Comments for Public Posting: We wholeheartedly support the Cultural Heritage Commission's finding on Case No.:CHC-2020-7764-HCM and urge you to vote in favor of the findings and designate the entire site as an Historic Cultural Monument. We place a very high value on the open space that Studio City Golf and Tennis Club provides our community (and Los Angeles) and its historical significance. For these reasons, we believe it deserves the cultural designation.

Comments for Public Posting: I support the Cultural Heritage Commission's finding on Case No.:CHC-2020-7764-HCM and urge you to vote in favor of the findings and designate the entire site as an Historic Cultural Monument. I learned how to play golf here and now visit regularly to the range and course. This location is a meeting up place for the community and its history needs to be preserved for the future generations. Thank you for your consideration.
