**Comments for Public Posting:** Okay, so the park is "Closed" at 9pm now? Does that mean that the parking lots will actually be secured at 9pm or will the people in the apartments surrounding the park still be taking up all the parking spots? Will the transient who has set up his encampment in the West corner of the park be told to leave? Like, EVER? I can't believe our council-people make over \$200K a year to make these brave decisions.
