avenue within the tract boundaries with the remainder of the subdivision pursuant to Section 66499.20.2 of the State Government code.

The Conditions of Approval for the tract map have been fulfilled including payment of the Recreation and Parks Fee. Transmitted Subdivision Improvement Agreement and Contract with attached security documents guarantees construction of the required improvements.
