Dear Honorable PLUM Committee:

I urge the PLUM Committee adopt the nomination by the Cultural Heritage Commission on April 15th, 2021, without any revisions, for Studio City Golf and Tennis Club to be included in the list of Historical-Cultural Monuments according to the CHC staff findings as written. The CHC determined " that the property conforms with the definition of a Monument pursuant to Section 22.171.7 of the Los Angeles Administrative Code.

As a property that for generations has been open to everyone regardless of age, gender, and ethnicity for an affordable price without membership dues, Weddington Golf and Tennis is in a unique position between a public, municipal course and a private country club. Weddington Golf & Tennis complemented and supported surrounding suburban development in Studio City. Weddington Golf & Tennis stands out for its planned landscape, specifically, the number and application of over 350 palm, eucalyptus, and pine trees, to define the fairways.

Any proposed demolition of this excellent example of a post WW II Era recreational facility will result in a significant loss to the heritage of Studio City. I urge you to protect this iconic Studio City landmark for future generations.

Sincerely,

Jennifer Wilson

Dear Honorable PLUM Committee:

How many times do we have to fight to preserve landmarks and green, open space?

Without these older cultural gems, our society (and small wildlife) has no place to relax and enjoy nature's open space. The constant destruction of these gems negatively affects our health and well- being, not to mention it takes away the beauty and charm of a neighborhood.

Sportsman's Lodge. Harvard Westlake. Even the trees surrounding the iconic Sunkist Bldg- ready to be sold and destroyed to the highest bidder.

Please listen to us. Save Weddington from the greed and zero aesthetic vision of developers who are destroying LA's beauty and covering it in concrete.

The CHC determined " that the property conforms with the definition of a Monument pursuant to Section 22.171.7 of the Los Angeles Administrative Code.

As a property that for generations has been open to everyone regardless of age, gender, and ethnicity for an affordable price without membership dues, Weddington Golf and Tennis is in a unique position between a public, municipal course and a private country club. Weddington Golf & Tennis complemented and supported surrounding suburban development in Studio City. Weddington Golf & Tennis stands out for its planned landscape, specifically, the number and application of over 350 palm, eucalyptus, and pine trees, to define the fairways.

Any proposed demolition of this excellent example of a post WW II Era recreational facility will result in a significant loss to the heritage of Studio City. I urge you to protect this iconic Studio City landmark for future generations.

Sincerely,
S. Colet
