Comments for Public Posting: Dear Honorable PLUM Committee: I urge the PLUM Committee adopt the nomination by the Cultural Heritage Commission on April 15th, 2021, without any revisions, for Studio City Golf and Tennis Club to be included in the list of Historical-Cultural Monuments according to the CHC staff findings as written. The CHC determined " that the property conforms with the definition of a Monument pursuant to Section 22.171.7 of the Los Angeles Administrative Code. As a property that for generations has been open to everyone regardless of age, gender, and ethnicity for an affordable price without membership dues, Weddington Golf and Tennis is in a unique position between a public, municipal course and a private country club. Weddington Golf & Tennis complemented and supported surrounding suburban development in Studio City. Weddington Golf & Tennis stands out for is planned landscape, specifically, the number and application of over 350 palm, eucalyptus, and pine trees, to define the fairways. Any proposed demolition of this excellent example of a post WW II Era recreational facility will result in a significant loss to the heritage of Studio City. I urge you to protect this iconic Studio City landmark for future generations. Sincerely, Suellen Wagner 28 year resident of Studio City Board Member, Save Coldwater Canyon Cofounder, Studio City For Quiet Skies

Dear Honorable PLUM Committee: Please read through this pre-drafted letter to the end for my personal comments. I urge you to protect this iconic Studio City landmark for future generations. I live less than 50 feet from the beautiful putting green. I see it from my window. This is a wonderful oasis and buffer from the traffic on Ventura that will likely increase due to construction near Sportsman's Lodge and other projects that front the facility and river space from Whitsett to Coldwater. We live with the busy fire station that was moved/constructed near the remaining tennis courts of the facility. And many residents are fighting the flight path change from Burbank Airport that has created such stress from unceasing daily low-flying aircraft from 7:00AM to as late as 11:00PM. To have this one refuge is a blessing. Please consider the loss of something as sacred as this space as a loss of what makes Studio City a standout neighborhood. Sincerely, Heather Lea Gerdes Studio City resident over 20 years
