Council File No: 20-0729

Comments for Public Posting: You know what would prevent the police from defending themselves with force? NOT allowing the riots in the first place. As long as the council members can hide safely in their homes/offices then it is clear you all don't really care. Elections are coming up. We will remember who tried to keep law and order and keep the taxpaying citizens safe and who put us at risk by allowing the mobs to get out of control.
