Comments for Public Posting: I am a longtime member of the National Writers Union and I am enthusiastic about the Freelance Isn't Free campaign. Since so many writers get only occasional freelance jobs, I would support reducing the minimum over a four-month period to \$250. I'm happy to say I have never been "stiffed" for a job, but I know plenty of other writers who have. Thanks to the sponsors of this bill. I look forward to seeing it go into operation.
