Comments for Public Posting: Case: CHC-2020-7764-HCM Dear Honorable PLUM Committee: My name is Joe Saunders and I'm a resident of Los Angeles. I urge the PLUM Committee adopt the nomination by the Cultural Heritage Commission on April 15th, 2021, without any revisions, for Studio City Golf and Tennis Club to be included in the list of Historical-Cultural Monuments according to the CHC staff findings as written. The CHC determined " that the property conforms with the definition of a Monument pursuant to Section 22.171.7 of the Los Angeles Administrative Code. As a property that for generations has been open to everyone regardless of age, gender, and ethnicity for an affordable price without membership dues, Weddington Golf and Tennis is in a unique position between a public, municipal course and a private country club. Weddington Golf & Tennis complemented and supported surrounding suburban development in Studio City. Weddington Golf & Tennis stands out for its planned landscape, specifically, the number and application of over 350 palm, eucalyptus, and pine trees, to define the fairways. Any proposed demolition of this excellent example of a post WW II Era recreational facility will result in a significant loss to the heritage of Studio City. I urge you to protect this iconic Studio City landmark for future generations. Thank you, Joe Saunders

I would respectfully like to point out that the traffic congestion that will result not only from construction but from the sporting events that will inevitably follow will be a horrible detriment to one of the most iconic and beautiful neighborhoods in Los Angeles County. Any proposed demolition of this excellent example of a post WW II Era recreational facility will result in a significant loss to the heritage of Studio City. I urge you to protect this iconic Studio City landmark for future generations. Sincerely, Larry Le Francis 4214 Elmer Avenue North Hollywood, CA 91602

Dear Honorable Members:

The Board of Directors of Neighborhood Council Valley Village (NCVV) wholeheartedly supports the position of the Studio City Neighborhood Council (SCNC) regarding preservation and future development of the Studio City Golf and Tennis Club, and support SCNC's efforts to obtain Historic-Cultural Monument status for the property.

The Studio City Golf and Tennis Club is a rare resource in the southeast San Fernando Valley that is used by many of our neighbors in Valley Village for recreation and outdoor activities. Equally rare is the large and contiguous green space that affords environmental benefit and provides significant improvement to quality of life for all of our communities. We support our colleagues at SCNC in their efforts to maintain all of these important features for the benefit of our stakeholders, and preserve the history of this legendary property.

Sincerely,

Tony Braswell
President
Neighborhood Council Valley Village

The CHC determined " that the property conforms with the definition of a Monument pursuant to Section 22.171.7 of the Los Angeles Administrative Code. I was born and raised in Studio City, and have watched how it has transformed for better or worse over the last 30 years. There are very few businesses and landmarks that still stand from my childhood, and as a new mom I hope that one day my daughter will be able to enjoy and admire the same institutions my family did when I was young. Even my husband, who is a relatively new Studio City resident and took up tennis as a way to cope during the pandemic, has been devastated by the possible destruction of Weddington. As a property that for generations has been open to everyone regardless of age, gender, and ethnicity for an affordable price without membership dues, Weddington Golf and Tennis is in a unique position between a public, municipal course and a private country club.
