**Comments for Public Posting:** Dear Honorable PLUM Committee: I urge the PLUM Committee adopt the nomination by the Cultural Heritage Commission on April 15th, 2021, without any revisions, for Studio City Golf and Tennis Club to be included in the list of Historical-Cultural Monuments according to the CHC staff findings as written. The CHC determined " that the property conforms with the definition of a Monument pursuant to Section 22.171.7 of the Los Angeles Administrative Code. As a property that for generations has been open to everyone regardless of age, gender, and ethnicity for an affordable price without membership dues, Weddington Golf and Tennis is in a unique position between a public, municipal course and a private country club. Weddington Golf & Tennis complemented and supported surrounding suburban development in Studio City. Weddington Golf & Tennis stands out for is planned landscape, specifically, the number and application of over 350 palm, eucalyptus, and pine trees, to define the fairways. Any proposed demolition of this excellent example of a post WW II Era recreational facility will result in a significant loss to the heritage of Studio City. I urge you to protect this iconic Studio City landmark for future generations. Sincerely, Paul Wong

**Comments for Public Posting:** I support the Cultural Heritage Commission's finding on Case No.:CHC-2020-7764-HCM and urge you to vote in favor of the findings and designate the entire site as an Historic Cultural Monument. Having lived in Studio City for 20 yrs now, the Weddington Golf & Tennis club was an important part of my son's life while growing up here. Between taking tennis lessons and playing on the court together and then later shifting to golf, we both had the experience of being on that property and witnessing firsthand the importance it plays on the culture of our city. Sincerely, Karma

**Comments for Public Posting:** I support the Weddington Studio City Golf and Tennis be established as a monument. It is the jewel of Studio City. I have been playing golf and tennis there for years and I would be devastated to lose it. The City should have bought it years ago. The Harvard Westlake Proposal is a nightmare and an insult to the community. Taking down hundreds of trees, removing grass and installing fake synthetic grass, no more golf course, reduced tennis courts, and much less public access, if at all. Please reject Harvard Westlake's Plan and make this jewel a monument. Thank you,  
Laurie Rittenberg, Studio City 91604

On my visits to Los Angeles from New York, I have benefited greatly by my experiences at Weddington Studio City Golf & Tennis.
