Summary:

On September 1, 2021, the Public Safety Committee considered an August 16, 2021 CAO report relative to retroactive approval to apply for and accept a grant award for the

FY 2021-22 REFP Program grant from the Los Angeles County REFP Trust Fund Committee for the period of July 1, 2021 through June 30, 2022. According to the CAO, the LAPD is seeking retroactive approval to apply for and accept a \$953,000 grant award for the 2021-22 REFP Program grant from the Los Angeles County Real Estate Fraud Prosecution Trust Fund Committee (County) for the period of July 1, 2021 through June 30, 2022. This is the 21st year of funding for this program. To support this program, the LAPD is also requesting for the continuation of three existing resolution authorities for one Detective III and two Detective II positions, and the addition of one new resolution authority for one Detective II position as additional grant funding was allocated this year. The new resolution authority is being requested for tracking purposes and to ensure compliance with grant restrictions in not supplanting other sources of funds with grant funds.

The Real Estate Fraud Prosecution Trust Fund (Trust Fund) is funded by a filing fee for real estate documents recorded in the County, as provided by California Government Code Section 27388. The Trust Fund supports the efforts of local law enforcement and prosecuting agencies to investigate and prosecute real estate fraud. The County evaluates applications for funds and provides grant awards to selected jurisdictions. The level of annual funding provided by the fee is dependent upon the number of document titles filed within the County of Los Angeles.

The grant reimburses a portion of the annual costs of the LAPD's Real Estate Fraud Unit (REFU). The REFU, which is within the LAPD's Commercial Crimes Division, is responsible for administering the City's Real Estate Fraud Prosecution Program. This unit handles white-collar real estate crimes within the City. The REFU is currently comprised of four full-time staff consisting of one Detective III and two Detective II resolution authorities funded by the grant, and one Detective III regular authority funded by the General Fund. The LAPD is requesting that the three existing resolution authority positions be reauthorized, and one additional resolution authority position be authorized for FY 2021-22. The REFU opened 43 new cases in the 2020 calendar year, in addition to the cases carried over from calendar years 2017-2019. Also, the REFU made 12 arrests from cases filed by REFU Detectives. These cases tend to be complex, usually developing into multiple victims being identified, with identity theft continuing to be the starting point for real estate cases.

After consideration and having provided an opportunity for public comment, the Public Safety Committee moved to recommend approval of the recommendations contained in the CAO report as detailed in the above recommendations. Subsequently, on October 6, 2021, the Personnel, Audits, and Animal Welfare Committee also considered this matter and after having provided an opportunity for public comment, moved to concur with the Public Safety Committee. This matter is now submitted to Council for its consideration.

Respectfully Submitted,

Public Safety Committee
